

The Mightiest Little Peasant Chapter 2779

What a terrifying pair of eyes!

His killing intent was monstrous! It was bone-chilling!

How many people must he have killed to condense such a terrifying killing intent!

He was not only a peerless monster, but also a god of death, a ruthless man!

Guanlan sect master's heart trembled in shock.

Bang!

In the next moment, his body was crushed.

The rest of the venerable sovereigns were so scared that they almost fell to the ground.

With a casual palm strike, he blasted apart Pang Yu sect's sect master. Following that, he easily restrained Guanlan sect's sect master, grabbed him like he was picking up a little chick, and crushed him!

This was too cruel and too terrifying!

Was this really a young monster who was less than a hundred years old?

They would believe it if someone said that he was a peerless old monster!

Si si si!

At the mountain Gate, the great fate sect's disciples all sucked in a breath of cold air. They were so scared that they almost peed themselves.

They were a group of venerable sovereigns! It wasn't some chicken or dog for people to slaughter!

Hahaha! You bunch of idiots, you didn't listen to me and provoked this senior!

Luo Kongming knelt on the ground even lower, but he was glad that he was smart enough not to attack impulsively like these idiots. Otherwise, he would have ended up like them.

"S-senior, s-spare me!"

"Senior, this lowly one was blind and offended senior. Please spare this lowly one's life and let this lowly one off!"

The venerable sovereigns all knelt down and prostrated on the ground, shivering.

“Didn’t you want my treasure?”

Tang Hao looked around and smiled.

In the eyes of the crowd, this smile was extremely terrifying!

“Senior, it’s this one’s fault!”

The group of venerable sovereigns trembled and began to kowtow.

Tang Hao glanced at them coldly.

Of course, he would not let these people off easily, but now was not the time to deal with them.

He snorted and looked up at the sky. There were many divine lights approaching. Apparently, they were all from the forces who had heard the news about the celestial needles.

“Hurry up! Faster!”

“The great fortune Mountain is just ahead!”

In the night sky, rays of divine light flew over.

They exerted all their strength and burst out with their fastest speed.

When they saw the mountain range in front of them, their faces were filled with excitement and eagerness. They had finally arrived! That was great luck mountain. They had rushed over as soon as they heard the news, so they definitely could make it in time.

A set of ancient celestial needles that could cure the demon seed fetal poison was a rare treasure!

He had to get it!

From a distance, they began to activate their auras. One by one, immortal radiance bloomed, and all kinds of armors and spiritual treasures were taken out. They were armed to the teeth, ready to fight and snatch the treasures!

However, when they arrived at the mountain and looked down, they were all stunned.

What the hell was going on down there?

Why was there a group of people kneeling on the ground and kowtowing like they were pounding garlic?

This was too strange!

“I recognize that person. He’s the transformation sect master!”

Suddenly, someone exclaimed and pointed at a short and fat figure.

His eyes immediately widened, and his face was filled with disbelief.

The head of the transformation sect was a six acupores venerable sovereign and the head of a sect. He was powerful. Why was he kneeling on the ground and kowtowing to someone?

Who was this young man in white? how could he make the head of the transformation sect kowtow to him?

“I also recognize that person. He’s the Mirage Jade school master!”

“Heavens! That’s Luo Kongming, the Lord of clarity city!”

They looked around, and after seeing the identity of these people, they were so scared that their scalps went numb.

Those who knelt on the ground were all eight-tribulation venerable sovereigns, including a famous expert like Luo Kongming!

This was too F * cking scary!

To be able to make so many venerable sovereigns kneel and kowtow, how terrifying must the strength of the young man in white be?

They looked at the young man in white and were a little confused. They had never seen this person’s appearance before, but there was no doubt that he was an extremely terrifying figure!

“Hahaha! He was passing by! He was just passing by! You guys continue!”

“I’m sorry to disturb you!”

They retracted their auras and quickly kept their swords and Spears.

“Look, the moon is really round today!”

“Eh? It’s really big and round!”

“My fellow Daoists, it’s fate that we’ve met. Why don’t we find a place to enjoy the moon and drink wine together?”

“Yes, yes, yes! Let’s go!”

They laughed out loud. Each of them had a relaxed expression on their faces. Their kind smiles made it seem as if they weren’t here to snatch the treasure, but to tour the mountains and rivers.

After acting on their own for a while, they turned around decisively and wanted to run.

F * ck!

The situation down there was too terrifying. They didn't want to go down. Even if there were immortal needles, they would have long fallen on the body of the old man in white. If they went down now, they would only be sending themselves to death.

"Since you're here, don't leave!"

However, at this moment, a faint, cold voice exploded in their ears, shaking their minds so much that they almost exploded.

"Let's go!"

They cried out in alarm, and then they exploded, wanting to rush out.

Peng Peng Peng!

Right at this moment, a few of their figures exploded without any warning, and blood splattered in all directions.

"I said ... Don't go. Didn't you hear me?"

Then, the white-robed figure appeared like a ghost and stood in the void in front of them, looking at them coldly.

Everyone was so scared that they almost peed their pants.

The ones who exploded were all great emperors!

In the blink of an eye, he had blown up three great sovereigns. It was no wonder that the group of venerable sovereigns below were so scared that they knelt on the ground and kept kowtowing.

"Se ... Senior, we have no grudges with you ..."

"We're really just passing by, we don't have any other intentions!"

They said in a trembling voice.

All of their faces were deathly pale.

"Oh, really? Aren't you guys here to steal this thing?" Tang Hao smiled. He lifted the storage bag and shook it.

"So senior has already gotten it! Congratulations, senior, for obtaining such a rare treasure!"

"Senior's magical powers are unrivaled. Only senior is worthy of possessing such a rare treasure!"

Their expressions immediately changed, and they revealed extremely flattering smiles as they began to flatter.

“This thing is mine to begin with, how can you say I’m snatching it!” Tang Hao said.

“Yes, yes, yes! This isn’t even called snatching!”

“To be able to catch senior’s eye, it’s that cripple’s several lifetimes of good fortune, how can this be called snatching! This is called a gift!”

Everyone put on a shy face and said in a flattering manner.

“I’m that cripple!”

Tang Hao said coldly.

In an instant, the flattering stopped.

The xiuzhe all froze on the spot, their eyes as big as copper bells.

This terrifying old man in white was the rumored cripple? The service disciple of the great fate sect?

F * ck!

This joke was a little too big!

After being stunned for a long time, their faces couldn’t help but Twitch, and they almost vomited blood.

Motherf * cker!

Which bastard spread the news? isn’t this harming people? If I find you, I’ll definitely chop you up!

They were all cursing in their hearts.
