

The Mightiest Little Peasant Chapter 2770

“Young master Tang ...”

Seeing Tang Hao leave, su Xuezi was a little anxious and wanted to chase after him.

However, she was surrounded by a group of elders and could not get out at all.

“Sect master, since young master Tang has cured me of my poison, can we write off the previous matter?” She looked at the great fortune sect master and said.

The great fortune sect master furrowed his brows and pondered for a moment. “Sure!”

“Then ... Can we take him in as an official disciple? although he has lost his cultivation, he still has talent, as well as shocking medical skills. Taking him in as an official disciple will be beneficial to our great fate sect!”

Su Xuezi opened her mouth again and pleaded.

“This ...” The great fortune sect master frowned.

“How can this be!”

Before he could speak, the peak Master of the Heavenly Star Peak snorted angrily, “what right does a cripple have to become an official disciple of our great fate sect? this is against the rules! Besides, his background is unknown. What if we bring trouble to the sect by taking him in?”

“That makes sense!”

“This is indeed against the rules! Taking him in as an errand boy and letting him stay in little Cold Peak is already very good to him!”

A few elders agreed.

“The elders are right!” The sect master nodded and said, “a cripple can’t become an official disciple. Moreover, he crippled one of our sect’s geniuses. I’m already showing him mercy by not killing him or kicking him out. How can he still want to become an official disciple? It’s impossible!”

“Furthermore, the most important thing is that his identity is unknown. Which sect would dare to accept such a person of unknown origin!”

“But ...”

Su Xuezi was a little anxious and wanted to plead again.

“Alright! There’s no room for discussion on this matter, and you don’t have to feel that you owe him anything. He crippled Jiang Yun, and in order to save his life, he had no choice but to detoxify you. This is nothing more than a deal! Why are you thanking him!”

The great fortune sect master’s face sank and he rebuked unhappily.

“How could this be a deal ...” Su Xuezi said. “Young master Tang originally wanted to cure me of the poison.”

“Hmph! Xue Zi, you believe this? If he wanted to detoxify you, why didn’t he do it earlier? why did he have to bring it up at that time? wasn’t it because he had no other choice and was afraid that I would kill him, so he brought it up?”

Great fortune sect master said.

“Xuexi, the sect master has a point. You’re still young and have stayed in the sect all year round. Your experience is still shallow and you don’t know how evil people are! There are some things you can’t just believe. ”

Venerable Red Cloud also advised.

She looked at her disciple with a worried expression.

She seemed to have noticed something. This man seemed to have some feelings for young master Tang.

In her opinion, this was an extremely bad sign.

That young master Tang used to have some talent and status, but now, he was a cripple with no future.

As for Xue Zi, she was the future hope of the great fate sect. She had hopes of reaching the 7th tribulation, or even the 8th tribulation. How could a cripple be worthy of her?

Moreover, Xue Zi’s beauty was so outstanding that she was a fairy who was famous throughout the entire Nine Heavens regions. There would be many young geniuses who would pursue her in the future. How could she tie her future to a disabled person?

This was something she could not tolerate.

“Peak Master, why are you also ...”

Su Xuezi’s expression changed, and she found it hard to believe.

“What’s wrong with me? I’m doing this for your own good. That young master Tang’s identity is unknown. Who knows what kind of karma and hatred he has? you must not get too close to him. In the future, stay away from him.”

“You have to remember that he’s just a cripple now. He has no future. You’re not on the same side as him. You won’t have any interaction with him in the future.”

Venerable Red Cloud's face turned cold as he rebuked.

"You have to recognize this point as soon as possible. The reason why I agreed to let him stay in little Cold Peak was because he was a cripple. That's why I agreed. In the future, he's only worthy of being an errand boy in the sect! This is the status of a cripple!"

"If you can't recognize him and get too close to him, then don't blame me for being merciless and driving him out!"

As she said that, her tone turned cold.

Hearing this, su Xuezi's delicate body trembled, and her face turned somewhat pale.

"But he saved me ..."

She mumbled.

"I told you, this is just a deal! If I don't detoxify you, he'll die. Why don't you understand?"

"Also, the amazing medical skills you mentioned just now were just a set of needles. He was just lucky to get this set of ancient strange needles that can cure all poisons in the world. Do you really think he has some amazing medical skills?"

"How is that possible? This was a poison that even a nine tribulations Almighty, a Supreme Alchemist, could not cure. Did he have the ability to do so? It's all because he has that set of ancient needles, not because of his own ability!"

"Say, he had this set of needles in the first place, so why didn't he detoxify you from the beginning? Think about it carefully, don't be fooled by others!"

Venerable Red Cloud coldly rebuked.

She looked at su Xuezi, and the shadow between her brows became even thicker.

She could tell that Xue Zi had more than a little affection for young master Tang.

"Ancient magical needle?"

Hearing this, all the elders and the sect master of the great fortune sect were stunned.

Venerable Red Cloud explained.

"Oh! So it was like this! I was wondering how that kid could cure such an ancient poison with his own ability!"

“What kind of needle is that? it can actually detoxify the demon seed fetal poison, and it can be used even without cultivation. It must be an extraordinary treasure! He must be at the ninth tribulation level, or even higher!”

The elders came to a realization.

Then, their expressions turned fervent, and some of them even revealed greedy looks.

Such a set of magical ancient needles must be a rare treasure, a treasure that even a nine tribulation eminence would covet!

“So it’s all thanks to the treasures! I thought that guy was really that awesome!”

“Hey! So that’s how it is. It doesn’t seem that powerful!”

When the disciples heard this, they all boomed.

They had really thought that the person had amazing medical skills to cure the demon seed fetal poison and do something that no one had been able to do since ancient times. In the end, they found out that it was the effect of a treasure, which inevitably made them somewhat disdainful.

“Sect master, what do you think ... Of this needle ...?”

An elder looked at the great fortune sect master and said meaningfully.

“Such an ancient treasure has fallen into the hands of a cripple. It’s simply a waste of heavenly treasures!” The peak Master of the heavenly dawn peak said coldly, his eyes flashing with killing intent.

The great fortune sect master muttered to himself, and there was a look of interest in his eyes.

A set of ancient strange needles that could cure the demon seed fetal poison, its value was immeasurable!

It was indeed a waste to fall into the hands of a cripple!

“What are you guys talking about? That needle belongs to young master Tang, what do you want to do?” Su Xuezi looked around and angrily rebuked.

“Right! What are you guys trying to do!”

Ye Siyao also said anxiously. She also saw that something was wrong. These people were clearly trying to Rob the big liar!
