

The Mightiest Little Peasant Chapter 2754

“Let’s go, sister Ying!”

After sitting for a while, ye Siyao got up.

However, the moment she stood up, her body swayed and she almost fell.

“What’s going on?”

Ye Siyao clutched her chest. She felt her entire body go numb, and her head felt a little dizzy.

This feeling of dizziness became more and more intense. Even her primordial spirit was affected, and her vision became blurry.

“Sister Ying, you ... What did you give me to eat?”

She staggered a few times and leaned against the wall. She raised her head and looked at the woman in pink in disbelief.

She wasn’t stupid. Of course, she knew that there was a problem with the pill just now.

“It’s nothing!”

The girl in pink looked at her and grinned. Her smile was a little eerie. “It’s just that the pill is mixed with a little ammortment poison. Ah! You don’t have to resist anymore. This is the poison of the Gu God sect, you can’t suppress it!”

“After being poisoned, no matter if you’re a cold fairy or a Sage nun, you’ll become the world’s most cheap and lecherous slut!”

Ye Siyao’s face turned pale.

“Liu Ying ... Why are you doing this?” She said in a trembling voice, her expression somewhat pained.

“Why? Was there a need to ask? Someone has given me benefits!” Liu Ying strolled over and sneered. “Also, I’ve never liked you. I’ll take this opportunity to teach you a lesson!”

“You think you’re so great just because you’re the daughter of the Hierarch? Bah! You’re nothing but a bastard child with mediocre talent. Even the sect leader doesn’t want to acknowledge you, yet you’re still so thick-skinned to stay in the great fate sect. You’re really shameless!”

“In terms of talent, I’m better than you, but the peak Master is biased. Because you’re the illegitimate daughter of the Hierarch, he gave you more resources, so your cultivation is higher than mine. This is not fair at all!”

Ye Siyao leaned against the wall and couldn’t stop trembling.

Beads of sweat seeped out of her fair skin, and her skin turned red.

But she still bit her lip and held on.

“You can’t help it! Then don’t endure it! You see, they’re here, and there are five of them!” Liu Ying raised her eyes and looked to the side of the passage, smiling sinisterly.

There, five beams of light were rapidly approaching.

Five figures appeared in front of him. They were all men with rather ugly looks.

They all looked at ye Siyao, who was standing by the wall, and gulped.

She was already a stunning beauty, and her figure was also top-grade. She was incomparably hot, and now that she had been poisoned, she was even more alluring.

But then, one of them showed a hesitant expression.

“Are we really going to do this?” He looked at Liu Ying and asked hesitantly.

“Hmph! What are you afraid of? it’s just a bastard! Even the sect leader doesn’t want to acknowledge her, so what are you afraid of? besides, she wouldn’t dare to tell anyone about this. ” Liu Ying said, “you guys promised senior brother Jiang. If you back out now, senior brother Jiang won’t let you off!”

“Alright then!”

The man hesitated for a moment before nodding.

“Ye Siyao, ye Siyao, you didn’t expect that you would have such a day, right? Don’t worry, I’ll record the entire process for you. Look, this is a Mirage Pearl, I’ve prepared it!”

Liu Ying squatted down, took out an aqua blue Pearl, and shook it in front of ye Siyao.

“You ... You’re so vicious!”

Ye Siyao’s delicate body trembled, and her expression became a little terrified.

“Vicious? It’s alright!”

Liu Ying smiled darkly. “See, I didn’t even take your life!”

With that, she stood up and threw the water serpent Pearl, then shouted at the few people, “What are you guys still standing there for? are you guys still men?”

The five of them looked at each other, then walked forward.

“You guys ... Don’t come over ...”

Ye Siyao struggled and backed away, her expression somewhat desperate.

“Hahaha!”

Seeing her like this, Liu Ying couldn't help but laugh out loud, her face filled with evil pleasure.

However, at this moment, a round of applause suddenly rang out in the tunnel not far away.

A crisp and loud sound reverberated in the deep passage.

The laughter stopped abruptly.

The movements of the five people also stopped.

The six of them turned around in unison and looked in that direction.

After seeing it clearly, they were all shocked.

A white-robed man was standing about a hundred feet away from them.

“How is that possible?”

They were in disbelief.

When did this person come? he was already so close, so how could they not have noticed anything?

Could he be an expert?

With this thought, the five people's expressions changed and they were somewhat frightened.

“It's you!”

When Liu Ying looked closely, she was stunned. Wasn't this guy the Cripple that su Xuezi had picked up from the river?

What was he doing here?

She did not understand.

How could a cripple appear in such a dangerous place? Moreover, he just happened to bump into them?

“Don't be afraid! He's a cripple!”

Liu Ying said after a while.

“A cripple?”

The five people were stunned.

“Haven’t you guys heard of the handyman in my little Cold Peak?” Liu Ying said.

“Oh! “I’ve heard of him before. He was crippled and floated over from the upper reaches of the river. Many disciples saw him that day, but they didn’t pick him up. He was picked up by your little Cold Peak people and became a servant!”

One of the men said in realization.

“So he’s a cripple!”

The few of them heaved a sigh of relief. When they looked at the figure again, they all revealed a look of disdain and ridicule.

After all that, he was just a cripple. They had been nervous for nothing.

“A cripple?”

Ye Siyao mumbled and tried her best to turn her head. She wanted to look in that direction, but her vision was a blur and she couldn’t see anything clearly.

“Woof! You’re an interesting and stupid person. You’re already a cripple and you still want to meddle in other people’s business?” Liu Ying sneered, and a cold killing intent flickered in her eyes. “Since you’ve already seen it, then there’s no other way. I can only kill you, a cripple!”

Then, she looked at the five people and shouted, “What are you guys standing there for? kill him first! He’s just a cripple, do you really need me to do it?”

“I’ll do it!”

A skinny man walked out, “brother, don’t blame me! If you want to blame someone, blame yourself for not having eyes!”

He sneered and raised his hand, and a silver flying sword flew out.

“I’ll give you a quick death!”

He laughed hideously. The flying sword trembled and shot out, turning into a silver light and blasting toward the white-robed figure.

Seeing that the figure didn’t react at all and was still standing there, he didn’t find it strange. He was already a cripple, so how could he have any reaction? he couldn’t Dodge his sword at all.

If this sword hit, it would be able to turn this cripple into ashes.

He was too lazy to look at it and was about to turn around when a crisp clang was heard.

He was stunned, and his body froze.

He didn't die?

How could this be!

He immediately turned around and looked in that direction. In the next moment, his entire body trembled as if he had been struck by lightning. His eyes widened in disbelief.

Not only did that cripple not die, but he was also unscathed.

His silver flying sword hit the man's chest, spinning and emitting a shocking sword Qi.

That guy's clothes had long been torn apart, but his body was completely unscathed.

'How ... How is this possible?'

He stood there, completely stunned.
