

The Mightiest Little Peasant Chapter 2746

“He’s really pitiful!”

Siyao stood by the bed and stared at Tang Hao. She couldn’t help but sigh.

When Tang Hao heard that, he almost sat up and punched her.

“I’ll give him a pill first. He should wake up soon. Then, I’ll ask him about his identity!” Su Xuezi said. She opened the Jade bottle in her hand and poured out a golden pill.

“Isn’t it a bit of a waste to give him pills? after all, he’s already crippled!”

Ye Siyao said.

She looked at the pill and felt her heart ache.

In the great fate sect, everything had to be exchanged. Although the value of this pill wasn’t high, she still felt a little heartache to use it on a cripple.

“I’m fine!”

Su Xuezi smiled. She turned to the side, lowered her head, and looked at the man on the bed. Her eyes were also filled with regret.

After a moment, she reached out, pried open the lips, and stuffed the pill in.

To Tang Hao, the pill was of no use. Given the level of his body, even if he refined one or two more ninth tribulation Hierarch level pills, the cracks would not be fixed. He estimated that he would need two or three top-notch Supreme level pills.

He waited for about ten minutes before he moved and opened his eyes, pretending to have just woken up.

“Where ... Where is this? And you guys are?”

He looked around and said in a daze.

“This is the great fate sect! I’m su Xuezi, a disciple of the great fate sect’s little Cold Peak. I saw you floating in the river just now, so I picked you up and brought you here. ” Su Xuezi said.

“The great fate sect? Which sect are you from?”

Tang Hao was confused.

“You don’t even know about the great fate sect?” Su Xuezi asked in surprise.

Although her great fate sect wasn't considered a large sect and wasn't very famous in the entire Azure meteor star, it was still quite famous in this area. This person had floated over from the upper reaches of the river, so he shouldn't have not heard of her great fate sect!

Tang Hao shook his head.

"Even the great fate sect doesn't know if you've lost your cultivation or not!" Ye Siyao said.

"I really don't know which star it is?"

Tang Hao said.

Su Xuezi was startled and became more and more surprised.

Stars?

Could it be that this person was from another star?

This was rare.

"This is the Azure meteor star!" She said.

"Cangliu?" Tang Hao furrowed his eyebrows.

Since it was a star, this could be an endless starry sky. However, judging from the cultivation of these two people, this could not be an endless starry sky, because they were both in the sage realm.

In the endless starry sky, the Saint realm was rare.

"Could it be ... That this is the outer realm?"

Tang Hao suddenly thought of a possibility.

He was terrified.

From the looks of it, this was the most likely possibility. It wasn't impossible either. The place where the explosion occurred was very close to the entrance of the cave. After the void collapsed, there were many cracks inside, and it was very likely that a few of them led to the outer realm.

And he just so happened to fall into this passage, and then tossed and turned in the void crack before falling onto this Azure meteor.

"Azure meteor star, I wonder which immortal domain it is!"

He searched through the memories of the soul search, but he still couldn't find this Azure meteor.

"I didn't expect ... That I would fall here!"

Tang Hao sighed in his heart.

It would be difficult for him to go back now that he had fallen so far and his body was in such a bad condition.

Fortunately, the nine-colored tribe should not have the strength to fight again after the death of the Oracle. He did not have to worry about Pangu for the time being. He should recover his body first and return to his peak condition before finding a way back.

“Oh right! Star pupil ...”

Tang Hao was surprised.

According to sovereign Xi’s divination, star pupil and Xi ya were both in the outer realm. Since they had come to the outer realm by accident, he could look for them and reunite with them as soon as possible so that he could rest assured.

Then, he used his inner sight to check his own condition.

His physical body had been severely damaged, but his sea of the Dao and the immortal abode within it were all intact. His immortal abode had been refined from the remains of a true immortal, after all, and was indestructible.

When his physical body recovered, he would be able to remove the seal and recover his strength.

But before that, he couldn’t easily undo it, which also meant that he couldn’t use his celestial core power, and he couldn’t use ordinary spells.

And this would bring a lot of trouble. For example, he could no longer fly, which was the most troublesome.

Tang Hao smiled wryly when he thought of that.

“Al! Are you really stupid?”

Ye Siyao looked at him with a strange expression.

Just now, she had reminded him that her cultivation had been crippled, but he acted as if he hadn’t heard her. His expression was still normal, but he was a little dazed.

“I told you just now that your cultivation has been crippled. Didn’t you hear me?”

She shouted again.

“Siyao!”

Su Xuezi’s expression changed slightly as she looked at her and rebuked.

“She’s a little straightforward with her words, don’t take it to heart!” She looked at Tang Hao and said apologetically.

“Oh! He was fine! If he was crippled, then so be it! It’s nothing!”

Tang Hao waved his hand and smiled.

Su Xuezi was stunned and found it hard to believe.

In the face of his cultivation being crippled, this man was actually so open-minded?

He must be pretending. He was forcing a smile, but his heart was already in pain! MMH! It must be like this!

She looked at the man in front of her and thought to herself, she felt more and more sympathetic.

“I don’t know who you were in the past, or why you were in trouble. But now that your cultivation has been destroyed, I guess you don’t want to go back to where you were before! How about this, you can stay here for a while.”

She said after a moment of silence.

“Although my great fate sect isn’t a great sect, we still have some strength. You don’t have to worry about your safety here.”

“He’s already crippled, what can he do? Oh! “Right, you can go and be an odd-job worker. My little Cold Peak is lacking an odd-job worker. Although you’re a man, it’s fine. You don’t have any cultivation, so you can’t do anything. That’s just right!”

Ye Siyao said.

“Handyman?”

Tang Hao was surprised.

He’s a nine tribulations Supreme martial artist, after all, and he wants to be an errand boy?

“What’s wrong? He despised it! Why don’t you think about it, who would still want you now? we’re doing this for your own good, so it’s fine if you don’t want to do it!” Ye Siyao snorted.

“Siyao!”

Su Xuezi glared at her again.

You’re right, but you’re being a little too direct. She’s just suffered such a huge blow, can’t you be more tactful with your words?

“Alright!”

Tang Hao thought about it, then nodded.

He didn't care whether he was a servant or not. In any case, he was only staying for a while. It wouldn't be too late for him to leave after he understood the situation of the Azure meteor star.

"Then I'll go talk to the peak Master later. After all, you're a man, and my little Cold Peak is full of women, so it might be a little inconvenient." Su Xuezi said.

Tang Hao nodded in agreement.

"Argh! By the way, I just made a set of clothes, you can wear it yourself!"

Su Xuezi seemed to have thought of something, and her face suddenly turned red. She threw out a set of clothes, then hurriedly got up and left with ye Siyao.
