

The Mightiest Little Peasant Chapter 2757

A moment later, a giggle sounded in the cave.

Ye Siyao laughed so hard that her body swayed back and forth.

“You’re a nine tribulations! He had even killed a peak-stage cultivator? Hahaha! Do you think I’ll believe you? I’m not that stupid!” She laughed and was overjoyed.

“You’re quite silly!”

Tang Hao mumbled.

“What did you just say? You’re the one who’s stupid!” Ye Siyao glared at him and said angrily.

“Come! You can continue making up stories! Let me hear how good you are at bullshitting!”

Then, she smiled and said, “you’ve already told me your cultivation level. Let’s talk about your identity!”

“Identity! I have a few sects under me. If we add up all the disciples, we have tens of millions!” Tang Hao said in all seriousness.

“It’s that powerful?”

Ye Siyao squatted in front of him and rested her chin on her hands. Her beautiful eyes were wide open as she exclaimed.

“Yeah! Let’s talk about the nine tribulations first, there are already over forty of them! There were hundreds of thousands of great emperors! What seven tribulations? there are countless of them!” Tang Hao continued.

Ye Siyao’s mouth was wide open when she heard that.

She was shocked!

This idiot really knew how to brag! He even bragged so seriously, as if it was real!

Amazing!

“Then ... What about a cultivation partner? Do you have any?” She continued to ask.

“There is! A dozen or so!”

“Waa! That’s quite a lot. Is she as good-looking as me?”

“Much better looking than you!”

“Tsk! I don’t believe this! How can you be better looking than me? look at my body, it’s so perfect!”

As ye Siyao spoke, she even stood up and turned around to show off her graceful and impressive figure. Her face was filled with pride.

She had always been very proud of her figure.

“It’s alright!”

Tang Hao said.

In terms of figure, she was indeed one of the most beautiful women he had ever seen. She was almost the same as Tamamo, seiyuki, and Xuan Mei.

“Hmph! You’re bragging!”

Ye Siyao wrinkled her nose and snorted. “You, you bragged so much that you could even kill a peak ninth tribulation. How did you get crippled and fall into the river, and even got picked up by Xuezi?”

Tang Hao was speechless.

“You have nothing to say!”

Ye Siyao pursed her lips and smiled, looking very proud. “And, the most important thing is age! If you’re really a ninth tribulation expert, then you must be an old monster who’s thousands of years old. Old monsters aren’t like you at all! I just felt that you’re not that old either, about the same age as me, at most a few years older than me. ”

“Nine tribulations at your age? What are you thinking!”

She flicked Tang Hao’s forehead as she spoke.

Aiyo!

Then, she cried out in pain and complained, “What kind of broken body is this? how can it be so hard?”

“I told you, you wouldn’t believe me!”

Tang Hao laughed.

“That’s because your story is too ridiculous! Only an idiot would believe that!” Ye Siyao snorted.

“If you don’t believe me, then forget it!” Tang Hao said.

“Fine, I’ll drop it!” Ye Siyao raised her face and said angrily, “from now on, I won’t call you an idiot anymore. I’ll call you a liar, a big liar!”

“Alright! You can call me whatever you want!”

Tang Hao dusted his hands and stood up. "Do you have any clothes in your ring?"

"No, I didn't! How could I have male clothes in my ring? I'll just randomly find one for you!" Ye Siyao stood up and picked up all the Rings on the floor. She found a set of clothes and threw it to Tang Hao.

"What do you plan to do about this?"

Tang Hao said to her after he had put on his clothes.

"What can I do? I know who ordered it. It must be that B * tch, Zhao Yan. However, these people are all dead. I don't have any evidence." Ye Siyao said helplessly.

"I heard that you are the daughter of the Hierarch?"

Tang Hao said hesitantly.

Ye Siyao was startled, and her eyes suddenly dimmed. After a while, she said, "He's an illegitimate daughter because he never acknowledged me. It's because my mother's cultivation base is too low and she has no status. As for me, my talent is mediocre, so he has never looked me in the eye."

As she spoke, her tone became bitter, and she even laughed at herself.

Tang Hao glanced at her. In terms of talent, she was indeed average. She did not have the potential to become a saint, nor did she have exceptional comprehension or luck.

However, it was a little too much for her to not acknowledge this daughter just because of her talent.

"Actually, this is also good. Anyway, I don't see him as my father. When I reach the 6th tribulation, I will leave this place and become a free and unfettered individual cultivator." She said with a smile.

"Being a rogue cultivator ... It's very hard!"

Tang Hao said.

The world of cultivation had always been cruel. It was still fine in such a sect, but in the world of rogue cultivators, it was really cold and bare. Those who could make a name for themselves in the world of rogue cultivators were no ordinary people.

"There's no other way, don't you think so?"

Ye Siyao said in a low voice, "Xuezi said that she would accompany me. If we go together, it won't be hard."

"In fact, Xuezi hasn't been doing well these past few years. She was the number one genius in the sect and the number one fairy in the nine Heavens regions! At that time, many people came just to see her."

“But ever since she was plotted against, everything changed. Her cultivation has been stagnant for several years, and the elders in the sect have given up on her. Also, those men who used to pursue her have changed their faces, mocking her and calling her an ugly monster.”

“In the past, Xuezi would cry every night. It’s better now!”

Tang Hao was silent when he heard that.

“Ai! Big liar, do you want to come with us in the future?” Suddenly, she looked at Tang Hao and asked in a serious tone.

“Ah?”

Tang Hao was surprised.

“Ah what! You were picked up by Xue Zi. If I leave with Xue Zi, do you still want to stay in the great fate sect?” Ye Siyao said.

“That’s a matter for the future. You’re still far from the 6th tribulation, right?”

Tang Hao said with a smile.

He didn’t give a direct answer, because he was only planning to stay in the great fate sect for a while before leaving.

“That’s true!”

She mumbled.

Then, she fell silent.

After taking care of the items of the six people, the two of them left the Rift Valley.

“You can go back first!” Tang Hao said to her. Then, he turned around and walked toward his bird.

“Wait a moment!”

She suddenly called out.

Tang Hao stopped in his tracks and turned around. He Saw Her Standing There with her hands behind her back. She was twisting her fingers shyly.

“Thank you for today! If it wasn’t for you, I might be living a life worse than death now! However, I don’t have anything to thank you with, so I’ll give you this!”

She walked over to Tang Hao, stood on her tiptoes, and kissed him.

“Please don’t misunderstand! I don’t like you, I’m just thanking you!”

She gave Tang Hao a light kiss on the cheek, then backed away. Her face was red from embarrassment.

Then, he turned around, turned into a divine light, and ran away.
