

The Mightiest Little Peasant Chapter 2753

"Hmph! What's so difficult about it? Isn't she just an illegitimate daughter? even the sect leader doesn't recognize her, what are you afraid of!"

Zhao Yan's voice came.

"Although the Hierarch didn't acknowledge her, she's still the Hierarch's daughter!" Jiang Yun said hesitantly.

"I didn't ask you to kill her, I just wanted you to teach her a lesson! What, you can't bear to?" Zhao Yan shrieked, "sure! Then I'll find someone else, and you don't have to come to me in the future!"

"Don't! Yan'er, I didn't mean that. "

"Then what do you mean? Are you going to help me or not?"

"Help! How do you think we should teach him a lesson?"

"There might be trouble if I kill her, but beating her up won't be enough to relieve the hatred in my heart. So, I want to find the ugliest man to humiliate her and take away her innocence."

Zhao Yan said ferociously.

"This ... Isn't very good!" Jiang Yun was stunned.

"What, you still want to do it yourself?" Zhao Yan snorted.

"No! I just feel that this isn't very appropriate! "If she were to kick up a fuss ..." Jiang Yun said hesitantly.

It was not a joke to ruin the pure body of the Hierarch's daughter.

"Don't worry, she wouldn't dare to make a scene! When the time comes, record the process with a spell. If she dares to make a scene, I'll release her!" Zhao Yan said.

After a pause, she continued, "I will prepare the medicine. Don't worry. The medicine of the Gu God sect can't escape even if she's at the 6th tribulation, let alone a 3rd tribulation. When the time comes, you just need to prepare people."

"Medicine from the Gu God sect?" Jiang Yun's tone was filled with shock.

"That's right!" Zhao Yan was a little smug. "Yun lang, as long as you help me this time, I might be happy and introduce my master to you!" My master loves young and handsome geniuses like you!"

"Gulp!"

There was the sound of swallowing saliva.

“Good! No problem!” Jiang Yun’s tone immediately became extremely excited.

Outside the cave, Tang Hao was dumbfounded.

Forget about Zhao Yan being a flirtatious slut, but so was her master?

This disciple wanted to introduce her lover to her master?

“F * ck! The noble circle is so chaotic!”

“F * ck!” Tang Hao cursed after a while. He felt like his world view had been refreshed.

Then, the two of them started to discuss the details.

The two of them only came out after a long while. Jiang Yun looked as if he had been injected with chicken blood, and his face was flushed.

Tang Hao followed them back to the sect. He only returned to the wooden house after he saw Zhao Yan enter the cave abode.

“Forget it, I’ll just help! I’m too kind!”

Tang Hao opened his eyes and mumbled to himself.

Ye Siyao wasn’t a bad girl by nature, but she was a little hot-tempered.

However, there was no rush. According to the plan of the adulterous couple, it would be the day after tomorrow.

“I’d better think about how to refine the great void realm first!”

Tang Hao took a deep breath. His expression was serious.

He did not have any techniques to follow, nor did he know the principles of the great void realm. He only had this idea.

It was too difficult to turn this idea into reality!

This was something that no one had managed to achieve in tens of thousands of years!

However, it was also because of this that it was the most challenging!

“The essence of the great void realm is a soul world. Perhaps the great void God cut off a soul of his own. This soul is too powerful, so powerful that it can easily evolve into a world. However, my cultivation is not enough. Even if I have cultivated 20 undiscovered true spirits, I am still far from that ancient God.”

“I have to think of a clever way to achieve the same effect!”

“That’s right, the spiritual fantasy celestial realm, the Dao of illusion ...”

He thought about it for a long time. He went through all the soul cultivation techniques he had seen so far. Then, he thought about the spiritual fantasy wonderland that he had experienced before. An idea came to his mind.

What was he best at? the three DAOs of elixirs, weapons, and arrays!

He was especially good at talisman Taoism, which was the foundation of both arrays and crafts.

Talisman Dao, soul Dao, and illusory Dao!

Finally, if he added a large enough soul crystal, he might be able to build a virtual world.

Tang Hao immediately began his deduction.

In the immortal aperture above his head, twenty unconcealed true spirits and countless split souls sat down and started to deduce.

He needed to analyze how to build formations, how to use the soul path, and how to create laws countless times to find the most feasible solution.

He sat there until the next morning.

Tang Hao got up and watered the spiritual rice outside, then went to the peak to clean it up. After that, he came back and continued to deduce, intoxicated.

The deduction took another day and night.

One afternoon, Tang Hao received a reminder from his split soul. He woke up with a start and opened his eyes.

He had almost forgotten about ye Siyao.

According to the information from his split soul, ye Siyao had just left the great fate sect with a woman.

At this moment, the split soul was following him.

Tang Hao thought for a while, then stood up.

He decided to go in person. If true spirit went and ye Siyao saw him, it would be hard to explain.

He went to borrow a bird and flew in the direction indicated by the split soul.

On the eastern side of the great fortune Mountain, there was a famous dangerous place called the nether Rift Valley.

This place was filled with underground cracks. It was said that these cracks were so deep that one couldn't see the bottom and could lead to the netherworld, hence the name.

The valley was filled with Yin Qi and many evil spirits and Yin corpses. Hence, it was classified as a dangerous place.

However, there were also many rare plants that liked the shade growing in this place, so people often came here to search for treasures.

At this moment, two beams of divine light swept over from the top of the Rift Valley.

When she got closer, she turned into two beautiful figures. One was in pink and looked to be in her mid-twenties with an ordinary appearance. The other was in a purple dress. She was extremely beautiful and had a graceful figure.

"Sister Ying, is there really an immortal herb here?"

Ye Siyao said as she looked down at the valley.

"I've also heard that someone has seen the shadow of the celestial medicine below, so I wanted to come and take a look. If we really find one, we'll make a big profit!" The girl in pink said.

"It's an immortal medicine!"

Ye Siyao mumbled, and her eyes became a little hot.

For a three-tribulation Saint like her, a divine herb was a Supreme divine herb.

"Let's go down and take a look!" The girl in pink glanced at her, then took the lead and went down.

"Alright!"

Ye Siyao nodded and quickly followed.

After the two of them entered the Rift Valley, an undetectable ray of light swept over and turned into a figure. It was the split soul.

The split soul sank and followed.

In the Rift Valley, two beautiful figures went deep into the ground.

The further down they went, the stronger the yin Qi became, and the more complicated the terrain became. There were cracks and forks everywhere. The two of them also encountered many fierce beasts and Yin corpses, but their strength was not much, and they were easily killed by them.

"Let's take a rest! I'm a little tired!"

Suddenly, the lady in pink stopped and sat down on a rock. She took out a Jade bottle and swallowed a pill.

“You want it!”

She casually took one out and threw it over.

Ye Siyao looked at it and saw that it was just an ordinary pill to recover her celestial core power. She threw it in the air and swallowed it.
