

The Mightiest Little Peasant Chapter 2616

“What kind of lightning is this?”

The godly spirit of the green god clan was shocked.

The Golden lightning made his heart palpitate.

This was truly ridiculous!

He was an end realm God and his bloodline had returned to his ancestors. What kind of lightning in the world could make a living being at his level feel fear?

In the blink of an eye, the lightning had arrived in front of him.

Then, his eyes widened in horror as he watched his five fingers being destroyed by the lightning.

“What ... What kind of lightning is this?”

He shrieked, his face filled with extreme shock.

At the same time, he retreated.

Si si si!

Seeing this, the xiuzhe in the four directions were dazed and then sucked in a breath of cold air.

The Golden lightning was too terrifying!

That fellow was an end realm God spirit and there was no need to doubt the strength of his body. However, he was still destroyed by the Golden lightning!

“That’s the world-destroying sacred Thunder!”

One of the Supreme-beings spoke.

“World-destroying sacred Thunder? No way! Isn’t that the heavenly Dao lightning? it’s something that belongs to the heavenly Dao. We cultivators ... No, I’m afraid that no living being in this world can control this divine lightning!”

The xiuzhe of the four sides were in an uproar, their faces full of disbelief.

In this world, there were many types of lightning, such as Dao fire and true fire, that cultivators could control. Some descendants of gods and saints were born with the ability to control a type of divine lightning.

However, these were all different from the world destroying sacred Thunder. Not only was it the most powerful Thunder in the world, but it was also the most special kind of Thunder. This was because it was a Thunder that belonged to the heavenly Dao and was specialized in killing heaven-defying things.

It was this divine lightning that had killed the true self.

But now, this self body actually spat out the world destroying sacred Thunder. It was really ridiculous!

“What kind of lightning could have such power besides the world destroying sacred lightning?”

“You guys don’t know how powerful the sky extermination immortal Emperor was. He came up with a crazy way to pass the world-ending tribulation, which was to devour the world-ending Thunder and make it his own.”

“It was also because of this world extinguishing Thunder that sky destroying immortal Emperor was able to dominate the world and leave his name behind.”

The Supreme martial artist said.

“This is the world-ending lightning?”

When the godly spirit of the Qingshen clan heard this, his face under the divine light twisted.

F * ck!

This was the terrifying world-destroying lightning!

This kind of heaven-defying level thing was actually in the grasp of a human brat! This was too F * cking ridiculous!

He was cursing in his heart.

Then, he looked at his hand. It was not very serious, only five fingers were destroyed. It seemed that the power of the world-destroying Thunder was still limited. It could injure him, but it was not enough to pose a real threat to his life.

He immediately heaved a sigh of relief.

When he looked up again and saw the figure in front of him, his face darkened.

An original body that controlled the world-destroying Thunder!

This kid’s strength was too heaven-defying!

If he could injure him now, what would happen in the future?

Today, he had to make him stay!

He gritted his teeth and his body shook. With a boom, divine light shot up from his body. Waves of violent divine might turned into a raging tide and surged out.

“Aaah!”

In an instant, there was a wave of panicked shouts.

The human cultivators in all directions were hit by the impact. They were sent flying by the shock wave formed by the divine might.

The faces of the human race’s Supreme-beings all changed.

The godly spirit of the green god clan was about to unleash his full power!

“Fellow Daoist! You can ‘t!”

Immediately, a Supreme martial artist shouted.

“What do you mean by” can’t “? this is the territory of my Divine Spirit Mountain. Don’t even think about interfering. We have already set the rules. This kid will either die Here or stand on the peak of the mountain for ten breaths. There is no third possibility!”

“Whoever dares to interfere, I’ll fight him to the death!”

The godly spirit of the green god clan roared in anger.

All of the Supreme-beings hesitated.

They didn’t expect that this fellow Daoist from the green god clan would have such a strong killing intent. He was willing to risk falling out with the other party just to kill that kid.

If they were to attack now, it might cause a huge battle.

Although they had a lot of people, this was the divine Spirit Mountain after all. There were many ancient divine arrays on it. If they really fought, they wouldn’t be able to gain any advantage for a while.

“Let’s make our move later. I don’t think that kid will die so easily. We’ll make our move at the last moment and take him down. ”

“That’s true. That brat has crippled their Divine Son and almost overturned the entire Divine Spirit Mountain. He’s naturally angry. We have to let him vent his anger!”

The group of human sovereigns transmitted their voices to each other and started discussing among themselves.

“I was thinking the same thing!”

The great void sovereign also voiced his agreement.

He coldly looked at the scene, his eyes full of malice.

When the human race Supreme martial artists made their move, he would secretly interfere.

This kid is dead!

“Human brat, it’s your honor to make me use my full strength!”

The God spirit of the Qingshen clan shouted and reached out his hand. A divine light flashed in his palm and a black divine halberd appeared.

He grabbed the divine halberd, turned into divine light, and struck with the halberd.

In the face of this halberd attack, the self opened its mouth and shot out another bolt of lightning.

BOOM!

The lightning and the halberd collided, and an explosion of light erupted.

The godly spirit gritted his teeth, he wielded the halberd in his hand and finally tore the lightning apart. The halberd then continued its way forward.

However, at this moment, the Golden original body suddenly retreated and crashed into the boy’s body. Then, the boy’s body burst out with an extremely bright golden light, so dazzling that his eyes blurred.

He subconsciously blinked. In the next moment, he was stunned. The halberd in front of him seemed to have hit something and stopped.

He opened his eyes wide and looked at the golden light in front of him.

Vaguely, he saw a golden figure. It wasn’t the self body, but that kid. His skin turned golden, and like the self body, there were Thunder patterns on it.

His eyes had also turned golden, with lightning surging in them.

He raised his right hand, and lightning gathered in his palm, blocking the halberd.

“This is ...”

After seeing it clearly, the godly spirit of the green god clan was shocked.

What was up with this kid?

Did it merge with the self?

Such a heaven-defying thing could actually be fused into one?

Looking at his opponent's shocking aura, he was in disbelief.

At this moment, the aura on this kid's body was already almost catching up to a true Supreme martial artist!

Before he could come back to his senses, the lightning in front of him instantly expanded and surged toward him with a monstrous momentum.

He was caught off guard and was immediately forced to retreat, looking a little embarrassed.

Then, with a Swoosh, a black shadow flashed in front of him. The Golden figure held the immortal halberd and was surrounded by monstrous divine Thunder. He struck with the halberd again.

Clang!

He hurriedly blocked it, but he was forced back again. Under the cover of the world-destroying divine Thunder, his body was destroyed in many places, leaving potholes everywhere. He looked more and more embarrassed.

"Ah, Yingluo!"

When he stopped, he let out a sharp cry, his face twisted with extreme anger.

He was the master of the green god clan, an end realm God, one of the strongest in the world. But now, he was being beaten up by a human brat who was only half a step away from the Supreme Being realm. It was simply too embarrassing!

He madly activated the Shen power in his body and wanted to find the kid to settle the score.

However, when he looked forward, that kid's figure was nowhere to be seen.

When he looked up again, he saw that the Golden figure had already rushed into the sky, and his target was the peak of the divine mountain.

His expression changed drastically, and his figure immediately rushed out in hot pursuit.

He definitely couldn't let this kid reach the peak!
