

The Mightiest Little Peasant Chapter 2835

“What’s going on?”

Mirror flower Palace mistress landed, her face full of surprise.

“Holy ancestor, it’s like this! This person is extremely audacious and stole a token from my spirit Vulture Palace. I was just about to deal with him!”

The old man from the spirit Vulture Palace bowed.

“There’s such a thing?”

Mirror flower Palace head was surprised.

There was actually someone who dared to steal from the spirit Vulture Palace?

“Divine ancestor, I’ll continue then.” The old man said respectfully.

“Alright!”

Mirror flower Palace head waved her hand.

This matter belonged to the spirit Vulture Palace, so he couldn’t interfere. Besides, he, a nine tribulations Saint ancestor, didn’t need to care about such a small matter.

“Hurry up!”

He even urged.

Now that the entrance was blocked, there were many people who wanted to watch the show. The earlier it ended, the better it would be for them to enter.

“Yes! Holy ancestor!”

“Yes, master!” The old man responded and activated his celestial core power again. He was about to attack. Behind him, several people from the spirit Vulture Palace spread out and stared at the white-robed figure, wary of him escaping.

“Are people so bold nowadays? You even dare to steal from the Ling Vulture Palace?”

Mirror flower Palace head muttered with her hands behind her back.

He seemed to find it a little funny, so he grinned and smiled.

However, at this moment, the white-robed figure who was facing him suddenly turned his head and glanced at him.

It was this one look that made his entire body freeze and instantly petrify. The smile on his face also completely froze.

In the next moment, his eyes widened, filled with extreme shock and disbelief.

This face ...

There was no mistake!

He would never forget!

It was the mysterious white-robed divine ancestor in the emperor's treasure vault!

This was a heaven-defying monster. He was less than a hundred years old, but his talent was so monstrous that even Emperor ao Tian was shocked!

What was he doing here? And even got into a fight with the people of the Spirit Vulture Palace?

At this time, how could he still believe the words of the spirit Vulture Palace? such a heaven-defying figure would actually steal a token from the spirit Vulture Palace? What a joke!

The people of the Spirit Vulture Palace must have framed him!

This was crazy! This was crazy!

This spirit Vulture Palace was really crazy. It was fine if they were overbearing normally, but they dared to be so overbearing and arrogant in front of this person. Wasn't this just courting death?!

When he sensed the bone-chilling killing intent in those eyes, he shuddered and shuddered.

It seemed that this person really had the intention to kill. He was going to make a move in the next moment and kill this group of people from the spirit Vulture Palace.

That was true!

This person had such a noble status, yet he was slandered and threatened to kill him in public. If it were him, he would not be able to tolerate it either.

However, when he saw the people from the spirit Vulture Palace, he frowned again.

It would be a pity if the number one genius of this generation on Cangliu star died!

Moreover, he had some friendship with the spirit Vulture Palace's divine ancestor in the past, so it was not good to just watch.

"Wait ... Wait a minute!"

With this thought, he hurriedly raised his hand and shouted.

In an instant, the people from the spirit Vulture Palace were stunned. They turned around and looked at him with a puzzled expression.

Everyone was also stunned and looked at him in confusion.

“Divine ancestor, why did you stop me?” The elder of the spirit Vulture Palace turned around, extremely puzzled.

Didn't the divine ancestor ask him to hurry up just now? Why did he suddenly stop? Could it be that she felt that it was not good to kill people here and wanted him to stop? This was probably not up to him. He was definitely going to kill this fellow today.

He didn't think that the white-robed man had any special status, which was why he asked mirror flower Palace mistress to stop him.

Mirror flower Palace mistress was of such a noble status. How did she know a wandering cultivator?

Therefore, he could only think that it was not good to fight here, so he shouted to stop.

“Divine ancestor, this man stole something from our spirit Vulture Palace and still doesn't know his mistake and apologize. I should kill him. Even if this is the four treasures trade union, there's no problem for me to do it!” He said.

Idiot!

Mirror flower Palace master's body twitched and she almost cursed.

These guys from the spirit Vulture Palace, are they idiots?

Didn't you see that the other party wasn't panicking at all? Instead, he had a mocking expression on his face.

I'm clearly watching you put on a monkey show. If I don't call for a stop, you'll be dead.

He ignored them and looked at the white-robed figure. He bent down and bowed respectfully. “Fellow Daoist, please calm down! There are other ways to solve this!”

Seeing this scene, everyone was stunned, as if they were struck by lightning.

They could not believe their eyes.

The mirror flower Palace mistress actually bent down and bowed to the man in white. Her tone was so polite, as if she was in awe.

This ... How could this be possible!

Mirror flower Palace mistress was already one of the highest-ranking people on Azure meteor star. Even if the old monsters of the two great majestic empires of Huangzhou came personally, she wouldn't be so reverent!

Who was this guy?

"Divine ancestor, you ..."

The elder of the spirit Vulture Palace was also stunned. His eyes were wide open and full of disbelief.

In his heart, he felt that it was a little ridiculous.

How could a nine tribulations Saint ancestor be so polite to a person?

"Senior, what are you doing?"

Xu Sansheng was also dumbfounded.

He could not understand what was going on.

Mirror flower Palace Master was still bowing. Seeing that Tang Hao didn't say anything, she quickly said, "My friend, I can ask the Spirit Vulture Palace Master to come and apologize to you personally. I think he will satisfy you."

All the cultivators in the surroundings trembled once more, and their expressions became even more shocked.

What was this person saying?

Ask the Spirit Vulture Palace Master to come over and apologize to this person?

This was too exaggerated!

However, some people seemed to have suddenly thought of something. They looked at the white-robed figure and gasped.

They had vaguely guessed his identity.

A white-robed person who could make a nine tribulations Saint ancestor like the mirror flower Palace Master Revere him could only be the one from the rumors!

"There's no need to trouble him to come over!"

Tang Hao said coldly as he glanced at him. He then looked up at the people from the spirit Vulture Palace.

The moment their eyes met, the elder of the spirit Vulture Palace was shocked.

Could it be that this guy really had a shocking background that made a nine tribulations Saint ancestor like mirror flower Palace Master so respectful?

Didn't that mean that this person was also a nine tribulations divine ancestor? or perhaps, he was from one of the major powers of the celestial realm outside of Cang Liu star?

No matter which one it was, the situation was not good.

He trembled and panicked. He really believed Xu Sansheng's words. He thought that Xu Sansheng was just an ordinary independent cultivator, so he dared to be so overbearing. Who would have thought that Xu Sansheng had such an amazing background?

He opened his mouth and was about to apologize and beg for mercy. Perhaps this person would spare their lives for the sake of the Holy ancestor of his spirit Vulture Palace.

Tang Hao stomped his foot lightly.

BOOM!

An earth-shattering aura burst out and suppressed the five people from the spirit Vulture Palace.

He raised his hand again, and the five of them flew up and were fixed in the air.
