

The Mightiest Little Peasant Chapter 2774

“What’s going on?”

“Heavens! It’s all the undying immortal radiance!”

Great luck mountain was filled with cries of alarm.

Countless disciples walked out of their cave abodes and looked up at the sky in shock.

The dazzling immortal radiance that surrounded the great fate sect were all 8th tribulation lightning.

This was the first time they had seen such a formation.

Quite a few people even revealed panicked expressions.

If so many 8th tribulation lightning orbs attacked at the same time, they would definitely be able to destroy the great fate sect’s protective formation.

“You guys ... Must you force me?”

In the air, the great fortune sect master looked around with a dark expression.

One, two, three ... A total of 11 eighth tribulation Transcenders!

They were also the 11 sect leaders!

If they were to fight, he would not be a match for them. Even if he wanted to resist with the help of the formation, he would not be able to stop so many people. Moreover, when the news spread, more eighth tribulations would come.

These were the most recent and also the first batch.

“Old man ye, wouldn’t it be fine if you just hand over the treasure?”

“That’s right. We don’t want to fall out with you. Hand over the treasure and we’ll fight for it with our own abilities. Whoever gets it will have it. Isn’t this good?”

The venerable sovereigns all shouted.

Their tone was still quite polite. After all, they were all 8th tribulation experts and had almost indestructible bodies. It was difficult to kill each other, and no one wanted to make a deadly enemy.

“It seems like we can’t keep the treasure! AI! If I had known earlier, I would have been more decisive and snatched the treasure from that kid’s body, then immediately sent it out. Now, even if I get the treasure, I can’t send it out. ”

The great fortune sect master was vexed.

He had not expected things to turn out like this.

“To be honest, the treasure isn’t with me right now, it’s with that cripple.” After pondering for a while, he said to the crowd, “I’ll bring this useless man out later. If you want the treasure, you can take it yourself!”

“It’s still on that cripple? Old man ye, you’re not lying to us, are you?”

“What is the identity of that cripple?”

All the venerable sovereigns felt strange.

Logically speaking, this old man ye should have taken the treasure for himself long ago. Why was it still with that cripple?

Could it be that the Cripple had some sort of background?

However, after thinking about it carefully, they felt that it was unlikely. It was said that the Cripple had floated over from the river and was picked up by the little girl surnamed su. Then, she became a servant disciple at little Cold Peak.

If he really did have a powerful background, even if his cultivation was crippled, why would he stay in the great fate sect as a lowly servant?

With this thought in mind, they all heaved a sigh of relief.

“That cripple might have some background, but since he’s already crippled, he’s willing to stay in the great fate sect as a servant. There’s nothing to worry about.

“Why Would I Lie to You?”

The great fortune sect master said, “at this point, I have no need to lie to you, right? Please wait a moment!”

With that, his body sank and he returned to the great fortune Peak.

“Sect master!”

The group of elders had been waiting for a long time. They immediately went up to welcome him, their expressions somewhat anxious.

“Someone has spread the news that the item can’t be kept!”

The great fortune sect master said in a deep voice.

“How did this happen?”

“Who was the one who leaked the news?”

All the elders' expressions changed drastically.

They were still thinking about the set of ancient strange needles and how to make the boy hand it over willingly. They did not expect that the news had been leaked and so many venerable sovereigns had been attracted.

“I'm not sure! However, we can't leave the item behind. Otherwise, our great fate sect will be destroyed!”

The great fortune sect master shook his head, his face ashen.

“Then what do we do now? let's get it back from that kid!”

An elder said.

“No, I want to send that brat out directly. That brat ... I don't like him. There's no benefit for us to have him stay in the sect. Furthermore, he even crippled Jiang Yun. I can't let this matter rest.”

The great fortune sect master said, “we can take advantage of this opportunity to drive him out of here!”

“Hahaha! Good!”

The peak Master of the Morning Star Peak laughed with a look of satisfaction.

That brat should have been chased out long ago. His background was unknown, and he even crippled his disciple. He really deserved to die!

If he didn't hand over the treasure to the venerable sovereigns when he was driven out later, he would die. If he handed it over and lived, he could kill him and avenge his disciple!

“It's good to send him away!”

Venerable Red Cloud also nodded.

For Xue Zi's sake, this brat can no longer remain in the great fate sect.

Xue Zi's feelings for him were not deep yet, so it was the best time to drive him away. If they deepened in the future, it would be difficult to drive him away.

“Xue Xi is in seclusion, this is a good time! We can't let him stay in the great fate sect anymore!”

She said.

“Then let's go together and send that kid away!”

The great fortune sect master waved his sleeves and shouted.

He took a step forward and led the way towards little Cold Peak.

The group of elders immediately followed.

“It’s the sect master and the elders. They’ve all gone to little Cold Peak!”

“What’s going on? is it for that cripple?”

When the disciples saw the immortal radiance, they all started discussing.

They had vaguely heard the conversation between the sect leader and those venerable sovereigns just now. They had mentioned the ancient strange needle. Now that the sect leader had gone to little Cold Peak, he must have gone to ask for the treasure from that disabled person.

“Let’s go!”

“Let’s go and watch the fun!”

At that moment, they all headed towards little Cold Peak.

“Not good!”

On little Cold Peak, ye Siyao’s expression changed, and she immediately turned into a divine light and went down the peak.

At that moment, Tang Hao opened his eyes in the small wooden house at the foot of little Cold Peak.

He was naturally aware of the situation outside.

He laughed and felt a little emotional.

He had already left on his own, but now he was about to be driven out, which was not very glorious.

At this moment, the divine light had already reached the spirit field.

“Kid, come out!”

The peak Master of the heavenly dawn peak pointed at the wooden house and shouted.

“What’s wrong? Are you trying to drive me away?”

Tang Hao stood up, pushed the door open, and walked out.

“Hahaha! You’re not stupid! It’s good that you’re clear about this, we don’t need to waste our breath!”
The peak Master of the morning sun Peak sneered.

“If it wasn’t for you, the great fate sect wouldn’t be in this kind of trouble. We don’t need someone like you. You can leave now!” The great fate sect’s sect master shouted, “from now on, you are no longer a service disciple of the great fate sect. You have nothing to do with the great fate sect! The great fate sect doesn’t care whether you live or die!”

“Is that so?”

Tang Hao smiled faintly as his gaze swept across them.

“If you stay in the great fate sect, you’ll only bring trouble to the sect and xuexi. So, it’s time for you to leave!”

Venerable Red Cloud looked at him and coldly said.

“Alright!”

Tang Hao nodded. He still had a smile on his face. “I’m leaving, but I hope you won’t regret it later!”
