

The Mightiest Little Peasant Chapter 2756

“Are you crazy?”

Tang Hao reached out and grabbed her wrist.

Ye Siyao subconsciously pulled her hand back, but she couldn't exert any strength. Her entire body was lazy and powerless, and she couldn't even mobilize her celestial core power.

“Let go of me, you bastard! You beast!”

She bit her red lips, her beautiful eyes widened, and her face was full of shame and anger.

She raised her left hand and was about to smash it.

But this hand was also held.

“Let go! I ... I'll bite you to death!” She lowered her head and tried to bite Tang Hao's shoulder.

“Aiyo!”

Following that, she let out a cry of pain. She was on the verge of tears. What kind of broken body was this? why was it so hard?

“Calm down!”

Tang Hao said helplessly.

“Calm down? “How can I calm down? you bastard, how could you ... With those beasts ...” She shouted. As she spoke, her eyes suddenly turned red and tears flowed out.

“What do you mean together?”

Tang Hao was confused.

“You ... You still don't admit it? You beast, don't you even have the courage to admit it?” Ye Siyao sobbed.

Tang Hao was speechless.

At this time, he finally reacted. This guy thought that he had done something to her with those beasts!

F * ck! Do I look like that kind of person?

Tang Hao wanted to roll his eyes.

How stupid was this fellow? did she not even know what her own body was like?

“Take a look at yourself first. Did anyone do anything to you? don’t you feel anything?” Tang Hao was speechless.

Ye Siyao was stunned.

Eh?

He didn’t seem to feel anything! There was nothing unusual at all. Even the clothes were fine, but this was not right! I was clearly poisoned by the Gu poison, so how could Liu Ying and those beasts let me go?

Also, how could they let this fool go?

What had happened just now?

As she thought about it, her brows gradually furrowed, and her face was filled with confusion.

The sniffing sounds also slowly stopped.

“Hey! Just now ... What exactly happened? You better tell me the truth!”

She stared at Tang Hao and said seriously, “if you don’t tell me the truth, I’ll ... I’ll teach you a lesson!”

As she said that, she deliberately widened her eyes and revealed a fierce look.

However, her face was too beautiful. It was like a Pear Blossom in the rain. It made one feel pity for her. No matter how hard she tried to be fierce, it did not have any effect. Instead, she looked a little cute. Tang Hao wanted to laugh at her.

“You ... What are you laughing at? You bastard! You’re still laughing!”

Ye Siyao was furious when she saw Tang Hao’s smile. She struggled with her hands, then lowered her head and bit him. This time, she bit his cheek.

However, as soon as she bit down, she felt that something was wrong. This cheek was so smooth, why didn’t she bite it?

Subconsciously, she bit her lips again.

Then, she seemed to have realized something. Her body froze, and her beautiful face was as red as a monkey’s butt.

She wasn’t biting him, she was kissing him!

Pei Pei Pei!

She quickly pulled away and took a few puffs to the side.

“You bastard!”

She was even more embarrassed when she saw Tang Hao’s half-smile.

She wished she could grab her flying sword and split this hateful guy into two.

“Just now, it was really nothing. Those guys were all dead. I killed them. Then, I detoxified the poison for you and waited for you to wake up.” Tang Hao said.

“You killed them? How is that possible?”

Ye Siyao didn’t believe him.

Those few were all third tribulation saints, but this guy’s cultivation was crippled. How could he kill six third tribulation saints?

“Although I don’t have any cultivation, I still have my physical body! Look, isn’t my body hard?” Tang Hao said.

“That seems to be the case. Your body is a little strange. It’s especially hard and there are even cracks. It’s really strange!” Ye Siyao lowered her head and stared at Tang Hao’s chest.

She turned her head to look and saw a few dimensional rings on the ground, so she believed him.

He didn’t know what method this guy had used, but he had really killed those bastards and saved him!

So I’ve misunderstood him!

She was a little embarrassed.

“Wait, what happened after that? You didn’t do anything to me?” Suddenly, she thought of something. She fixed her burning gaze on Tang Hao.

“What can I do to you?”

Tang Hao was shocked.

“Are you not a man? Like that ... Like that, can you still bear it?”

Ye Siyao’s face turned red and she stammered.

“I’m not interested in you!”

Tang Hao was speechless.

Ye Siyao was stunned. Then, her eyes widened again, almost spitting fire. She gritted her teeth and said, “You bastard, you’re even worse than a beast! You’re not a man!”

At this moment, she felt a little complicated.

Nothing happened. She heaved a sigh of relief.

However, because nothing had happened, she felt very indignant. Was she not attractive at all?

Tang Hao opened his mouth. He felt wronged.

Why was he worse than a beast!

What was this guy thinking! He was really a little stupid!

"I don't need you to tell me whether I'm a man or not! Also, hurry up and get up!" Tang Hao said grumpily and released her hand.

It was only then that she realized that their position was a little ambiguous. Her entire body was almost on top of him. She hurriedly retreated, and her face turned red again. She even glared at him.

"You're not!"

She raised her face and said, unconvinced.

"You'd better quickly adjust your breathing!" Tang Hao said helplessly. He could not be bothered to argue with her.

She didn't make a sound and sat cross-legged, taking out a few pills to swallow and began to regulate her breathing.

A moment later, she opened her eyes. She had almost recovered.

"My poison ... How did you cure it? And why are you here?" She looked at Tang Hao, her expression much calmer now.

"I came here to take a look! As for your poison, it's simple. Find some medicine, draw out the Gu worm, and kill it!" Tang Hao said.

"Simple? That's poison from the Gu God sect!"

Ye Siyao was in disbelief.

The Gu God sect had almost reached the peak of the poison Dao. Their Gu poison was famous for being difficult to cure.

"It's easy for me! Isn't it solved now?" Tang Hao said.

Ye Siyao stared at him suspiciously.

Last time, he said that he was very good at detoxification. Was it true?

Recalling what this person had said before, she couldn't help but believe him a little.

"Tell me the truth, what was your identity in the past? Where were they from? Also, what was your previous cultivation level?" Ye Siyao came over and asked curiously.

"You're really telling the truth?"

Tang Hao looked at her and smiled.

"Yeah!"

"I'm afraid you won't believe me if I tell you!"

Tang Hao said.

"Why wouldn't I believe you? as long as you tell me the truth, how could I not believe you?" Ye Siyao glared at him and said, "you just don't want to tell me!"

"If I say that I'm a ninth tribulation expert and that I've even killed a peak ninth tribulation expert, would you believe me?"

Tang Hao said.

Ye Siyao was stunned, and her eyes widened as she stared at him.

The atmosphere in the cave suddenly froze.
