

The Mightiest Little Peasant Chapter 2750

“I’m that powerful?”

A beautiful figure flew over and landed next to Tang Hao. It was ye Siyao.

She was looking at her own sword in disbelief.

Su Xuezi also landed, her eyes also somewhat surprised.

In terms of strength, Siyao and Zhao Yan had a 50 – 50 chance. They’d fought many times in the past, and it was always a close call. How did she beat Zhao Yan up so badly today?

“Who is it? Who did this?”

Zhao Yan got up and shouted in all directions with a ferocious expression.

Someone must have set her up just now, so she was momentarily dazed and vomited blood from the attack.

However, there were so many people around, and she couldn’t find them.

She did not even look at Tang Hao. He was a cripple, so how could he possibly harm her?

“Tsk! You’re the one who can’t do it, stop finding excuses!”

Ye Siyao raised her head and said proudly.

She puffed out her chest, and her curves couldn’t help but become even more fiery. She was so proud that it made people look sideways.

“You ...”

Zhao Yan gritted her teeth in anger and her face turned red.

“You what you? do you believe I’ll hack you again?” Ye Siyao raised her flying sword and shouted.

“Hmph! Don’t be so arrogant! I’ll get even with you next time!”

Zhao Yan shouted and glared at him.

“Su, you’re not bad, picking up such a pretty boy. It’s a pity that he’s already wasted. However, you’re only worthy of this kind of waste! Other than trash like you, who else would want an ugly monster like you!”

She then looked at su Xuezi and shrieked.

“Have you had enough?”

“F * ck!” Ye Siyao was furious and cursed.

“Let’s go!”

Zhao Yan smiled smugly and beckoned to the people behind her as they walked up.

“This bastard, bitch!” Ye Siyao looked at her and cursed.

“Siyao, ignore her!”

Su Xuezi said gently.

“Young master Tang, I’m sorry for letting you see this!” Then, she looked at Tang Hao and said apologetically.

“Who’s that flirtatious B * tch ...?”

Tang Hao said, pointing upward.

“Flirtatious bitch?”

Ye Siyao laughed when she heard that. “That’s a good name!”

“Her name is Zhao Yan. She’s the direct disciple of one of the elders on little Cold Peak. Her status is quite high, so many disciples are afraid of her.” Su Xuezi replied, “I had some grudges with her in the past. That’s why she’s like this.”

“Tang kid, you don’t know how cheap and evil that B * tch is. It’s all her fault that xuexi became like this.” Ye Siyao said angrily, “in the past, our Xuezi was the prettiest and most talented person in this region. People called her Snow Fairy, and she was simply gorgeous. Back then, many young geniuses pursued her.”

“Siyao, there’s ... No way to prove that it’s her. Don’t say anything you don’t know.”

Su Xuezi’s eyes were a little dim.

“Hmph! Who else could it be besides her?” Ye Siyao snorted. “She’s the one who poisoned me!”

“Poison?”

Tang Hao mumbled as he looked at su Xuezi.

Yesterday, when he took a look at it, he could tell that it was poison, and it seemed like it was true.

“Yeah! That B * tch poisoned me!” Ye Siyao said.

“You can ‘t?”

Tang Hao said.

“Nonsense, if it could be solved, would it still be here?” Ye Siyao rolled her eyes and said in a bad mood, “are you stupid? Without his cultivation, even he was dumbfounded! I think I’ll just call you an idiot in the future!”

“This poison has no cure. No one has ever cured it.”

“Is that so?” Tang Hao chuckled. “There’s no poison in this world that can’t be cured. It’s only because you’re not experienced enough!”

“Yo! What a big tone! Don’t tell me you know how to detoxify?”

Ye Siyao sneered, her face full of disbelief.

In order to cure this poison, the peak Master had gone everywhere and found many alchemy forces, but they were all told that there was no cure for this poison. Even the alchemy God couldn’t do anything about it. How could this guy, who had become a cripple, have a solution?

What a joke!

“I know a little!”

Tang Hao was not angry. He smiled.

“Alright, Siyao!” Su Xuezi couldn’t take it anymore and said, “young master Tang, don’t be angry! That’s just how she is.”

“I’m fine! I won’t stoop to her level!”

Tang Hao said.

“You ...”

Ye Siyao’s eyes widened in anger when she heard that. She clenched her fist and almost threw a punch.

“Young master Tang, we still have things to do, so we’ll go up first. Siyao, we’ll be off!”

Su Xuezi quickly pulled her up and flew up.

All around him, the female disciples also went up after watching him for a while.

“Poison, huh ...”

Tang Hao stood there with the broom in his hand. He was deep in thought.

Miss su was a good person and had done him a favor. When the time came, he would help her get rid of this poison!

“There’s no rush. Let’s go to clarity city first and understand the situation here.”

Tang Hao swept the floor with the broom.

After he finished sweeping the floor, he went to see Yu qihong and borrowed a bird.

It was not convenient for him to use his celestial core power now, so he could not fly. Clarity city was quite close, but that was only for cultivators. If they walked, it would take ten days to half a month.

“Oh! By the way, here are ten crystal stones. Service disciples can get them every month.”

When he left, Yu qihong took out a cloth bag and gave it to him.

He opened it and saw ten thumb-sized crystals.

Tang Hao took out a piece and sensed it. There was quite a lot of immortal Qi inside. This was normal. The immortal Qi density of this Azure meteor star was quite high, almost the same as that of the upper continent in the sacred zone.

“Ten pieces ... It’s better than nothing!”

Tang Hao wrapped the cloth bag around his waist, then got on a flying beast and headed toward clarity city.

After leaving the great fate sect and flying north for an hour, he saw a huge and majestic city.

Many streams of light flew over from all directions and gathered in the city.

“It’s quite lively!”

After entering the city, Tang Hao went to the shops on both sides of the street.

After walking around, he had a good understanding of the situation in this Jie.

He had also found a star map and understood his position.

“The origin immortal domain ... What a familiar name!”

Tang Hao thought of the Daluo heavenly Palace. There was such a force among the group of rebels.

In that illusionary realm, he had also killed a monster of the Daluo heavenly Palace, and he did not know if this monster was still alive.

If he was still alive, he would at least be at the ninth tribulation, or even higher.

This was not impossible.

The reason why there were no Immortals in Pangu world was that they had all died in battle, generation after generation, including no beginning. They had all died on the battlefield of gods and demons. Those who survived, such as Supreme Xuan Hong, were injured every time, which affected their cultivation.

Therefore, they could not take the last step.

However, it was different here. The people here had no great enemies and lived a very comfortable life. Among the group of people who had rebelled back then, there must have been some who had taken the last step and advanced to true immortal.

In fact, there might even be true immortals among the rebels.

“Azure meteor star, rank 9 star ...”

“There are 100000 stars in the origin immortal domain, and there are several hundred level-nine stars?”

After understanding the situation in the origin immortal domain, Tang Hao was a little shocked.

In this place, the stars were divided into nine levels according to the ninth level of the sage realm. The so-called ninth level stars were stars with nine tribulations, and there were hundreds of such stars.

Just counting the number of nine tribulations, the origin immortal realm had far surpassed the Holy realm.
