

The Mightiest Little Peasant Chapter 2781

Tang Hao placed his hands behind his back and looked indifferently at the great fate sect's people.

"You were the one who released the news, right?"

He took a step forward and walked in front of Zhao Yan.

Zhao Yan's body trembled violently.

"It ... It wasn't me!" She knelt on the ground and said in a trembling voice.

"What? She was the one who spread the news?"

Everyone looked up in shock.

They were still wondering who was the one who released the news, but it turned out to be Zhao Yan.

"Is that so?"

Tang Hao smirked. "You think I don't know? I also know that you were having an affair with Jiang Yun at the back of the mountain that day, discussing the matter of harming someone!"

Zhao Yan's body trembled again, and her face was filled with disbelief.

How did he know about this?

Could it be that the plan had failed that day because of him?

How did he know that she was the one who spread the news?

As she thought about it, she trembled even more.

In front of this guy, she felt like she was naked and had no secrets at all.

"She and Jiang Yun?"

Everyone was shocked again.

"Also, you were the one who poisoned lady su, right?" Tang Hao said.

"No! It wasn't me!"

Zhao Yan raised her head and shook her head in a panic.

"Who else could it be if not you?" Tang Hao said coldly.

“The poison is ...”

Zhao Yan opened her mouth as if she wanted to say something. However, before she could finish, her body trembled and twitched strangely. Her eyes immediately widened and blood spurted out from the corners of her eyes. Then, blood flowed out of her eyes, nose, and mouth, and her body fell limply.

“What’s going on?”

Everyone was shocked.

“He’s dead ...”

Tang Hao raised an eyebrow in surprise.

He didn’t sense any fluctuations just now, so his death was really strange.

“Poison?”

Then, he came to a realization.

The only thing that could cause such a strange death was poison. And it wasn’t an ordinary poison. After all, Zhao Yan was a third tribulation Saint. It was very likely that she was a poison of the Gu God sect, just like the seduction poison the other day.

“You did it?”

Tang Hao’s eyes shifted to the red moon Daoist, Zhao Yan’s master.

“Senior, what are you talking about?” Daoist Red Moon raised his head, looking confused. “She’s my disciple. Why would I do that to my own disciple? besides, I have no reason to do that!”

“She’s your disciple. Why aren’t you sad that she’s dead?”

Tang Hao glared at her and said coldly.

This Daoist Red Moon was just like Zhao Yan, both of them had a flirtatious look on their faces. They were dressed scantily, flirtatiously, and quite pretty. It was no wonder that Jiang Yun was so excited when he heard that Zhao Yan was going to introduce her master to him.

However, Tang Hao did not think much of it. He had seen many beautiful women, and his taste was naturally higher.

In terms of charm and sexiness, Daoist Red Moon could not compare to Tamamo, Xuan Mei, and the others.

“Although she’s my disciple, we’re not close usually! Besides, if she did all these things, then she deserves it. I have no reason to be sad.” The red moon Daoist said.

“Senior, Hongyue’s eyes were dull before. I didn’t see that you were extraordinary, so I offended you. Please forgive me. As long as I can make it up to you, I’ll do anything you want!”

“Even if it’s as a human cauldron, I’m willing to do it. I’ll definitely serve you well, senior. I’ll make you as happy as an immortal!”

As she spoke, she revealed a somewhat bashful expression and even deliberately twisted her body, showing off her alluring curves.

Gulu!

Many of the male disciples couldn’t help but swallow a mouthful of saliva when they heard this.

Such a flirtatious tone and posture almost made them unable to resist.

“Shameless!”

“Shameless!”

Not far away, ye Siyao’s low cursing voice could be heard.

“I’m sorry! I’m not interested in the public bus!”

Tang Hao said coldly.

“Ah?”

Daoist Red Moon was stunned.

What was a bus?

“I’ll know if you did it once I check.” As Tang Hao spoke, he reached out to grab her.

In an instant, her expression changed, revealing a look of despair.

She wanted to run, but she knew that it was useless to run in front of a true spirit stage cultivator.

At this moment, another beam of divine light swept over from the sky not far away.

“Where are the celestial needles? hand them over!”

Before the divine light arrived, a loud shout was heard. The voice was like thunder, rolling and reverberating in the night sky.

The faces of the venerable sovereigns outside the door changed instantly.

They could tell that the person’s cultivation was extraordinary.

Daoist Hong Yue, on the other hand, looked delighted, as if he had just found a way out of a desperate situation.

“Eh? What was going on? You guys ... What are you kneeling for?”

When the divine light came close, it revealed a figure. It was a thin, cold-looking old man in a black Daoist robe. He looked around and was stunned.

“It’s the Gu God sect!”

“It’s Daoist min!”

The group of venerable sovereigns looked up and were shocked.

It was an elder of the Gu God sect. The Gu God sect was one of the three superpowers of the cloud continent. Not only did they have a nine tribulation holy ancestor, but they also had countless eight tribulation venerable emperors.

Daoist min was one of the most famous elders in the Gu God sect. He had reached the true spirit realm a few hundred years ago. Because of his vicious and overbearing ways, he was well-known in the cloud continent for his ferocity.

Why would such a person appear here?

The nine heaven regions was quite a distance away from the Gu God sect. How could he have arrived so quickly?

“Gu God sect?”

Tang Hao looked up and saw the joy in Daoist Hong Yue’s eyes. He understood.

She was the one who called him over, so he was most likely an old flame. That was why Zhao Yan could easily obtain the charm poison from the Gu God sect. The demon seed fetus poison was probably also obtained from his old flame.

“Where’s that cripple? Where are the immortal needles? Where is he?”

Daoist min looked around and shouted.

All the venerable sovereigns had a strange look on their faces. The arrival of this Daoist min might be a good thing. As long as he started fighting with that senior, they would be able to get away easily.

“This Daoist min is a veteran true spirit stage cultivator. He has been in Yunzhou for so many years and his cultivation is unfathomable. In addition to the Gu God sect’s mysterious way of Gu poison, no one at the same level as him can match him. As for that guy, his cultivation has been crippled and he’s only a crippled Emperor. I’m sure he’s no match for me!”

Mirage Jade school master and the others were even more thoughtful.

“Senior Xi, that cripple is him!”

After weighing the pros and cons, they all stood up and pointed towards the mountain Gate.

“He’s not an ordinary cripple. He was originally a true spirit stage expert, but his dantian and Dao ocean have been crippled!”

“This person is extremely vicious. He forced us to kneel and kowtow. Elder Hao, please seek justice for us!”

They shouted in anger.
