

The Mightiest Little Peasant Chapter 2692

The three demon thearchs stood not far away with wary expressions.

This guy who had suddenly appeared had a very strange aura. They could not see through him at all.

“The strength of these three people is still quite strong!” Thearch golden scales said, “especially that one from the lion Clan. He has the Golden Lion bloodline and his body is very strong!”

“Why don’t we just chase them away? if they attract the attention of other demons or they escape, I’m afraid ...”

Then, he seemed to have thought of something. His expression changed slightly and he lowered his voice.

“No need!”

Tang Hao shook his head and said calmly.

He knew what Dao friend Jin Lin was worried about. This was the demon Realm, and there were demons everywhere. If he, a human xiuzhe, revealed his aura, he would attract the attention of these demons. He might even be surrounded and hunted down.

If it was before, he would really be worried. But now, he had nothing to fear!

“But ...”

Thearch golden scales hesitated and looked worried.

“I can kill them with one palm. They can’t escape!” Tang Hao said in a deep voice.

Although his tone was very light, it revealed a strong self-confidence and a domineering aura.

“This ...”

Thearch golden scales was stunned.

He could kill it with one palm?

How could this be possible?

He knew that fellow Daoist Tang was very powerful and had unrivaled divine abilities. However, he was still a half-step sovereign after all. It was simply impossible for him to kill three half-step Supremes with a single palm strike. Even if he used a fairy weapon, it would be difficult to kill them!

If it was a defeat, it would be easy.

Could it be that this person was trying to scare the three of them away?

However, this was completely useless. On the contrary, it would have the opposite effect.

He hurriedly turned to look at the three people. As expected, the three people were all enraged, their faces full of anger.

“Hahaha! One palm strike? Who Do You Think You Are! He’s really good at bragging!”

“Come on! Let me see how you’re going to kill us with one palm!”

They were so angry that they laughed and mocked.

“You’re looking for death!”

“Die!” Tang Hao shouted coldly. His eyes glowed, and his killing intent soared.

The aura around his body exploded. He stretched out his hand and a huge palm appeared above the mountain range. It pressed down brazenly. On it, there were rolling flames and lightning. The aura was terrifying.

When the giant palm was formed, the entire world froze, suppressed by the terrifying aura emitted from his body.

“This ... This is ...”

Venerable golden scales’ eyes were wide open as he looked at the figure beside him, who was covered in a brilliant light and had a mighty divine power.

How was this a half-zhizun!

This was the true aura of a Supreme Being!

Fellow Daoist Tang has successfully transcended his tribulation and become a Supreme martial artist!

“This isn’t demonic Qi, it’s immortal Qi!”

“That aura ... It’s that of a Paragon! He’s a human race Supreme Being!”

The three old monsters raised their heads and looked at the huge palm that covered the sky above them. They were so frightened that their souls almost flew out of their bodies.

This wasn’t just a Supreme martial artist of the human race. He was one of those Supreme martial artists with shocking divine abilities and incomparably fierce strength!

The huge palm had yet to press down, but the aura alone was enough to crush them. The demonic Qi protecting their bodies was shattered, and then, crack! Kala! Their corporeal bodies were being squeezed and looked like they were about to explode.

They wanted to run, but their bodies had been suppressed and they could not move at all.

Ah!

The Tiger demon was the first to give in. His body was crushed into a ball and exploded inch by inch. He wanted to reveal his true form and struggle for a while. However, just as he was about to reveal his true form, he was suppressed.

Kala! Kala!

He maintained his human form and was completely crushed. His physical body and Demon Soul were crushed together, and his soul was completely destroyed.

Seeing his miserable state, the bear demon and Tiger demon, who were still struggling to hold on, trembled in fear. Their minds were in a mess, and they immediately lost their breath. They were crushed into powder by the huge palm.

The arch golden scales stood on the spot and looked on in a daze.

He still couldn't believe his eyes. Three half-zhizun realm experts had just been crushed by a single palm right in front of his eyes, and their souls were scattered.

Was this ... A Paragon divine power?

He turned around and looked at the dazzling figure beside him. He was extremely shocked.

"Alright, I'm done!"

"Let's go," Tang Hao said indifferently, retracting his aura.

He flicked his sleeve as if he had just killed a few mosquitoes. It was so insignificant.

Then, he collected the belongings of the three demon thearchs and put them into his bag.

"Tang Dao ... No! Supreme Tang!"

After being stunned for a long time, venerable golden scales finally came back to his senses.

He had never expected that in just half a month, this person would have already transcended the Tribulation and become a nine tribulation Supreme martial artist. This was really too fast and too unexpected!

"I thought you were still at the same cultivation level. I didn't expect that you'd become a Supreme martial artist so soon!" The arch golden scales said with a bitter smile.

"I had some Lucky Chances, so I transcended the Tribulation!"

"How long have you been here?" Tang Hao smiled at him.

“It’s been more than ten days. I was in another world and didn’t have much harvest, so I used the token to come to this world. Because I’m also from the demon race, and this happens to be the demon world, I want to find some opportunities here.”

“Yes,” Thearch golden scales said. “I did gain something these days. I obtained some pills and some useful spirit herbs. I just didn’t expect to be targeted by these three old demons and be killed here.”

“If I didn’t run into you by chance, I’m afraid we’d be in trouble this time!”

As he spoke, he revealed a grateful expression.

“What pill? Let me see!”

Tang Hao said.

Thearch golden scales also took out all the pills without hesitation.

He had complete trust in this person.

Tang Hao glanced at them and recognized them. They were pills unique to the demon clan. Their effects were to strengthen one’s soul and true spirit after consumption.

In the ancient demon race, there were actually quite a number of such pills. They all used Demon Souls because the demon race was used to devouring the souls of their own kind. Unlike the human race, they rarely devoured the souls of their own kind and used some spiritual medicine to refine pills.

He could also tell that these pills were made from the souls of 8th tribulation demonic beasts. Each of them was equivalent to one or two thousand true spirit pills. This was a great harvest for Daoist Jin Lin.

“Mm! Not bad!”

He nodded and praised.

“There should be quite a few similar pills in this world. Do you want me to take you to find them?”
Thearch golden scales said.

“Alright!”

Tang Hao thought for a while, then nodded.

Although he already had a thirty-thousand-year-old soul fruit, it was naturally better to have more of such treasures. After all, he was really lacking in them.

One soul fruit was only enough for two people to break through to the ninth tribulation. There were many people around him, such as Qingxue, Yan ‘er, Zao huaizi, Yin Feng, Yun Rong, and others who needed it.

“Let’s go to this place. I’ve asked around. There’s a very powerful demon tomb there. It’s said that it’s the tomb of a fallen demon immortal. There’s also the remnant soul of the demon immortal in the tomb. If it’s true, it’s more precious than these pills.”

The arch golden scales pointed in a direction and led Tang Hao forward.
