

The Mightiest Little Peasant Chapter 2845

“Which one of you three will fight me?”

A purple-robed figure stood in the middle of the battlefield and shouted.

On the celestial dynasty’s side, the two remaining people looked at each other and hesitated.

The person on the stage was a Dao gathering realm expert who had just eliminated the last Dao gathering realm expert on their side. He was extremely powerful, while they were only at the Dao glimpse realm. Going up would be equivalent to sending themselves to their deaths!

“Hahaha! Senior Lu, don’t be so loud, you’re scaring them. It wouldn’t be good if they admitted defeat without even fighting!”

On the heavenly Dragon warship, ao Hong stood with his hands behind his back and laughed.

His face was full of arrogance and pride.

The result of this Immortals “gathering was decided from the beginning, there was no suspense at all.

Even if they invited this fellow, what could they do?

From the beginning until now, this fellow had not moved at all. He was just a coward. Most likely, he did not dare to make a move because he was afraid of being embarrassed after losing to the many Dao condensation experts here. As he had expected, he was a good-for-nothing!

He narrowed his eyes and glanced at the white-robed figure, revealing a strong look of disdain and ridicule.

“Hahaha!”

The row of divine ancestors in front of them also laughed.

“This guy ... Doesn’t seem to be very good! You’re not afraid, are you?” The southern sky divine ancestor, who was wearing a green robe and carrying an ancient sword, also looked at the white-robed figure and sneered.

He had been waiting for this guy to make a move, but he didn’t expect that this guy still didn’t make a move even when it was almost over.

“I think he’s just afraid!”

Many divine ancestors agreed and looked at the figure with contempt.

It seemed like Crown Prince Ao's analysis was right. This person was a medicine pot. Otherwise, how could a heaven-defying monster who had broken through to the ninth tribulation by himself before he was a hundred years old endure until now?

"Since you all want me to go so badly, then I'll go!"

Tang Hao chuckled and stepped forward.

Upon seeing that, Ao Hong was stunned.

He didn't expect this guy to be so easily provoked. They had only said a few words, and this guy had delivered himself to the door.

What followed was great joy.

The southern sky divine ancestor was also stunned. He clearly hadn't expected this. Then, he felt a burst of chagrin. If this kid appeared now, wouldn't the credit go to old monster Lu?

Although old monster Lu had fought a battle, his cultivation base was deep after all. It was more than enough to deal with a young boy who had just advanced.

The purple-robed sacred ancestor was also surprised.

Then, his eyes flashed with joy.

"I'm Lu Gang, please enlighten me, fellow Daoist!"

He bowed and paid his respects.

He didn't want to offend this person too much, so he still had to put on a good show.

"It's his turn!"

The surrounding crowd burst into an uproar.

Everyone perked up and looked carefully.

After all, this person was too famous and too monstrous. They all wanted to see what kind of abilities he had. They wanted to see if he was just a medicine jar as some people had guessed.

"A good show is coming!"

The Gu God patriarch sat up straight and looked down with his eyes wide open. He was extremely excited.

"Hmph!"

“Hmph!” A cold snort came from the spirit Vulture Palace’s warship. The spirit Vulture Palace Lord stood at the bow and looked down coldly.

Even on the celestial dynasty’s warship, there was a commotion. Everyone’s eyes looked out and focused on the white-robed figure.

Tang Hao stepped into the arena. He glanced at the purple-robed sacred ancestor and shook his head.

“You, are not enough!”

The purple-robed Saint ancestor was stunned.

Still not enough?

What was the meaning of this?

Just as he was feeling puzzled, Tang Hao raised his hand and pointed at the people behind him. “You, you, and you ... Forget it. Why don’t you all come at me together? Be more straightforward!”

The purple-robed Saint ancestor’s mouth and eyes widened in disbelief.

Oh my God!

What was this guy saying?

He wanted more than 20 divine ancestors to attack him together?

He must be crazy! Who did he think he was? a peak old monster, a peerless great emperor?

For a moment, he only felt that it was extremely ridiculous!

The divine ancestors behind him were also stunned.

Then, he laughed.

This kid was too funny!

They had been like cowards just now and didn’t move at all. Now, they came out and said that they wanted to fight all of them alone. This was really ridiculous!

Aohong laughed the loudest.

The xiuzhe that were watching from all sides were stunned.

They couldn’t figure out where this man got his confidence from to dare to make such an arrogant statement. Even if he was really a heaven-defying monster, he had just advanced not long ago. How could he be the opponent of so many nine tribulations old monsters?

“This is a good opportunity!”

The southern sky divine ancestor laughed and his mind flickered.

Originally, this credit would definitely go to old monster Lu, but now that this kid had said so, he could take action with a justified reason and snatch the credit.

“Kid, since you’ve said so, I’ll fulfill your wish!”

He shouted loudly and took a step forward. His figure was like a ghost as he swept into the arena.

Clang!

There was a shocking sword cry.

The sword on his back was unsheathed instantly. The dazzling sword light burst out and engulfed the entire world.

“Argh! It’s so eye-piercing!”

Everyone exclaimed in shock.

Countless people raised their hands and covered their eyes.

“It’s broken!”

The purple-robed sacred ancestor and the other sacred ancestors’ faces changed. They knew that old Nantian was going to take the opportunity to steal the credit.

Quite a few people moved and also rushed forward, wanting to snatch the credit.

At this time, the ancient sword had already surged with a shocking sword Qi and slashed towards the white-robed figure. The aura was unparalleled, as if it wanted to split the sky and split the earth.

Under this sword, the void in all directions began to twist and distort, and black cracks appeared.

“This old man really doesn’t hold back! Isn’t he afraid of offending this person?”

Sensing the aura of this sword, the divine ancestors chasing after him were all shocked.

Old man Nantian had probably used 90% of his strength in this attack. That sword was old man Nantian’s most powerful treasure. If this sword were to land, that kid would definitely be sent flying while vomiting blood.

After all, no matter how powerful that kid was, he was only at the Dao glimpse realm cultivation.

“Hahaha! The credit is mine!”

The southern sky divine ancestor was ecstatic.

He wasn't worried about offending this guy. He had just attacked him with his sword and killed him. It wasn't a big enmity. Besides, didn't this guy ask to beat them all up?

He was doing this out of good intentions. He wanted to wake this kid up and let this kid know how high the sky was and how thick the earth was!

Whoosh!

The sword Qi broke through the air and arrived in the blink of an eye.

In the next moment, there was a deafening boom.

"It's done!"

The southern sky divine ancestor exclaimed in a low voice, and his expression became even more ecstatic.
