

The Mightiest Little Peasant Chapter 2854

Spirit void continent, somewhere.

One figure after another flew over and landed in a Valley.

“The scenery is really not bad!”

This group of people landed and glanced around. They saw that the valley had a beautiful scenery and was surrounded by clouds and smoke. It was like a dream. No wonder it was one of the famous sights in the spiritual void realm.

“This spiritual void realm is really weird. It actually created some scenery ranking list. And these books, the names are really weird!”

Someone sighed.

In his hands, he was holding a stack of Golden Books, such as “three minutes to understand the spiritual void realm”, “I’ll teach you how to become a shard expert”, and even “spiritual void daily”, which reported the recent events in various places in the spiritual void realm.

These things made them click their tongues in wonder and truly opened their eyes.

They had never seen such a novel thing before!

“Hahaha! The senior who created this world was not an ordinary person. The thoughts of such a world-shocking mighty figure are usually different from others. We can’t guess.”

The leader was a middle-aged man with a square face, Tiger-like eyes, thick eyebrows, and an imposing manner.

He turned around and smiled.

After a while, another group of people came from the sky and landed in the valley.

All of them were women, and they were all wearing white muslin dresses.

The person in the lead had a graceful figure, graceful and full. Wrapped in a chiffon dress, it highlighted her soul-stirring curves. Her face was even more beautiful and flawless, shrouded in a layer of bright radiance.

She glided over, her white dress fluttering in the wind and her black hair flying in the wind. Her temperament was out of this world, like a goddess from the nine Heavens, noble and inviolable.

As she flew over, the gazes of the group of people in the valley all fell on her, becoming a little hot.

“Fairy ning!”

Someone shouted out in excitement.

The woman landed and her Phoenix eyes swept over them. She smiled and said, "Senior Zhan, long time no see! And young master lie, young master long ... It's been a long time since we last met. "

"Fairy ning, you're too polite!"

The middle-aged man cupped his fists.

He was an elder of the Xuanyuan clan, and this fairy ning was the successor of the Jing Yan house. They were of the same status.

Behind him, the young men who had been named all looked excited.

"I didn't expect fairy ning to still remember my name after we met once!" One of them said excitedly.

"Young master long, you said last time that you wanted to be my confidant. How could I not remember your name?" Fairy ning said with a smile.

Young master long was stunned at first, then he was overjoyed. "Fairy ning, do you mean that I'm already your confidant?"

"Naturally!"

Fairy ning said with a smile.

"That's great!" Young master long was overjoyed.

Many people behind him were looking at him with jealousy.

This fairy ning, as the most famous inheritor of the quiet Speech House, her talent and appearance were the best in the entire celestial realm. She was the dream lover of all the young generation in the celestial realm.

In their hearts, she was a noble, Holy goddess who could only be seen from afar and not be profaned.

Because this Jing Yan Zhai was a Zen sect, they paid attention to cleansing the heart and not being tempted.

It was also because of this that they were even more eager to become friends with this person. Many young geniuses wanted to become one of his best friends.

"Fairy ning, what do you think of your Jing Yan house?"

The elder of the Xuanyuan clan, Xuanyuan Zhan, asked.

"I do have some ideas, but it's useless to say it now. It's better to wait until everyone is here and then discuss it." Fairy ning said.

"Alright!"

Xuanyuan Zhan nodded and said nothing more.

"Fairy ning!"

The group of young people behind him immediately rushed forward and surrounded fairy ning, trying to please her.

"Blue face?"

In the primal Chaos void, Tang Hao's mouth twitched.

The meaning of this word was not very good!

When he heard the conversation of the group of people below, it seemed that this fairy ning had a group of blue faces all over the celestial realm, and all of them were geniuses and monstrous talents of large forces.

"This is a F * cking Sea King!"

The corners of Tang Hao's eyes began to Twitch.

He felt that he had opened his eyes again.

Previously, Daoist yunyue had 3000 Dao companions. Now, there was fairy ning, who had countless beautiful women. His view of the world had been refreshed.

"You're a green tea bitch!"

He listened carefully to the conversation below, and the corners of his mouth curled up again.

This fairy ning had a pretty face. She was extremely beautiful, especially her temperament, which was cold and otherworldly. She was really like a fairy. However, the tone of her voice was like that of a green tea B * tch. Her status was also extremely high.

Some green tea leaves were disgusting at first sight, but this one was different. It was refreshing and refined, making it difficult for people to notice.

"Amazing!"

Tang Hao could not help but praise.

"The people of the great emperor mountain are here!"

At this moment, he saw another group of people coming. The leader was the handsome man with vertical pupils, the successor of the sequence of the great emperor mountain.

Among the nine magnates, most of them were elders. Only those from the great emperor mountain and Jing Yan house were the heirs of the sequences.

The successor of the Echelon was similar to the prologue of the sanctuary. In every major force, only the most outstanding person with the potential to become a great emperor could become one of the sequences.

Such people were not simple. They had to have godly bones, divine eyes, and other Sage-like qualities. These were the most basic qualities. In addition, they also needed extraordinary talent and luck. None of these could be lacking.

After the great emperor mountain, the Daluo heavenly Palace, the fen clan, the myriad beasts sect, and the other major forces had all gathered in the valley.

“In my opinion, we should invite the top experts of our respective sects to find the core of this world and control it. Then, we can easily control this world and make it belong to the nine forces.”

The evil child from the heaven of great joy was the first to speak. “When the time comes, whoever contributes the most will get the biggest share.”

“This ... You must not!” The old man leading the myriad beasts sect immediately shook his head.

He looked up at the sky and revealed a look of respect, “this spirit illusion saint’s cultivation level is unfathomable. He has left behind a lot of his consciousness in this world. If we anger this senior because of this, we will be in deep trouble!”

“Everyone, don’t forget that we’re all true spirits. Although we’re usually fine after death, who knows if we’ll be like this again if we anger that senior!”

“That’s right! We can’t do this!”

Hearing this, the people of the four forces were all startled and a little afraid.

This world was so mystical that they could not even imagine what kind of Almighty being was able to create such a world. This was enough to prove how high the realm of this senior Ling Xu was. It was completely unimaginable.

Only a fool would try to seize control of the spiritual void realm.

“If that’s the case, then we can only seal the stars and seize all the keys. Also, those forces who exchanged for the true immortal’s inheritance, hand them all over. Whoever dares not hand it over will have his entire family killed.”

The evil child said with a vicious look in his eyes.

When the other four forces heard this, they all revealed expressions of interest.

Indeed, this method was the best. Only in this way could they prevent the inheritance of the true immortal from being leaked and firmly control this magical world in the hands of the nine Giants.

For this reason, annihilating a few forces was a small matter. Even if they had to annihilate an entire planet, they would not hesitate to do so.
