

## The Mightiest Little Peasant Chapter 2784

“No... This is impossible!”

Red Moon Daoist shuddered and almost fell to the ground.

Her beautiful face was pale.

In front of her eyes, the blazing sun was rising and releasing a shocking divine might. The mountains in the four directions, the earth, and even everyone in the four directions trembled under this divine might.

Even the void was frozen, suppressed by this divine might.

What a terrifying divine ability!

Wasn't this guy a crippled Emperor? How could he be a divine ancestor?

Her heart trembled. She was shocked to the extreme and also in extreme despair.

“How could this be ...”

The red Cloud Sage's body swayed, and he almost fell.

Ye zhenglong's expression was extremely dazed, while the peak Master of the Heavenly Star Peak had already collapsed on the ground, paralyzed, as if he had lost his mind.

He didn't want to believe what he was seeing because it was too terrifying!

“He ... He really is a ninth tribulation!”

At the mountain Gate, ye Siyao looked up and saw a dazzling figure stepping into the air. She was also in disbelief.

Plop! Plop!

Mirage Jade school master and the others fell to the ground one after another, dumbfounded.

This was actually a divine ancestor!

They had offended a divine ancestor!

It's finished! He was completely finished!

“I was right, this is that senior, a nine tribulations existence!” Luo Kongming looked up and felt lucky.

“Wait, what was that time mirror just now?”

Suddenly, his mind flickered as he recalled that the aged mirror from earlier had clearly reflected a person in his 90s.

“Perhaps this senior used some secret method to hide from the mirror!”

He said to himself.

A ninety-year-old nine tribulations Saint ancestor was too heaven-defying, so heaven-defying that it was impossible for him to exist in this world!

“Hmph! A puny Dao glimpse realm also dares to be impudent in front of me!”

Tang Hao released his aura and stepped into the air.

Facing the incoming palm, he also stretched out his hand. Instantly, a huge Golden Palm condensed and blasted forward.

“A puny Dao glimpse stage?”

The Gu God patriarch was shocked.

This tone was too F \* cking arrogant!

Bang!

At this moment, the two giant palms collided and exploded with boundless divine light.

“What ... What is this true fire? and what is this lightning?” The Gu God patriarch’s eyes widened in shock.

His palm was easily shattered. His opponent’s giant Golden Palm brazenly smacked over. It was covered with monstrous flames and curled up with lightning.

Ah!

He blocked it in a hurry, and he was immediately sent flying.

“I’ve even killed a peak nine tribulations expert. You, what are you!”

Tang Hao flashed in front of the Gu God patriarch like a ghost.

His eyes were as cold as ice, surging with a monstrous killing intent.

The Gu God patriarch was scared out of his wits.

He had even slashed at the peak?

F \* ck! What level of old monster was this!

It was too terrifying!

He didn't doubt him, because this guy's aura was really too terrifying!

Bang!

He swung his fist and received the punch from his opponent. The next moment, he screamed and widened his eyes in horror as he watched his fist explode inch by inch.

There was no mistake!

This was truly a terrifying old monster!

The Gu God patriarch's heart trembled as if it was about to split open.

He was only at the Dao glimpse realm and was still some distance away from the Dao gathering realm, let alone the peak of the ninth tribulation.

In the face of such a terrifying old monster, he simply had no power to resist. If he continued to fight, he was afraid that he would die Here.

Motherf \* cker! Wasn't it good for me to comprehend Dao in the sect? why did I have to come to this broken place to suffer? now it's great, I'm afraid I'll have to pay with my life!

The Gu God Grandmaster wailed in his heart and was filled with regret.

"Let's go!"

Then, he made a prompt decision and used the momentum of his retreat to turn into a divine light and fly away.

"Senior, please spare my life. I will never set foot in the nine heaven regions again!"

He roared as he ran, afraid that the top old monster would chase after him.

Looking at this scene, the people below were once again dumbfounded. They could not believe their eyes.

The invincible Gu God patriarch, who had shocked the entire Yunzhou, had run away just like that. Moreover, he had sworn never to step into the nine Heavens regions again.

This guy ... How terrifying was he?

"Forefather, save me!"

Daoist min looked at the divine light in despair.

Even the old ancestor had run away, his last hope was gone.

“He ran pretty fast. What a pity. If he could be suppressed and refined, he should be able to recover a lot.” Tang Hao mumbled, a little disappointed.

His physical body was not in a perfect state. It was severely damaged. Besides, he had no other treasures except the divine furnace. His combat power had been greatly reduced. Otherwise, he would have killed this old monster and put him in the furnace.

“P-refining?”

Hearing this mumble, everyone trembled in fear.

He was a nine tribulations Saint ancestor!

In their eyes, he was an unparalleled existence. Yet, this fellow was thinking of suppressing and refining such an unparalleled existence?

Just how powerful was this person?

For a moment, they couldn't imagine it.

“You, should die!”

Tang Hao retracted his gaze and turned around to look at Daoist min. He mumbled to himself, and a golden light flashed above his head. A true dragon flew out and entered Daoist min's immortal aperture.

Daoist min trembled and was stunned.

Tang Hao's palm turned the man into dust.

“Senior, please spare my life!”

Seeing this, everyone's faces turned pale and they kowtowed again.

“You, should also die!”

Tang Hao stood in the air and looked down coldly. He lifted his finger and pointed at a person. It was the Jade order master.

With a clench of his hand, the Jade Xiu sect master was caught by an invisible force and flew up. Then, he clenched his hand tightly and crushed the Jade Xiu sect master, killing him completely.

However, a six acupores venerable sovereign was not like Daoist min, who was a half-step to Supreme Being in the true spirit realm. It was naturally easier to kill him.

“You, and you!”

Tang Hao then pointed at the others and killed them one by one.

After killing the group of people, Tang Hao flicked his sleeves and descended.

“You, go with Daoist min!”

Tang Hao arrived in front of Red Moon Daoist and slammed his palm down. With a soft sound, the flirtatious woman exploded inch by inch and turned into ashes in an instant.

“And you!”

He took another step forward and stopped in front of the peak Master of Tian Chen.

The peak Master of the peak of heavenly dawn was paralyzed on the ground. He still had that silly look on his face, as if he had really been scared silly.

Tang Hao glanced at him. Without any pity, he flicked his sleeve and turned the man into dust.

“I won’t kill you, but I’ll punish you!”

Tang Hao reached venerable Red Cloud and pointed a finger at him. Venerable Red Cloud trembled and was sent flying, spitting out blood.

“Thank you for not killing me, divine ancestor!”

Venerable Red Cloud kneeled on the ground and said in a trembling voice.

She was already very grateful that she was still alive after offending a divine ancestor.

“You should thank lady su. Otherwise, I won’t spare your life!” Tang Hao looked at her coldly.

“And you, you should thank Siyao too. Otherwise, I wouldn’t have let you live, but I won’t let you off so easily either!”

Tang Hao walked in front of ye zhenglong and pointed his finger at the position of his dantian’s sea of Dao.

Ye zhenglong’s body went soft and he collapsed on the ground. His face turned pale.

“I didn’t cripple you, but you won’t be able to advance in your cultivation for the rest of your life.” Tang Hao said coldly.

Ye zhenglong was paralyzed on the ground, as if he had lost his soul and was an idiot.

What he cared about the most was his cultivation. He had hoped that one day, he would be able to reach the half-way mark, or even attempt to break through to the ninth tribulation. But now, he had nothing. He would be stuck in that realm for the rest of his life, until he died of old age.

This was the cruelest punishment for him.
