

## The Mightiest Little Peasant Chapter 2783

There was a deathly silence.

Everyone raised their heads and looked at the scene in the sky with dazed expressions.

An elder of the Gu God sect, a veteran true spirit stage cultivator, couldn't even block a single palm strike from the abolished Emperor?

"How could this be ..."

The red moon Daoist shuddered, and his face turned pale again.

She had thought that she would be saved once Daoist min came, but she had never expected that even a strong cultivator like Daoist min was no match for this guy!

"Senior, please spare me!"

Daoist min regathered his body and screamed hoarsely.

Tang Hao didn't say anything. He still attacked with his palm.

Daoist min shuddered in fear. He flicked his sleeve, and a token flew out. On one side, there was a big 'Gu' character, and on the other side, there was a small cauldron.

The token shook, and instantly, a divine light shone. A golden figure stepped out from it.

In an instant, the surging pressure of the nine tribulations spread out.

"Who dares to touch the people of my Gu God sect!"

There was also a loud shout that was filled with a monstrous Majesty.

"It's the sacred ancestral token!"

Everyone was shocked. They all knelt down, revealing a look of respect.

Although this was only a wisp of the Gu God ancestor's true spirit, it was as if the ancestor had come personally. They did not dare to be disrespectful.

"A wisp of the Holy ancestor's true spirit is enough to kill him!"

"He's dead!"

A glimmer of hope was reignited in the hearts of Mirage Jade sect master and the others.

“A decree?” Tang Hao furrowed his brows, then smiled disdainfully. “What’s the point of pretending to be a wisp of true spirit? come here with your true body if you dare!” As he spoke, he stretched out his hand and slapped the true spirit.

“Impudent!”

The true spirit was furious, and it also raised its hand and struck out.

Bang!

There was a loud explosion.

Under Daoist min’s and everyone else’s terrified gazes, the true spirit exploded and turned into nothingness.

Si si si!

Daoist min gasped, his soul nearly leaving his body.

He had thought that the old ancestor’s true spirit would scare this guy and he would let him off for the old ancestor’s sake. However, this guy didn’t care at all and destroyed the old ancestor’s true spirit with a slap.

This guy ... Who is he? how dare he look down on the old ancestor of the Gu God sect?

Mirage Jade school master and the others were so scared that they almost fainted.

This guy could actually destroy a wisp of the sacred ancestor’s true spirit. His strength was a little too terrifying.

What realm was he at?

“Someone destroyed a wisp of my true spirit? Who was it? How dare you!”

At this moment, in the Gu God sect far away, a skinny figure sitting cross-legged in a Hall suddenly opened his eyes, which were filled with a terrifying light.

“Is it old man zhantian or old man divine flame?”

He mumbled, his face filled with anger.

In Yunzhou, only these two old men would dare to destroy his true spirit.

“Hmph! I haven’t fought in a long time. Do these two old men think I’m afraid of them? We have to teach them a lesson today!”

With a wave of his sleeve, ripples appeared in the void in front of him.

Then, his figure flashed, shuttling through the void and descending on the other side.

This was a function that came with his sacred ancestral token. He could sense the location of the token at any time and use it as a mark to tear open the void and descend.

“Forefather!”

Daoist min was stunned and couldn’t believe the figure that had suddenly appeared in the void in front of him.

The old ancestor had actually come down personally?

He immediately knelt down and respectfully greeted.

“It’s the Gu God patriarch!”

Everyone looked at him and shivered in fear. They all knelt down and didn’t even dare to breathe.

This was a ninth tribulation divine ancestor!

He was one of the three most powerful people in the entire Yunzhou!

In Yunzhou, he was a terrifying existence who could cover the sky with one hand!

They had heard of such a character from legends, but they never thought that they would be able to see him with their own eyes.

This kind of might was worthy of being the divine ancestor!

They sneaked a glance and were all extremely shocked.

“Eh? Old man divine flame, where’s old man zhantian?”

The Gu God patriarch looked around and left.

After scanning the area, he couldn’t even see the two of them. Also, what kind of broken place was this?

“Ancestor, it wasn’t the other two divine ancestors who destroyed your true spirit!”

Daoist min said respectfully.

“Who is that? Other than the two of them, who else would dare to destroy my true spirit?” The Gu God Grandmaster asked in surprise.

“Me!”

Tang Hao shouted.

“You?”

The poison God Grandmaster was stunned. He looked over and frowned.

This guy was very unfamiliar!

There weren't many nine tribulations on Cang Liu star, and most of them were familiar with each other. However, he had never seen this person before. Moreover, this person's aura was also very strange. He actually couldn't sense a trace of immortal essence fluctuation.

“Who are you? How dare you destroy my true spirit!”

He snorted in anger.

No matter who this guy was, he had dared to destroy his true spirit in Yunzhou. This was a slap to his face, and he had to get back at him. Otherwise, where would he put his face in the future? he would be laughed at by the two old men, divine flame and zhantian.

“It's just a wisp of true spirit, so what if it's destroyed?”

Tang Hao said coldly.

“You ... What a big tone!”

The Gu God patriarch was stunned. He thought he had heard wrong. This guy was so arrogant in front of him!

The venerable sovereigns below felt it was ridiculous.

He was a true nine tribulations Saint ancestor, an invincible existence!

No matter how strong that guy was, he was only a half-step away from the divine ancestor. Moreover, he had lost his cultivation. How could he dare to speak to a divine ancestor like that?

Was he crazy?

Mirage Jade school master, Daoist Red Moon, and the others were also in disbelief. However, deep down, they were extremely happy. The more arrogant this guy was, the angrier the sacred ancestor would be and he would be killed.

“Hmph! I'd like to see what kind of confidence you have to be so arrogant in front of me!”

The poison God Grandmaster snorted in anger. His body shook and the godly power of the ninth tribulation burst out. His whole body was shining like a blazing sun as he stood in the void.

Then, he raised his hand and a giant palm that covered the sky was formed. It slammed down with monstrous power.

“Then you better open your eyes wide and watch carefully!”

Tang Hao grunted.

The next moment, his body trembled. With a boom, a shocking aura burst out from his body. Endless divine light bloomed in all directions with him as the center. At the same time, a monstrous pressure swept out in all directions.

Peng Peng Peng!

The mountain rocks in the surroundings were all blasted apart.

The figures kneeling on the ground in front of him were all sent flying by the shock wave.

They got up in a sorry state, and when they looked forward again, they were extremely frightened.

In front of them, a blazing sun was rising, shining with a shocking light. It was not inferior to the divine light of the Gu God patriarch. In fact, it was even more powerful and terrifying!

This was clearly also a ninth tribulation!

This so-called deposed Emperor was actually a nine tribulations Saint ancestor!

Moreover, he was not crippled at all. His monstrous celestial core power was clearly in perfect condition.

Their eyes were wide open as they looked on in a daze, completely lost in thought.
