

The Mightiest Little Peasant Chapter 2861

“F * ck!”

On the collapsed warship, the evil monk jumped up and started to run again.

As he ran, he cursed.

This group of myriad beasts sect people were all idiots. No matter what he said, they wouldn't believe him. Now, the warship was gone, and he was going to run away again! It was really F * cking F * cking sh * t!

“Quickly run!”

Seeing that their high-level elder had run away, the myriad beasts sect's people also lost all thoughts of resisting and followed suit.

“You demon, you really don't know what's good for you!”

“We're the myriad beasts sect, a Big Shot of the celestial realm! This time, we nine magnates are working together, and you actually dare to resist. You're going against us nine magnates, you're dead!”

Many of the myriad beasts sect's disciples shouted as they ran, their faces filled with righteousness.

The evil monk trembled in fear when he heard that.

Were these myriad beasts sect people really idiots?

The other party had already charged over, and it was obvious that they were not afraid of the nine magnates' names. Yet, you still added fuel to the fire. Did you think that you would not die fast enough?

“The myriad beasts sect? Hmph! What arrogance!”

A cold snort exploded from behind.

What followed was a series of shrill screams.

The white-robed figure flickered like a ghost, and the myriad beasts sect disciples behind him exploded one by one, turning into balls of blood.

“Demon, stop!”

“You demon, you're simply devoid of conscience!”

Some of the myriad beasts sect's elders at the front turned around to look, and their eyes almost popped out of their sockets as they roared.

“Heartless?”

The white-robed figure swept over and sneered, “your myriad beasts sect has killed a lot of people here! What did they do wrong?”

“You ... How is this the same!”

“If they don’t hand over the key, then they are guilty and deserve to die. We killed them with reason and justice, and you killed my myriad beasts sect’s people without any restraint. You are a demon and deserve to die!”

The few elders rebuked sternly.

“Hahaha! What a good “right and proper”!”

Tang Hao laughed out loud. “I’ve finally seen what it means to be shameless!”

In the next moment, his face darkened and a shocking killing intent appeared in his eyes.

His figure flickered and disappeared. When he reappeared, he had already caught up with a nine tribulations elder.

“You demon, you dare ...”

The elder of the myriad beasts sect was shocked. He retreated in a hurry as he shouted.

On his body, layers of light burst out, forming a light curtain that wrapped around him tightly.

Tang Hao did not say a word. His face was cold as he struck out with his palm.

Peng Peng Peng!

Under elder Wanshou’s horrified gaze, the light curtains on his body exploded layer by layer. The palm that was like a Crystal Jade, flowing with dazzling divine light, slammed into his chest.

The nine tribulations treasured clothing on his body instantly exploded, followed by his flesh and blood.

Ah!

He shrieked miserably, his eyes wide open and his expression extremely frightened.

A single palm had shattered all of his defenses. What kind of monster was this guy?

He was only at the Dao condensation realm, so how could his combat power be so terrifying?

In his heart, he was extremely shocked.

Without waiting for him to come back to his senses, another palm slapped over brazenly, blasting him apart again.

“You ... You can’t kill me! I’m an elder of the myriad beasts sect! If you kill me, you’ll never rest until the myriad beasts sect is dead!”

He wanted to run away, but he realized that the void around him had been completely suppressed by his opponent’s terrifying Qi. Even if he wanted to use a secret skill to turn into a light to escape, it was impossible.

“I don’t care about the myriad beasts sect!”

Tang Hao reached out and clutched the man’s throat. He slowly lifted the man up and said coldly,”

Then, he squeezed hard and crushed it completely.

The divine furnace appeared and pushed the bloody fellow inside.

“Oh my God!”

The fleeing figures in front turned around and were all scared out of their wits.

Although he was only at the Dao glimpse stage, it was difficult for ordinary Dao integration experts to kill a Dao glimpse stage cultivator easily!

They kept gasping, their expressions extremely shocked.

In that part of the world, there was still an explosion of blood light. After it fell, it turned into a rain of blood.

The white-robed figure stood in the rain of blood. His black hair was dancing in the wind, and his body was filled with killing intent. He was like a demonic god.

This scene was too terrifying and horrifying!

“He’s a peerless ruthless man, a peerless God of killing!” The green-robed elder cried out in shock and became more and more terrified.

He bit the tip of his tongue and started to burn his blood essence. This was the only way he could escape from this demon.

Behind him, there were constant screams and groans. The myriad beasts sect’s disciples were killed one after another.

However, he was unmoved. Instead, he ran faster and faster.

“The Grand warship of the sun Moon sect is in front. We’re saved!”

After running for a while, he discovered a large Starship and quickly rushed over.

“Hahaha! We’re saved!”

The evil monk chased after him and laughed happily.

This time, he was really saved!

“Devil? Hahaha! It’s so funny!”

“Do you think we’re fools, three-year-old kids? Do you think we’ll believe such a low-level joke?”

The people on the lunar warship burst into laughter.

They didn’t believe it.

The men of the heaven of great joy and the myriad beasts sect, dozens of nine tribulation Holy ancestors, and two of them were close to the Dao integration realm. How could they be slaughtered by a single person?

Then how terrifying was this person?!

He had to be at the Dao integration stage and close to the peak!

How could there be such a person on the Azure meteor star!

“F * ck!”

However, after a while, they could no longer laugh. The so-called devil in white had swept over and blown up their ship with a single punch.

Then, like chopping melons and vegetables, he sliced one of the elders and suppressed him with a furnace.

This scene directly scared them silly!

They had never seen such a brutal and terrifying person!

“Another bunch of F * cking idiots!”

The evil monk was about to go crazy.

Why didn’t these people believe his words? if they did, they would have run away long ago, and there wouldn’t be so much trouble.

He scurried up and started to run again.

Among the fleeing Army, there was another group of people from the sun Moon sect.

The group of people looked back as they ran. They were so frightened that they couldn't stop trembling. They used all their skills and fled desperately towards the nearest giant warship.

"It's the Xuanyuan clan and the Jing Yan house. We're saved!"

"Hahaha! That's great!"

When they got closer, they found that the one warship had turned into two. They must have just torn the void and arrived here.

They were overjoyed. With these two forces and the few of them, they could fight against the white-robed devil.

When they arrived, they boarded the ship as soon as possible. Then, the people of the heaven of great joy, the myriad beasts sect, and the sun Moon sect took turns to tell the story to let the Xuanyuan clan and the people of the Temple of Silence know that they were not joking.

Even though everything sounded ridiculous, it was all true.

When the people of Xuanyuan and Jing Yan house heard this, they were all dumbfounded.

Everything the three forces had said was too unbelievable!

When did this Azure meteor have such a terrifying white-robed devil?
