

The Mightiest Little Peasant Chapter 2748

“What a pity!”

After a long time, venerable Red Cloud released his hand and sighed.

That’s right!

This man was indeed crippled. His dantian and Dao sea were completely destroyed, and there was no longer any possibility of recovery.

“There’s nothing to feel pity about!”

Tang Hao smiled.

The red Cloud Sage was only at the seventh tribulation, with five to six thousand health. With Tang Hao’s realm, it would be too easy to hide from her.

“You’re quite open-minded!”

Venerable Red Cloud asked, startled.

Then, she glanced at su Xuezi and ye Siyao, who were at the side, and looked a little hesitant. “According to the rules, you can’t stay in little Cold Peak, but since it was Siyao who suggested it, and Xuezi has also pleaded on your behalf, I’ll reluctantly agree.”

“I’ll let you do it for a while. If you’re obedient, I’ll let you continue. If you don’t, then don’t blame me for being merciless and kicking you out of the great fate sect.”

“Many thanks, master!”

Tang Hao cupped his hands.

“Then go down! You two take him to the foot of the peak and settle him down.”

Venerable Red Cloud said, waving his hand.

She didn’t ask any further. After all, he was a cripple, so there was no point in asking. Who cared what his previous identity was or what his talent was? these were no longer important.

“Did you hear that? follow the rules! My little Cold Peak has so many beautiful people. Young disciple, if you look at them carelessly, I’ll dig out your eyes!” After walking out of the hall, ye Siyao said with a vicious expression.

“What ... What are you looking at?”

Then, she stopped talking and her face turned red.

The man in front of her seemed to be a little dishonest as his eyes kept sweeping over her body.

She suddenly recalled what had happened in the cave abode just now.

“You ... Didn’t see anything, did you?”

She said with a red face.

“What is it?”

Tang Hao said, feigning ignorance.

“It’s just ... Sigh! Forget it, it’s nothing! If you really did see it, I’ll dig out your eyes!” Ye Siyao said angrily.

Siyao, what’s wrong?”

Su Xuezi, who was at the side, was surprised.

“It’s nothing!” Ye Siyao quickly said. Then, she glared at him fiercely.”Remember this, Tang kid. You have to thank us. If it weren’t for us, you wouldn’t be able to stay in little Cold Peak.”

“Many thanks to the two young ladies!”

Tang Hao cupped his hands and thanked him.

“Siyao, don’t be like this! Young master Tang is too polite!” Su Xuezi hurriedly said.

“Xuexi, why are you being so polite to him? Don’t tell me you’ve taken a fancy to him? Hey! He’s a cripple now. He only has an intimidating aura, but it’s good to look at, but it’s useless. ” Ye Siyao teased.

“What are you saying!”

Su Xuezi reproached and glared at her.

“Young master Tang, I’ll bring you to the foot of the peak to meet someone. Her name is Yu qihong and she’s also a disciple of little Cold Peak. She’s in charge of the service disciples. She’ll arrange a place for you to stay.”

Then, she looked at Tang Hao and said.

“Alright!”

“Okay,” Tang Hao said, then followed the two girls.

Along the way, su Xuezi briefly explained the situation of the great fate sect.

Tang Hao asked about the situation in the area. When he heard that there was a market in clarity city nearby, he paid attention to it.

If he wanted to find out more about this star, he had to go to the market.

From there, he could also learn the difference between the alien cultivation world and Pangu world.

According to his guess, the alien cultivation world was created by the traitors of the human race during the battle of Qiyuan. After tens of thousands of years of development, it must be very different from Pangu world.

Soon, they arrived at the foot of the peak.

In a Valley, he saw a woman in a red dress. She looked to be about 27 or 28 years old and was quite beautiful. It was Yu qihong, who was in charge of the odd-job workers.

She was stunned for a long time after hearing about Tang Hao.

She, little Hanfeng, was actually going to have another man!

Although he was only an errand boy, he was still considered a person of little Cold Peak.

Her little Cold Peak had thousands of years of history, and not a single man had ever appeared before. Today was an exception!

“Since the peak Master has agreed, I have no objections!”

She came back to her senses and nodded.

Then, she examined Tang Hao closely.

This was the first man in the history of little Cold Peak. His appearance was really not bad, and he had an outstanding temperament. She had never seen a man with such an outstanding temperament. There were many men in the other Four Peaks, but none of them had this kind of temperament.

“What a pity!”

She shook her head and sighed.

She also felt that it was a pity that this person, who was originally someone with some status or a genius level figure, had his cultivation crippled.

After the two girls left, she brought Tang Hao to a Valley.

The valley was filled with Ling fields and Ling plants.

Looking closely, it was all spiritual rice.

“Five-colored rice!”

Tang Hao recognized her.

This spiritual rice was commonly seen in the ancient times, but it was rare in Pangu world now. He had only found one in the ruins of the heavenly Buddha courtyard, called the apothecary rice. Later, he improved and promoted it, and it was grown on a large scale in Kunlun and the Fortune sect.

“In the future, your job will be to take care of the spiritual rice. Every morning, you have to go to the peak to sweep the steps, do some cleaning, and so on.”

Yu qihong pointed at the spirit field and said.

“Alright!”

Tang Hao agreed.

To him, this was simply too easy. It was his old profession.

“Oh right, how old are you?”

Yu qihong asked again.

“Over ninety!”

Tang Hao said.

“Then you’re younger than me!” Yu qihong was a little surprised. “Then, you can call me sister qihong in the future!”

“Alright!”

Tang Hao nodded.

“Come! Let me show you how to plant it. It’s very simple. This five-colored rice is the easiest to raise. ” Yu qihong walked to a small house on the side. When she opened it, there were many tools and some simple furniture.

“I know how to do this!”

Tang Hao said with a smile.

“You can?”

Yu qihong was stunned and a little surprised.

In her opinion, this person should be a genius. How could he know how to farm?

Farming was something that was usually done by the lowest-ranked odd-job workers or low-level disciples.

“I’ve dabbled in a wide range of things, and have learned a little from my sect’s seniors.” Tang Hao said.

“That’s good! I don’t need to introduce you.”

After explaining a few more things to take note of, she left.

Tang Hao was the only one left in the vast Valley.

Tang Hao walked around the fields, then came to the small house to clean it.

Looking out of the window, he could see the fields outside, the sun shining brightly, and the pleasant countryside scenery.

“Not bad!”

Tang Hao grinned. He felt relaxed.

He had not experienced such a feeling for a long time.

“When I recover my cultivation, I’ll go and find star pupil and sia. I’ll go back and unite with sister Xiangyi and the others so that they won’t worry about me. Also ... I don’t know how Supreme Xuan Hong is doing. I hope he’s fine!”

Tang Hao sat at the entrance and stared at the sky.

After a long time, Yu qihong came again. She brought a few sets of clothes from the great fate sect and a service disciple’s token.
