

The Mightiest Little Peasant Chapter 2578

“That’s a good idea. The void divine wheel can control time, and what we lack is time.”

Supreme Xuan Hong nodded his head.

“However, that is the treasure of the great void sect. They might not lend it to us!” Then, he frowned.

“It’s just a treasure! For the Holy region, for the human race, I believe they can understand!” Tang Hao said with a smile.

“That’s true! It’s all for the future of the human race!”

Supreme Xuan Hong nodded his head and said, “it’s just borrowing a treasure. I think Supreme Taixu and the others in the chaos dojo will agree to it.”

“Good! I’ll go and borrow it now, I have to go personally.”

Then, he stood up with an excited expression.

“Al! Wait, I’m coming too!” Tang Hao also stood up.

“What are you going to do?”

Supreme Xuan Hong was stunned.

He had gone to the chaos Dao Plaza to meet the great void sect. This kid had humiliated the great void sect and killed Xu mie. It was inevitable that the great void sect would have some prejudice against him. This had already started at the fallen Dao mountain.

Now that this kid was following him, wouldn’t he be asking for a snub? would the great void sovereign be nice to him?

“I’m just looking!” Tang Hao smiled. “I’m not doing anything!”

“This ... Fine!”

Supreme Xuan Hong hesitated for a moment before nodding his head.

“Then let’s go together! Remember, don’t talk nonsense!” He warned.

“No problem!”

“Okay,” Tang Hao said, then followed her.

After leaving the temple, the two of them headed straight for the wilderness.

“This is the mountain Gate of the great void sect? Tsk tsk! It’s really imposing, as expected of an ancient orthodoxy!”

After entering the great void sect’s territory, Tang Hao looked left and right with a curious expression.

From time to time, he would even exclaim in admiration.

“Greetings, Supreme Xuan Hong!”

Upon sensing the Supreme celestial light on Supreme Xuan Hong, many figures flew out from the territory of the great void sect and welcomed him.

In the Holy region, the divine temple was Supreme and ruled over all forces in name.

Supreme Xuan Hong was also very famous and respected in the Holy region.

Tang Hao glanced around and saw many half-Supremes and many nine acupores cultivators. It was clear how deep the great void sect’s Foundation was.

They stepped forward and bowed to Supreme Xuan Hong. Then, they turned to look at Tang Hao.

After seeing it clearly, they were all stunned.

Then, he revealed a strange expression.

How could they not recognize this guy? they had seen him at fallen Dao mountain. Recently, this guy had also become very popular. He was so popular that he had almost overshadowed his five prologue of the sacred zone.

This person had a grudge against the great void sect in the lower realm. He killed people from the great void sect and crippled their geniuses. He made the current sect master extremely embarrassed and humiliated.

Xu mie from the lower realm was also killed by this fella, causing the great void sect to lose face.

Where did this fella get the face to ask for his great void sect?

Many people’s faces darkened, and their expressions were somewhat unfriendly.

Some of them even revealed angry expressions, their faces full of hostility.

In their eyes, this person was the enemy of their great void sect.

However, with Supreme Xuan Hong present, they did not dare to flare up and could only endure it.

Tang Hao looked at them and grinned. He was smiling brightly.

He liked to see this kind of expression. She didn’t like him but couldn’t do anything about him.

The venerable sovereigns of the great void sect gritted their teeth and were so angry that the veins on their foreheads were popping.

This kid was too detestable!

He couldn't be using Supreme Xuan Hong's power to show off in the great void sect, right?

"May I ask the Supreme martial artist why you have come to my great void sect?"

A white-haired old man glared at Tang Hao, then cupped his hands at Supreme Xuan Hong.

"I've come here to borrow a treasure. I'll have to see your Supreme martial artist first before I can tell you the details. "

Supreme Xuan Hong laughed.

"Treasure?"

The old man was stunned.

"Supreme martial artist, please wait a moment. I'll go and report this now!" Then, he bowed and turned to leave. He flew to the mountain peak that was blooming with the Supreme immortal radiance.

"The divine temple is here to borrow our treasures? What treasures can we borrow?"

"I don't know! That's not important. Look at that kid, he's still smiling. He's too detestable!"

All the venerable sovereigns' attention was on Tang Hao.

Looking at that smiling face, they felt angry.

"That guy is the so-called Supreme Emperor Hao Tian?"

"This is the bastard who killed Xu mie?"

As the news spread throughout the great void sect, gazes from all directions fell on Tang Hao.

"This bastard!"

Among them, a figure walked out of a Pavilion and looked at the figure in the air. He couldn't help but clench his teeth and curse.

This person was the great void sect master.

Originally, as the master of a Dao, he should have enjoyed extremely high treatment and a large amount of resources. However, because of this kid, he became the laughingstock of the great void sect and his status plummeted. Now, he was not even as good as an ordinary elder.

“How can this guy be so fast?”

At the same time, he was a little confused and shocked.

How long had it been in the upper realm? two years and a month to go. In such a short time, this kid had soared from the level of three apertures to a half-step Supreme martial artist. He had even defeated the Tang clan’s xuzi, and his name had spread throughout the Holy region.

This speed was truly somewhat inconceivable.

He looked at this kid, who was now following the Holy Temple’s Supreme and had boundless glory. He then looked at himself, who was in dire straits and looked poor. He felt a little dejected.

After looking at it for a while, he shook his head and stopped looking. He turned and entered the pavilion.

He knew very well that he had no hope of getting revenge. In the future, the gap between the two of them would only get bigger and bigger, and they would no longer be on the same level.

He would leave this brat to the others in the orthodoxy to deal with!

“Supreme martial artist, Supreme martial artist Xuan Hong from the Holy Temple is here. He wants to meet you and borrow a treasure!”

On the other side, the old man stopped in front of the mountain and respectfully called out to the mountain.

“What? Xuan Hong is here?”

At this moment, in a Palace deep within the mountain, the main body of the great void sovereign was sitting cross-legged with his eyes closed, regulating his breathing.

Hearing the shouts outside, he opened his eyes, and his expression changed.

Why is old man Xuan Hong here?

Borrowing treasures?

What treasures did his great void sect have to borrow?

Could it be that because that brat is dead, that old man Xuan Hong is suspecting me, so he came to test me?

How could Xuan Hong suspect me?

Shouldn’t they be suspecting the nine-colored race?

That's right, it was because I was seen when I escaped that day. That's why Xuan Hong came to test me.

Not good!

I'm far from recovering my strength. I've only recovered less than 20% of my strength. Xuan Hong will be able to notice the abnormality with one look.

It seems that I can only use that method, but if I use this method, my more than a month of recuperation will be in vain, and the damage to my physical body will be great ... No matter, I have to deal with this first.

He gritted his teeth and revealed a determined expression.

Then, he took out a black pill and swallowed it.

In an instant, the blood essence in his body began to boil and burn. The aura around his body soared wildly, and he suddenly returned to his peak.

"Mm! I should be able to hide it for now!"

He stood up, checked the aura around him, and nodded in satisfaction.

Although this method was very harmful to the body, he had no choice but to do it.

Then, he was about to step out.

However, at this moment, another sound came from outside.

"Oh, that's right. Supreme martial artist Xuan Hong isn't the only one who came this time. There's another person, and that's that kid called Tang Hao!"

When the great void sovereign heard this, his body trembled violently, as if he had been struck by lightning.

His face instantly turned blank.
