

The Mightiest Little Peasant Chapter 2736

“Senior mo, he ... What’s wrong?”

In the nine-colored camp, the Supreme gods were all stunned.

The top expert of the nine-colored celestial race, the God of killing, the ruthless senior mo, was being held down by a human brat. He spat out blood and was sent flying again and again. His hair was disheveled, and he looked extremely pathetic.

This scene was simply too absurd.

They couldn’t accept it at all.

It was already heaven-defying enough for that human boy to defeat two reverent-god level experts from the Wu family. After all, he was not even a hundred years old yet. However, looking at his current situation, this boy could actually fight against a peak nine-star expert.

Just how heaven-defying was this?

They just looked on in a daze, completely shocked and speechless.

After being sent flying again, killer god mo pulled back his body, his expression turning somewhat crazy.

He was a 10000-year-old monster, a top-tier master, and now he was being beaten by a human kid who was less than 100 years old. What a great humiliation!

His lifetime’s prestige and reputation would be destroyed here!

Ah!

He roared into the sky, and the aura around him soared crazily, bursting out a shocking nine-colored divine light. The pressure of the peak of the nine-star level turned into a raging tide that madly swept out.

Two beams of blood-red divine light shot out of his blood-red eyes, which were extremely terrifying.

At this moment, the divine light around his body was extremely dazzling. It was like a huge nine-colored star that hung in the void, exuding a violent and crazy aura.

“You little brat! To be able to force me into such a state, you should be proud of yourself!”

He looked forward with his blood eyes and shouted, “now, I will let you know what fear is!”

As he spoke, his pair of blood-red eyes began to move.

Buzzzzzz!

The void around them trembled.

Time and space instantly froze.

“Hahaha! Kid, die! My divine eyes are the oldest and most powerful dual-pupils. Not only can they freeze time and space, but they can also freeze your divine soul, your blood, and everything else.”

“This is a pair of God’s eyes that can not be solved! It’s also the strongest God’s eye in the world. You can’t escape it, and no one in this world can escape it!”

Killing God mo laughed out loud, extremely pleased with himself.

Once the God’s Eye appeared, the battle was over.

Although he would have to pay a huge price for using the divine eye, his vitality would be completely sucked dry, and even his lifespan would be consumed by hundreds of years, it was worth it to kill a heaven-defying monster of the human race with the divine eye!

Seeing this, the Hierarch in the distance heaved a sigh of relief.

Once this pair of God’s eyes appeared, there was no need to think about what would happen next. That human brat would be killed by the God’s eyes, and before he died, he would go through the most painful torture.

“Oh? Is that so?”

However, at that moment, a slightly teasing voice was heard.

Mo killing God was stunned, and the smile on his face froze.

Then, his eyes slowly widened, as if he had seen a ghost.

The boy in front of him, who should have been completely suppressed and unable to move, actually opened his mouth and smiled at him teasingly.

This ... How was this possible?

He had clearly activated the divine eye to the extreme, so this kid should have been suppressed to death. How could he still speak?

“Impossible! That’s impossible!”

He seemed to have gone crazy as he mumbled.

Then, he activated his divine eyes and started to spin them again.

However, no matter how many times he turned, whether it was in the right direction or in the wrong direction, the result was the same. The kid was still fine, grinning and not affected at all.

On the other hand, he suffered a great backlash. His body began to collapse and shrink rapidly, turning back to his previous withered and withered appearance. Even the divine light on his body dimmed.

“This ... This is impossible!”

He was a little hysterical as he activated his divine eyes even more crazily.

However, it still had no effect.

Finally, he stopped. He stood there in a daze.

He couldn't understand what was going on. This pair of divine eyes should have been unsolvable and invincible. How did it become useless?

What was this human kid?

“What ... What's going on?”

In the distance, the nine-colored Hierarch was stunned for a long time. When they finally came back to their senses, they burst into an earth-shattering uproar.

They were all in disbelief.

That human brat actually broke through this pair of unassailable God's eyes!

“What did you do? Quick, tell me!”

After a while, killer god mo finally came back to his senses and screamed.

“Good! I'll let you die with a clear understanding!”

Tang Hao said indifferently.

His body trembled, and a sea of lightning surged out of his eyes. Dense golden lightning patterns crawled up on his skin, and even his black hair was surrounded by golden lightning patterns.

“What ... Is this divine ability?”

Killer god mo was dumbfounded.

“Self Dao!”

Tang Hao said, emphasizing each word.

“Self?” Mo killing God was stunned at first and was a little confused. After thinking for a moment, his body trembled as if he had been struck by lightning. His eyes suddenly opened wide, full of extreme shock.

Self Dao!

Wasn't this the forbidden great Dao of the human race?

At the same time, it was also the most powerful great Dao. Even Wu Shi did not manage to refine it.

“No wonder! I've managed to suppress one of you, but there's still another you. You can easily dispel the power of the polycoria!” He mumbled, completely enlightened.

This Dao of self was the nemesis of the dual-pupiled!

“It's good that you understand! Now, you can die!”

“Die!” Tang Hao shouted coldly. His body flickered and he appeared in front of his opponent like a ghost. The bloody butcher's knife appeared in a flash of blood and he slashed at his opponent.

Pfft!

A soft sound.

The head flew high into the air.

Before it could escape, the divine furnace flew over and swallowed the head.

Pfft!

With another sound, it was the left arm, which was also cut off, then the right arm, and then the two legs.

Tang Hao hacked at the old monster again and again, dismembering him and then swallowing him into the furnace.

Even though this old monster was exhausted and his life force and qi and blood were almost sucked dry by his dual-pupils, he was still a peak nine-star figure. His physical body was still extremely strong and could not be easily killed. Therefore, he had to be placed in a furnace to suppress.

The distant nine-colored Hierarch was dumbstruck by this sight.

The entire nine-colored camp was dead silent.

Their faces were filled with shock and confusion.

Yet another reverent-God had been defeated, and it was a top figure!

“Dao of self ... How could it be the Dao of self!”

“Isn’t this the legendary divine power of the sky extermination immortal Emperor? Ever since then, no one had managed to cultivate it to large success. How did this human brat manage to do it? This divine power is too frightening!”

“No wonder! This kid has such a high status in the human race!”

A moment later, the nine-colored camp was in an uproar.

The reverent-god level experts were in an uproar again.
