

The Mightiest Little Peasant Chapter 2862

“That’s weird! Where did such a person come from on the Azure meteor star?”

On the ship of Jing Yan Zhai.

Ning Yuzhen’s brows furrowed, and her Phoenix eyes were filled with shock.

The spirit-devouring evil child was an extremely powerful being close to the Dao integration realm. It had roamed the starry sky for many years and made countless enemies, but it had always been safe and sound. No one had expected it to fall on this remote Azure meteor star.

Just how powerful was that so-called white-robed devil?

What was his background?

“Yeah! How could someone who could kill a powerful being like the spirit devouring evil child appear in the vast meteor star?”

Xuanyuan Zhan, who was on the warship, asked in confusion.

“I don’t know either. I only know that that guy has some enmity with the Crown Prince of the Tian long celestial dynasty. It was the Crown Prince who incited us to provoke that guy.”

The evil monk said.

“We thought that a puny Dao condensation cultivator was nothing to be afraid of. Who would have thought that he would be so terrifying!”

As he spoke, he laughed bitterly.

All of this was a complete nightmare!

“Hmph! It’s all your happy heavens ‘fault! If you guys didn’t provoke him, would this have happened?”
Curses could be heard from the Xuanyuan clan’s warship.

“This can’t be blamed on the day of great joy. That devil has the key, so he must be provoked.”

The evil monk said indignantly.

“It’s your fault!”

The Xuanyuan clan’s people continued to curse, their anger rising.

“Alright! That devil has the key. If it were us, things would have turned out the same way. Right now, we should think about how to deal with this person!”

Xuanyuan Zhan shouted.

In an instant, the surroundings fell silent.

Everyone's expression was grave.

"In my opinion, since we've already provoked him, we might as well gather everyone and kill him together!" The green-robed elder from the myriad beasts sect said savagely.

So many of his myriad beasts sect's people had died, and he had to take revenge.

"That's right! Kill him! He dared to look down on us nine magnates, he must die!" The evil monk said with a ruthless expression.

This guy was too terrifying!

Only by killing him would he be completely at ease.

"Kill? How do we kill them?"

Xuanyuan Zhan glanced at them and coldly snorted.

That guy was able to fight to his heart's content by himself. The people of the myriad beasts sect and the sun Moon sect had fled in defeat, and he had even killed a large number of ninth tribulation experts. His strength was already somewhat abnormal.

Even if they gathered the other four forces, would they really have the confidence to kill him?

He didn't want to suffer heavy losses when he couldn't kill them.

He would not do something that he was not confident in.

"If we don't kill them, what should we do?" The green-robed old man said angrily, "don't forget that this time, the nine of us are in a cooperative relationship. He killed the heaven of great joy and so many of our myriad beasts sect's people. That is equivalent to slapping the nine of us in the face. You think you can just not take revenge?"

"From now on, what dignity do the nine of us have left?"

"Then you guys go! Continue to court death!"

Xuanyuan Zhan snorted coldly.

"What death? can't the nine superpowers kill him? He has killed so many people and lost more than half of his strength. It's a good time to kill him." The green-robed elder said.

"That's right!"

The evil monk chimed in.

The atmosphere on the ship immediately became tense.

“Everyone, I have a solution.” At this time, Ning Yuzhen smiled and said gently.

“Fairy Ning, do you have any brilliant ideas?”

Xuanyuan Zhan looked at her and cupped his hands.

Ning Yuzhen said, “this person’s background is unknown, but he’s very strong. We still don’t know how strong he is. It’s not wise to act rashly. If we make a wrong judgment, the consequences will be unimaginable.”

“My opinion is to stabilize him first. After we are done with the matter of the spiritual void realm, we can inquire about his situation ...”

“Fairy, do you mean to say that we’re not going to kill him?”

The evil monk snorted coldly.

“Of course not!” Ning Yuzhen said. His pair of Phoenix eyes narrowed, and a cold light emerged, revealing his killing intent. “Kill! Naturally, he had to kill them! How dare he look down on our nine superpowers? he must die.”

“However, this can’t be rushed. This person is so powerful that he’s not easy to deal with. The best way is to get a clear picture of the situation first, then get the Dao integration or even pinnacle cultivators in the sect to take action. That’s the best way.”

“Maybe we can win his trust and then kill him. This way, we can be absolutely safe.”

“That makes sense!”

“As expected of Fairy Ning, you’re so thoughtful and thoughtful!”

When everyone heard this, many of them praised.

“That’s a good idea!”

Even the elder from the myriad beasts sect nodded.

“We’ll do that then, but how do we stabilize him? Also, what should we do with the key in his hand?” Someone asked.

“That’s easy. We’ll keep the key in his hands for now. We’ll take it back after we kill him.” Ning Yuzhen laughed. “Wait a minute. If he comes, I’ll talk to him.”

“When the time comes, we’ll placate him nicely and give him a way out. I don’t think he won’t know what’s good for him and continue killing!”

As she spoke, her tone revealed a strong sense of confidence.

She was very confident in her charm and eloquence.

In fact, the Daoist techniques that her Jing Yan Zhai cultivated had the effect of influencing people’s hearts, which was somewhat similar to the seduction technique. However, that seduction technique was to arouse people’s desires, while her Jing Yan Zhai’s Daoist techniques were to make people feel close to her and increase her affinity.

“Good! Then I’ll leave it to fairy ning!”

Everyone nodded in agreement.

They were naturally at ease with fairy ning handling this matter.

“They’re here!”

After a while, a divine light swept over from the horizon, and a white-robed figure appeared in front of them.

“It’s really Dao gathering ...”

Ning Yuzhen looked closely and was slightly surprised.

She had never heard of a Dao gathering realm being so powerful.

“This body ... My God! It’s perfect!”

Her eyes swept over that body again and she was a little shocked.

She had never seen such a perfect body before.

“How good would it be if I could take this body and refine it into an avatar or a puppet!” Her heart skipped a beat, and her eyes were burning with passion.

But very quickly, it disappeared.

She smiled and tapped the ground with her Jade-like feet. Her figure floated away and swept out of the ship.

“This senior, my daughter is ning Yuzhen, a disciple of the quiet Speech House. I heard that just now, senior had a conflict with the joyous heaven and myriad beasts sect because of a misunderstanding. I hereby apologize to senior.”

She spoke in a crisp voice, and in her tone, there was already a trace of Dao art.

She bowed again, and a bright smile appeared on her beautiful face.
