

The Mightiest Little Peasant Chapter 2588

"It's almost time! He should be able to enter the top five!"

Tang Hao sat there for a long time. He estimated the time, then stood up and walked out of the room.

"Senior, you're really amazing!"

Qi Lingxiao and a few disciples of the sky sword sect walked toward them.

"It's alright!"

Tang Hao smiled and waved his hand.

But then, Qi Lingxiao looked dispirited and said dejectedly, "Senior, I'm too useless. I'm sorry for letting you down!"

???

Tang Hao was confused.

His heart skipped a beat, and he suddenly had a bad feeling.

Could it be that this guy didn't make it into the top five?

"What? That little brat?"

Tang Hao was completely dumbfounded when he heard the situation.

When he looked at the other two winners, his face twitched a few times, and he suddenly had the urge to vomit blood.

No matter how much he calculated, he did not account for that little wimp!

He didn't expect Qi Lingxiao to be so useless. It would be great if he could last a minute longer.

Now, apart from him, there was a kid, an old monster like venerable seven kills Emperor, and two more who were uglier than him. His ordinary appearance had suddenly become the number one.

What the hell was this!

If this continued, wouldn't he be chosen?

Gulu!

Tang Hao gulped. He was panicking.

"I'm fine! He was fine! Maybe that guy was blind! I like old men like the seven kills Emperor!" He tried his best to comfort himself.

"Senior, congratulations! You have hope now!"

Qi Lingxiao grabbed Tang Hao's hand enthusiastically and congratulated him with an envious expression.

'Congratulations, your sister!

Tang Hao was on the verge of tears.

He didn't want to be intimate with a strange woman and even have a child with her!

Sis Xiangyi was good at having children!

"Do you want to run away now?"

He looked left and right and was already thinking about how to escape!

"Fellow Daoist! Congratulations! You've already entered the top five. Come, come, come, come over here. When the other two come out, you'll be able to welcome our clan's overseer. "

At that moment, the elder of the Ji family came over and dragged Tang Hao to the side.

"That ..." Tang Hao stammered.

"What's wrong?"

"It's ... It's nothing!" Tang Hao smiled bitterly.

He regretted it. He shouldn't have come.

After a while, that little wimp from the Chen clan came out. He raised his face and was extremely proud.

Then, it was seven kills Emperor's turn.

When venerable seven kills saw the kid, he was also shocked. His expression turned strange.

"Alright! The test is over, and the last five people have been selected. Next, let's welcome the Ji clan's prologue!"

The elder had wanted to be impassioned and praise the five of them, praising how outstanding they were, but when he saw the little kid, he was speechless. He could only say a few simple words and then hit out a jade talisman.

A moment later, he saw a seven-colored divine light flying over from the distance.

It was a seven-colored Luan bird, carrying a Palace on its back as it flew over.

When he got closer, he could see a figure lying on the bed in the palace. Her curves were like the ups and downs of mountains, extremely graceful.

That water snake-like waist was easily grasped.

Further down, there was a pair of smooth, fair, Jade-like legs lying on the bed.

Her face was covered with a veil, so it was hard to see her face clearly. However, just her hot and alluring figure alone was enough to make all the male cultivators around stare.

“Pfft!”

Qi Lingxiao’s face turned red when he looked at it, and he almost had a nosebleed.

“Look, that cloud, it’s so big ... Oh no! It’s so white!”

Behind him, a few disciples of the sky sword sect wiped the blood from their noses and looked up at the sky.

Many of the male cultivators raised their heads in this way and didn’t dare to look anymore.

Tang Hao furrowed his brows when he looked at it.

It was true that the Ji clan’s overseer had a great figure and was very hot, but he was used to seeing beautiful women. Sis Xiangyi, Tamamo, and seiyuki all had such hot figures, but they didn’t have this kind of charm.

It seemed that this was the influence of the six desires Heavenly Devil.

This was stronger than any seduction technique he had ever seen. If one’s willpower was not strong enough, they would not be able to resist it at all. They would die after a few glances.

“Six desires Heavenly Devil! It’s really powerful!”

Emperor seven kills praised.

His eyes were still quite clear.

The rainbow Luan arrived before them and stopped.

A pair of eyes peeked out from the palace and swept over the five people in the square.

Then, he let out a soft ‘tsk’, as if he was very dissatisfied.

“Blind! You must be blind!” Tang Hao prayed in his heart.

“Elders, are you doing this on purpose?”

The gaze swept back and forth between the five of them several times. Finally, the person in the palace spoke with a somewhat unfriendly tone.

Her voice was soft and charming. Even though she was scolding him, it was extremely pleasant to the ear and tugged at his heartstrings.

“It really isn’t! Didn’t you set the rules? They will be the five people who stand out in the end!” The group of elders bowed and smiled bitterly.

“Oh my God!”

The sound of someone smacking their forehead could be heard from within the palace.

“Tell me, how old is that child?”

“Sister! I’m ten years old!”

The Chen clan child puffed out his chest and said with some pride.

In the palace, the sound of someone holding their forehead could be heard.

The Ji clan elders smiled bitterly.

“That ... That old man, how old are you?”

“I’m 12000 years old this year. I’m not that old!” Emperor seven kills said with a smile.

The palace was silent.

He was completely speechless.

“This one ... Is a little ugly, this one ... Is too ugly! Eh! This one seems okay!”

The gaze swept over the other two people with some disdain.

The two of them looked like burly men, and they really didn’t catch her eye.

Then, he looked at the fifth one. It’s quite pleasing to the eye!

Of course, it wasn’t to say that this one was very good. It was just that compared to the previous few, this one seemed slightly better and could barely be looked at.

“He’ll do!”

In the palace, a Jade-like hand was raised and pointed at Tang Hao.

Tang Hao’s expression changed.

F * ck! He had really been chosen!

“Fellow Daoist, congratulations!”

The elders of the Ji clan were relieved. Then, they smiled warmly and welcomed him.

“Senior, congratulations!”

Qi Lingxiao and the others also came up to congratulate him.

The xiuzhe of the four sides looked over with gazes of envy and jealousy.

But Tang Hao’s expression was bitter as he was surrounded.

“That ...”

“Fellow Daoist, what’s the matter? tell me!”

The Ji clan elder said warmly.

“That ... Can I not take it!” Tang Hao said softly.

“What? You don’t want it?”

The elder’s eyes went wide when he heard that. He looked at Tang Hao in disbelief.

Was this guy serious?

This was a fortune that many men in the Holy region envied, but this person actually didn’t want it?

After hearing this exclamation, the noise around them gradually disappeared.

In the palace, the beautiful face that was covered by the veil also revealed a stunned expression.
