

The Mightiest Little Peasant Chapter 2579

That kid didn't die?

How was that possible?

The great void sovereign was in disbelief.

That was the world-ending lightning tribulation!

He had only been implicated, but he had also almost been blasted into ashes. If not for his tens of thousands of years of Foundation, he would not have been able to resist at all.

And that brat was the instigator, so the lightning tribulation had to strike him to death. How could he have survived?

"Looks like this kid has quite a few tricks up his sleeve!"

He snorted.

Although it was hard to believe, it was the truth. That kid had used some unknown method to resist the lightning tribulation and survived.

This was a good thing for him. At least the great void seal was saved.

"What treasure? I think they're here to question us! Hmph! Kid, you're too naive. Do you think I'll admit it? As long as I deny it, no one can do anything to me! Not even that old man Xuan Hong!"

"I'm a Supreme venerable. You're just a little venerable sovereign, and you want to fight with me?"

He snorted coldly and walked out of the hall, appearing on the mountain peak.

"That kid is here too! He really had the face! Let's go, I'll go take a look!"

He retracted the light and moved in front of the white-haired old man.

"He didn't die as expected!"

After a while, master Taixu swept his eyes and saw two figures in front of him. One of them was master Xuan Hong, and the other was the kid. He was still alive and kicking.

When he took a closer look, he saw that he was still smiling.

Looking at that smiling face, Supreme Taixu's face could not help but Twitch a few times. Under his sleeves, his fists were tightly clenched.

He was in such a miserable state now all because of this damned brat!

He was extremely angry in his heart, but he did not show it on his face.

“Hahaha! Daoist Xuan Hong, long time no see. I wonder what treasure you are here to borrow from the great void sect?”

He laughed and went up to them.

He was already prepared to deny everything that this person would question him later. He would just say that he had been meditating in the training hall and had never stepped out.

As long as there was no evidence, the divine temple could not do anything to him.

“Daoist great void, I’m here today to borrow a treasure. This treasure is extremely important to the entire Holy region and the human race.” Supreme Xuan Hong took a few steps forward and said in a serious tone.

???

When the great void sovereign heard this, he was a little confused.

Aren’t you here to question me and test me? Why did he really borrow a treasure?

What kind of treasure could the great void sect have that was important to the entire Holy region and the entire human race?

For a moment, he was stunned and didn’t know how to answer.

“Daoist great void, I know that this might be difficult for you. However, for the Holy region and the human race, you have to consider this carefully.” Supreme Xuan Hong spoke again, his tone turning heavy.

“That ... What kind of treasure is that?”

Supreme Taixu stammered as he recovered from his shock.

He could not understand what was going on.

Could it be that this old man, Xuan Hong, was really not here to denounce his crimes, but to borrow a treasure?

He stared at Supreme Xuan Hong and took a closer look.

Then, his face twitched again, and he suddenly had the urge to vomit blood.

F * ck!

This old man Xuan Hong was really here to borrow a treasure. Looking at his expression, he might not know anything about that kid!

To think that he had thought that the old man Xuan Hong was here to condemn him, and had even swallowed a self-harming pill to forcefully restore his condition to its peak.

What a loss! What a loss!

This was a huge loss!

He had spent more than a month and consumed a large amount of spiritual essence to recover about 20% of his injuries. Now, it was all in vain. If he had known earlier, he would not have taken that pill!

At this moment, he was so remorseful that his intestines turned green.

“Daoist great void, what’s wrong? Are you alright?”

Supreme Xuan Hong asked with concern when he saw the change in his expression.

“No! It’s nothing!”

Supreme Taixu laughed and waved his hand.

However, his heart was bleeding.

Originally, he didn’t need to eat this pill at all. Now, not only did he waste a pill, but he also needed to spend a long time to recover. It could be said that he had suffered a great loss!

“Senior Taixu is full of energy and is in good condition. How could something have happened to him?”

At this time, he heard the boy’s ridicule.

His entire body trembled, and he almost couldn’t hold back from killing this detestable brat with a single palm!

“Yup! How could there be anything wrong?”

He still had a smile on his face, but there was a hint of bitterness in it.

“Oh right, what kind of treasure is it?” he asked after a pause.

Supreme Xuan Hong was about to say something, but Tang Hao beat him to it. “I’m afraid that you won’t dare to lend it to me if I tell you!”

“Hahaha! I don’t dare to borrow it? What a big joke! Why wouldn’t I dare to lend it to you? Daoist Xuan Hong has already said that it’s for the Holy region and the human race. How could I not lend it to you?”

The great void sovereign laughed out loud.

“That’s right, why wouldn’t my great void sect dare to lend it!”

“Kid, who the hell are you looking down on?”

Many of the great void orthodoxies started to curse.

“The great void divine wheel, do you guys want to borrow it?”

“Shut up!” Tang Hao shouted coldly.

In an instant, all the sounds below disappeared.

Everyone from the great void sect shut their mouths and no longer spoke.

The great void divine wheel!

That was the most powerful and precious treasure in his great void sect. It was the symbol of his great void sect. How could he just lend it out?

Furthermore, the great void divine wheel was the foundation of the middle world, the great void heaven. Once it was taken out, it would damage the middle world.

“This ...”

Even the great void sovereign was silent.

He had never thought that the divine temple would come to borrow this treasure.

This was the symbol of his great void sect!

“I knew it. You guys were just talking. When you really want to borrow it, look, none of you are saying anything. Who was the one who scolded me and said that I looked down on others? that’s right, I look down on your great void sect!”

Tang Hao laughed mockingly.

If it was someone else, the people of the great void sect might not think much of it. But this guy was a great enemy of the great void sect. The effect of this mockery was too strong.

“Shut up!”

“You can’t insult my great void sect!”

They all sneaked away and cursed.

Supreme Taixu stood there with a gloomy expression.

He had no other choice now that the kid was causing trouble.

He could only lend it to him. If he didn't, how could he maintain his reputation? furthermore, this kid was so cunning. A smart person would definitely spread the news and defame his great void sect.

"Fellow Daoist great void, this is indeed for the sake of the human race. You know about the recent fertility pill, right? I want to use my divine wheel to buy more time for the Holy region and cultivate a few generations of geniuses!"

At this moment, Supreme Xuan Hong spoke.

"I'll borrow it!"

Supreme Taixu gritted his teeth and said.

Since Supreme Xuan Hong had already said so, how could he not lend it to him?

It was against the righteousness of the human race!

Once this hat was pinned on him, he couldn't bear it either.

Then, he glared at Tang Hao.

He felt that this idea might have been thought up by this kid to take revenge on him.

"That's it then. Three days later, the elders of the Holy Temple faction and the elders of your great void sect will go down to retrieve the divine wheel!"

Very quickly, the two of them finished their discussion.

Supreme Xuan Hong left with Tang Hao, satisfied.

"This stinky brat!"

The great void sovereign looked at the divine light that was disappearing into the distance and cursed in a low voice.

Then, he turned around and quickly returned to his own mountain peak.

As soon as he stepped into the palace, his body trembled and he spat out a mouthful of blood. Then, his body went soft and he fell down.

The side effects of the pill just now had appeared.

"You brat, just you wait. When I recover, it'll be the day of your death!"

"Everyone related to you must die ..."

Then, in the vast Palace, his angry roar sounded and reverberated.
