

The Mightiest Little Peasant Chapter 2696

“What is this?”

“Demon hearts! Oh my God! How could there be ten apertures! I’ve only heard of the nine apertures exquisite Devil’s heart, how could it have ten apertures?”

A series of exclamations rang out in front.

The two of them were equally shocked.

They had never heard of a ten apertures Demon Heart.

“There’s no mistake! It was indeed ten apertures! This was the heaven-defying ten aperture exquisite Demon Heart that surpassed the strongest nine apertures! It’s the most precious treasure of the demonic Dao!” The venerable sovereign named Jin Lin shouted excitedly, his expression somewhat crazy.

“Ten apertures ... Demon’s heart?”

The boy was stunned at first, but then he revealed a look of joy and laughed. “I knew there must be a treasure here!”

“There are treasures, but I’m afraid it won’t be your turn! This is the treasure of my demon race. You, a human, want to take it?”

The old demon desolate evil sneered.

“It’s time. Not only this Demon Heart, but all the treasures on this kid will be mine!”

He stopped hiding and rushed out.

BOOM!

His body trembled and the aura of a ninth tribulation demon venerable was released without reservation. It spread out in an instant and suppressed the world.

“Hahaha!”

He laughed out loud, and with his hands behind his back, he stepped forward in the air. Violent winds surged around him, and his robes and long hair fluttered wildly. Divine light shone around him, and the phenomenon was shocking. He was simply like an ancient immortal God.

Every time he took a step, the void around him would tremble. His aura was very shocking.

“This aura ... It’s a 9th tribulation demon sovereign!”

“Not good!”

The venerable sovereign named Jin Lin turned around and looked at him. He was so scared that his face turned pale and he shouted.

Upon seeing this, the old demon desolate evil felt smug.

Who was he?

An invincible ancient Fey Thearch!

Now that he had returned as a King and released his invincible aura, wouldn't this minor character be scared witless?

“What?”

However, when his eyes turned and landed on the boy, he was stunned, and the smug expression on his face froze.

That brat actually didn't have any reaction at all!

That kid clearly saw him, but it was as if he didn't see him. There wasn't even a hint of surprise on his face, let alone shock. He was too calm, so calm that it was a little strange!

This was too abnormal!

Could it be that he was scared silly? That's impossible! This brat was so bold, how could he be scared silly so easily!

Forget it, who cares! Let's kill him first!

The old demon Huang Xie snorted coldly before he shouted, “Kid, do you recognize me?”

Tang Hao nodded.

“Very good! This way, you can die knowing why!” The old demon desolate evil sneered. “From the day you tricked me, you should have known that such a day would come! You only have yourself to blame for this!”

“Oh!”

Tang Hao nodded again, his expression calm.

“Do you know how much you've caused me? If it wasn't for you, I would have recovered my cultivation and wouldn't have to hide all day and live such a miserable life! Let's end this today!”

The old demon of desolation shouted and extended his hand. A golden light flashed in his palm and a golden divine spear appeared.

This was a celestial artifact that he had found in the spiritual fantasy wonderland. Although he didn't know if it was real or fake, as long as it was in this world, it was real.

"Good! Let's end this!"

Tang Hao said.

He flicked his sleeve at Thearch golden scales, who was standing beside him, signaling for him to back off. Then, he looked up at his opponent, and a shocking battle intent rose around him.

Sensing this battle intent, the old demon of desolation evil was stunned. He could not believe it.

Was this kid serious?

Can't he tell that I'm already at the ninth tribulation? Then he should understand that with his strength, it was impossible for him to win. Only death would await him!

What hundred thousand feet true spirit, what immortal Emperor's divine power, they were all useless in front of him!

He was also once an invincible existence who dominated an era!

"Hmph! I'll fulfill your wish!"

Old demon Huang Xie bellowed. With a shake of his body, the clothes on his upper body were ripped apart, revealing his golden body. This was a body that was almost perfect, without a single flaw, and it was covered in golden scales.

Each scale had a golden divine light flowing on it, emitting a world-shaking aura.

"Die!"

He grabbed his divine spear and shot out like lightning.

In an instant, a dazzling golden light bloomed on the tip of the spear, engulfing the entire world.

The wind roared and the void was torn apart ...

The power of this spear was unimaginably powerful.

In the distance, venerable golden scales' expression changed and his face turned pale when he sensed the aura.

This spear attack was too terrifying!

Not only was that guy's cultivation level high, but he also exuded a terrifying aura that made his spirit tremble. This was the suppression of his bloodline. This demon venerable had an unimaginably powerful bloodline.

"There's the aura of a true dragon, but it's stronger than the average true dragon. Furthermore, there are other auras that are very ancient!"

Tang Hao stood where he was and looked at the approaching figure. He was trying to identify the aura.

In the past, when he encountered this old monster, he had never fought it head-on. Moreover, at that time, the old monster was also in a state of injury and looked sickly. Now, it was in its heyday.

"As expected of an invincible ancient Fey Thearch!"

"Amazing!" Tang Hao exclaimed.

Such an invincible and overbearing attitude really lived up to his reputation in ancient times.

He took a deep breath, and the blood in his body gradually began to boil.

Only such a person was worthy of being his opponent!

In the next moment, his body shook, and with a boom, the aura of the ninth tribulation burst out. He grabbed the green smoke divine spear and turned into a flash of lightning, shooting out and meeting the attack with the spear.

"This is ... The ninth tribulation?"

"This kid has also advanced?"

The old demon desolate evil's heart trembled in shock.

He had always thought that the kid had not broken through yet, which was why he was so confident that he could take revenge. Never in his wildest dreams did he expect that the kid had already broken through to the Supreme-being realm just like him.

How did this happen?

This brat clearly hadn't transcended his tribulation before he came in. Could it be that he transcended his tribulation in the spiritual fantasy immortal land? This kid was too bold!

In a flash, countless thoughts flashed through his mind.

So what if he did?

He was invincible, and this brat couldn't stop him!

He howled and continued to attack with the Golden spear in his hand. His aura rose sharply.

Boom! Boom! Boom!

Before the two immortal level divine Spears collided, their auras had already collided crazily. Divine light exploded in the sky, and the violent shock waves turned into solid ripples that spread out, shattering the mountains in the surroundings into powder.

After being hit, Thearch golden scales let out a muffled groan. His expression changed drastically, and he frantically retreated.

The battle between ordinary nine tribulations was already very terrifying, not to mention that these two were not ordinary nine tribulations. One was a super monstrous genius of the human race who was less than 100 years old and had proven his Dao. The other was an invincible existence during the era of the ancient ten thousand emperors.

The collision between the two would definitely be a world-shaking battle.
