

## The Mightiest Little Peasant Chapter 2771

“What do you mean what do you want? Isn’t it a Pity that such a treasure fell into the hands of a cripple?”

The peak Master of the morning sun Peak sneered.

“That’s right! He was a cripple. Why would he need such a treasure? it would be a waste! In the hands of the great fate sect, this treasure will be able to display its full potential. ”

“An ordinary man is innocent, but he is guilty of possessing a Jade! He was a cripple, but he held such a rare treasure in his hand. Sooner or later, he would be killed! His best choice is still to hand over the treasure, and we can give him some compensation so that he’ll be treated better in the sect in the future. Xuezi, this is also for his own good!”

All the elders started to persuade him.

On their faces, they all spoke with a righteous and awe-inspiring appearance.

“You guys ... You’re too much!”

Ye Siyao looked left and right, then angrily rebuked.

How could she not see what these people were thinking?

The big liar had just cured Xuezi of her poison and returned a genius to the sect, and now they wanted to snatch his treasure.

What kind of deal was this? back then, that Jiang Yun had clearly brought it upon himself. The great fate sect was indebted to the big liar for curing Xuezi’s poison. Not only were these people not grateful, they even wanted to repay kindness with ingratitude. This was simply too much.

Su Xuezi looked around, her brows tightly knitted.

She felt a little disgusted when she saw all these hypocritical faces.

No matter how beautiful they said it, they were just trying to snatch it by trickery!

“The elders are right. It’s all for his own good. However, we can’t force him. It’s up to him whether he wants to hand it over or not.”

The great fortune sect master pondered for a moment before saying.

Following that, he looked at su Xuezi and smiled,“”Xuezi, don’t worry, I won’t force him.”

Of course, he had the same thoughts as the elders. A cripple was not worthy of having such a rare treasure.

However, he couldn't say that, because it would chill the heart of this sect's genius. It wouldn't be too late to conspire for that treasure after he appeased this person. After all, he was just a cripple, how could he escape from his palm!

He had countless ways to make the kid spit out the treasure.

"Yes, yes! I won't force you!"

The group of elders also came to their senses and laughed.

"Xue Zi, since the sect leader has said so, you don't have to worry anymore. However, you still have to keep a distance from him in the future, or don't blame me for being merciless!" Venerable Red Cloud said.

"But ..."

Su Xuezi furrowed her brows and muttered.

"What 'but'? come with me. I have to check your body first. Then, I'll go to the treasure vault to get some spiritual essence and medicinal pills to help you make up for the progress that you've missed these years and reach the 6th tribulation as soon as possible."

Venerable Red Cloud's face turned cold as he rebuked.

Then, he stepped forward, grabbed her wrist without any explanation, and pulled her to the peak.

"Elders, and all of you, today's matter must be kept a secret. You can't reveal a single word!"

The great fortune sect master looked around and shouted.

His expression was grave.

The demon seed fetal poison was a strange poison that no one had been able to detoxify for ten thousand years. Once this matter spread, it would definitely cause a great uproar in the nine heavenly regions and even the entire Yunzhou. This was not a good thing for the great fate sect.

The existence of the set of ancient needles would also be exposed and attracted covetous eyes. In that case, the great fate sect would not be able to keep this treasure for themselves.

Of course, he also knew that this matter could not be covered up. It would be exposed in the future, but it was best to hide it as long as possible.

"Maybe I can offer up that set of strange needles ..."

He began to ponder in his heart.

In the nine heaven domains, his great fate sect was not even considered a major power. There were countless other sects that were more powerful than his great fate sect. If he could use this set of strange needles as a gift and establish a relationship with those major powers, then his great fate sect would be able to Rise Up!

“Yes! Sect master!”

Everyone responded in unison.

Then, the crowd started to disperse.

“How could it be like this!”

In the corner, Zhao Yan stood there with her fists clenched and her face twisted.

She raised her head and looked at the two divine lights that were shooting up. She was so jealous that she was about to go crazy!

That su b \* tch actually recovered!

In the future, that guy would become the same as before, getting the crazy pursuit of all the men in the whole sect, and even all the men in the nine Heavens regions. She would be the beautiful snow Fairy again, shining brightly, and loved by thousands.

And she was still nothing!

“Su, do you think I’ll let you have a good time? You’re dreaming!”

“And that cripple, it’s all your fault, you bitch! Why did you cure her? I’ll kill you!”

She gritted her teeth and her eyes were filled with hatred.

Her pretty face turned ferocious and vicious.

“The human heart ...”

Tang Hao sighed in the wooden house next to the spiritual field at the foot of the mountain.

He had seen and heard everything that had happened on the peak just now.

He didn’t find it strange. The human heart was like this.

He didn’t really care, he was leaving anyway.

Now that he had cured lady su, he could be considered to have repaid his kindness and fulfilled his wish.

As for the Mirage, he had also created the prototype. He just needed to continue perfecting it.

The great fate sect had nothing to do with him, so he just had to leave.

He stood up, picked up a pot of water, and went to the Ling fields outside to water them.

In this great fate sect, other than lady su and little ye, perhaps only this field made him worried.

After watering for a while, he heard footsteps. He looked up and saw that it was ye Siyao.

Ye Siyao walked over, looking angry.

“That group of bastards, they’re too much!” As she walked over, she cursed.

“What are you doing here?”

Tang Hao was surprised.

“You don’t know how much those people went overboard just now. They...They actually wanted to snatch your treasure, that set of needles. They even said that they were doing it for your own good. It’s simply too disgusting!” “F \* ck!” Ye Siyao cursed.

“There’s such a thing?”

Tang Hao pretended not to know anything.

“Yeah! It’s a good thing you’re not here, or I’m afraid you’d die of anger!” Ye Siyao said.

She raised her eyes and stared at Tang Hao.

As if she had thought of something, her beautiful face suddenly turned red.

Then, she frowned again and her expression darkened. She looked a little lonely and sad.

“What’s wrong?”

Tang Hao said.

“Let’s ... Elope!”

Ye Siyao bit her red lips and said as if she had made a huge decision.

“What?”

Tang Hao was stunned as he held the kettle.

“I said, Let’s Elope!” Ye Siyao lowered her head and said shyly.

“Why did you elope?”

Tang Hao was stunned.

“Al! You fool, didn’t you hear what I just said? they wanted to steal your treasure? If you don’t leave, you won’t be able to protect your baby. ” Ye Siyao was a little annoyed and glared at him.

“Then why did you leave?” Tang Hao said.

Ye Siyao pursed her lips and immediately fell silent.

Her beautiful eyes were filled with desolation.
