

The Mightiest Little Peasant Chapter 2710

“Do you believe that?”

“I can’t believe it! But I have to believe it!”

Everyone followed him and flew toward great heaven peak.

Along the way, everyone’s expression was somewhat dazed, still not coming out from the shock just now.

A sect with tens of thousands of venerable sovereigns!

It was too terrifying and unbelievable!

However, this was most likely true. There was no need for this nine tribulations Supreme martial artist to lie to them. Moreover, with the ancient Divine Tree in front of them, tens of thousands of venerable sovereigns became credible.

“Unbelievable! It’s really unbelievable!”

Supreme Thunder origin shook his head and sighed.

Beside him, the face of the great void sovereign was ashen, as if he was constipated.

He had come with the intention of watching a joke, but in the end, he didn’t see the joke and almost shut himself up!

“Hmph! I don’t believe that you have any more hidden cards!”

After a long time, he snorted angrily and said through gritted teeth.

On the other side, Tang Bukong was dumbfounded. Two mysterious Supreme Venerables and tens of thousands of venerable sovereigns. All of this was too absurd and he could not believe it.

“Where did this kid find these people?”

The Tang family’s patriarch was also very shocked and bewildered.

Soon, they arrived at great heaven peak.

When they saw the row of eight-tribulation great emperors on the mountain road, they were all stunned.

There were at least ten thousand venerable sovereigns!

This Supreme martial artist was right.

Only now did they truly believe it, and they were even more shocked.

“Look, their auras are very strange. They have the auras of gods and demons ... Their physical bodies are very powerful ... And that armor is of the highest grade. Its aura is close to immortal armor!”

They sized him up and were even more shocked.

These venerable sovereigns were unimaginably powerful, both in terms of equipment and strength.

“How can these people’s auras be so powerful and sharp ...”

Even the great void sovereign was shocked.

His eyes turned red as he looked at the venerable sovereigns.

Why couldn’t his great void sect nurture such a powerful disciple?

Compared to these people, the venerable sovereigns of his great void sect were like trash. Their auras were much weaker.

The eyes of the other Supreme martial artists were also red.

As they walked, they touched and swallowed their saliva. They wished they could sweep away all these people and take them into their own orthodoxy.

Just like that, everyone walked all the way to the mountainside. Looking up, there seemed to be two balls of light at the end of the road. They were extremely bright, both of which were the Supreme immortal radiance.

“Why are there two more Supreme-beings?”

They raised their heads and were shocked.

How could there be so many Supreme martial artists in the Haotian Daoist sect who jumped out one after another?

“One of them is Supreme vast heaven, the one on the right is Supreme vast heaven, and the one on the left ... Why is it a female cultivator? Waa!”

Everyone took a closer look and recognized that the person on the right was Supreme Haotian in white, while the person on the left was a dream-like beautiful fairy in white, showing her perfect curves.

That face was like the most perfect piece of art sculpted by God, so beautiful that it was breathtakingly beautiful.

When the Supreme martial artists saw this, they were fine. After all, their Dao hearts were stable. However, when some of the young people saw this, they were stunned and their minds were in a trance.

She didn't have any six desires heavenly Devils on her, but just like the six desires heavenly Devils, she could capture people's minds. One look at her and it was as if one's soul could be hooked.

"Who is she?"

"This is a girl! He's still young!"

The group of Supreme martial artists focused their eyes and looked at it carefully, all revealing shocked expressions.

They could roughly judge a person's age from their appearance, energy, spirit, and appearance. This person was definitely very young, probably only a hundred years old!

"This is my partner!"

Tang Hao answered their question.

"Oh! So, she's fellow Daoist Tang's cultivation partner! She's truly a peerless beauty, a goddess-like figure!"

The group of Supreme martial artists suddenly came to a realization.

They had all heard that this man had many Dao companions. One of them was surnamed Qin and was from the eight desolates Qin clan. It must be this man.

"I really didn't expect that this person would even raise his cultivation companion to the ninth tribulation!"

"How many treasures does he have? Such a Foundation is too terrifying!"

They were all extremely shocked.

Although they were all Supremes, it was impossible for them to raise their Dao companions, disciples, and people close to them to the ninth tribulation. That was because it would consume an unimaginable amount of resources.

"Greetings, fairy Qin!"

Then, they all bowed and greeted him enthusiastically.

Not only is she a ninth tribulation cultivator, but she's also fellow cultivator Tang's cultivation partner. Her status and identity are not ordinary!

"Everyone, there's no need to be so polite!"

Qin Xiangyi said gently as she bowed.

“Waa! Look, these two are so well-matched!”

“Both of them are at the ninth tribulation. This is too blissful!”

There were also many female cultivators in the crowd, regardless of whether they were old monsters or the younger generation. They all looked at the two people standing side by side in front of them and let out exclamations of admiration and envy.

“Look at Supreme Haotian. He can raise his cultivation partner to the ninth tribulation. What about you? you’re so stingy. You’re not even willing to give him an elixir. You’re so useless!”

The female cultivators at the level of old monsters looked at their Dao companions beside them and began to show their disdain.

F * ck!

Blame me for being useless? Do you think everyone is Supreme Haotian, such an awesome figure?

The men beside them felt wronged.

Some of them retorted, which immediately caused domestic violence at the scene and caused a burst of laughter from all sides.

“Fellow Daoist Haotian, this is a gift prepared by the West Pole path ...”

The Western extreme sovereign was the first to step forward. He walked up the stairs halfway up the mountain and presented the 9000-year-old immortal herb.

“Many thanks, fellow Daoist extreme west!”

Tang Hao cupped his hands and smiled warmly.

Then, someone came up, took the treasures, and started to register. They were the two Taoist priests, the sloppy and very trendy Taoist priests. They didn’t have high talent, but after using the creation divine pill, they had their creation divine bodies washed away. They could be considered to have talent.

Over the years, he had eaten a lot of resources and had reached the eight-tribulation great emperor realm.

“Come on! Those who are giving gifts, come over here. One by one, please take your time!”

They shouted to the crowd behind them.

“Another two venerable sovereigns ... This is the creation divine body!”

All the Supreme martial artists saw through these two people.

They weren't surprised at all. Compared to the previous ones, a few creation divine bodies weren't much.

They stepped forward one by one and presented the gifts they had prepared.

"This is a gift from my great void sect. It's an 8000-year-old celestial medicine. I'm giving it to you as a gift, but I suddenly don't feel well. I'll take my leave first!"

Supreme Taixu stepped forward, smashed a box on the table, and turned to leave.

When he left, his face was terrifyingly dark.

He had come to see a joke, but now, there was no joke to see. That kid was almost at the peak of his glory, and he was furious. He was afraid that if he stayed any longer, he would not be able to hold it in and vomit blood.

Many people laughed as they watched him leave.

This Supreme Taixu couldn't bear to see the good of the Haotian Daoist sect and left angrily!
