

## The Mightiest Little Peasant Chapter 2863

“Misunderstanding?”

Tang Hao smirked.

“Senior, it’s all a misunderstanding. You see ... You’ve already killed many people. It’s time to vent your anger. Why don’t we stop here? you can keep the key. We won’t disturb you again!”

The smile on ning Yuzhen’s face grew even more radiant.

“Hand over those people. I’ll leave after I kill them.”

Tang Hao said coldly.

Ning Yuzhen was stunned, and the smile on his face froze.

This guy really didn’t know what was good for him!

She had already put down her pride and lowered her voice, but this guy not only didn’t appreciate it, but also went overboard. If they really handed her over and let this guy kill her, where would her Jing Yan Zhai put her face?

“This is too much!”

“Truly arrogant to the extreme!”

Curses were heard from the warship.

“Senior, your request is a little too much. You’ve killed so many, even the spirit Devourer child of the sky of great joy. That’s enough!” Ning Yuzhen said.

“How about this, senior, you stop, and my temple of silent words will help you mediate. In the future, whether it’s people from the heaven of great joy or the myriad beasts sect, they will not come to find trouble with you. What do you think?”

She paused and continued.

Her expression, however, was confident.

Although this man was arrogant and brutal, he was not a fool. He could tell the basic interests and interests. He must know what kind of violent revenge he would get if he killed the people of these forces.

After all, he was only at the Dao condensation realm and could not resist the attacks of many Dao integration or even peak experts.

Now that she had taken the initiative to mediate, this person would definitely agree.

As long as they could stabilize him first and wait for the matter of the spiritual void realm to be settled, the nine magnates would have plenty of time to deal with this guy.

“I’ll say it again, hand over the person!”

However, the next moment, a cold shout from the opposite side shocked her.

The guy in front of her still had a cold face and a shocking killing intent, as if he didn’t hear her at all.

She opened her mouth and was a little stunned.

She had never met such a person who completely ignored her status and charm. Her Jing Yan house’s Daoist techniques were completely useless in front of this person.

For a moment, she didn’t know what to do.

“Senior, you’ve heard of my Jing Yan Zhai’s reputation, right? How about you give my Jing Yan Zhai some face and stop first?” She forced out a smile and said.

“Are you deaf? Hand them over, or I’ll take care of you too!”

Tang Hao said coldly.

“Don’t be so arrogant, you demon!”

“How dare you speak to fairy ning like that? you’re looking for death!”

On the warship, another wave of angry curses sounded.

“Senior, You must be joking!”

Ning Yuzhen laughed drily.

This guy had killed so many people from the three forces and had formed a deadly feud with them. He couldn’t possibly want to kill her Jing Yan house and the Xuanyuan clan, right? This was a little too crazy!

“I never joke!”

Tang Hao said coldly.

As soon as he finished speaking, his figure flickered and he appeared in front of ning Yuzhen.

Ning Yuzhen was stunned. He looked at the man who had suddenly approached him and was a little confused.

This guy was going to attack her?

In this world, no man had ever laid a hand on her. The men she had met in her life had either been hindered by her identity or had been captured by her charm. They had never laid a hand on her.

But this man seemed to be completely different!

Behind them, the people on the two ships were also stunned.

This demon wanted to attack fairy ning?

To be able to do such a thing to a fairy like fairy ning, he was indeed a peerless devil!

“I’ll start with you!”

“Die!” Tang Hao shouted coldly. He clenched his right fist and mercilessly punched the beautiful face in front of him.

Ning Yuzhen was completely dumbfounded.

Her beautiful eyes widened as she looked at the fist that was coming towards her.

On the warship, those people’s eyes were also wide open, and their expressions were extremely dull.

Bang!

The next moment, there was a loud explosion.

Just as the punch was about to hit the face, a layer of dazzling light appeared and covered it.

“A celestial artifact?”

Tang Hao was surprised. There was the aura of a true immortal on the glow, but it did not seem to be a real immortal artifact. It was not powerful enough, so it was probably a broken immortal artifact.

He snorted coldly, and the force on his fist suddenly increased, instantly blasting this layer of light apart. Then, he drove straight in and ruthlessly smashed on that delicate face.

In an instant, the perfect face caved in and was completely distorted. Blood spurted out of his mouth and nose.

Then, her body flew backward like a cannonball and smashed into the ship behind her.

There was a deathly silence.

On the two ships, everyone’s expression was extremely dull.

They still couldn’t believe that this demon had really attacked fairy ning. He had even punched her in the face and sent her flying with a single punch. This ... This was simply too crazy and brutal!

This guy was simply too deranged!

“You demon, how dare you hurt fairy ning? you’re dead! Fairy ning will definitely kill you and burn your Bones to Ashes!”

Soon, angry curses could be heard from the Xuanyuan warship.

The eyes of the young men of the Xuanyuan clan were red with anger.

They jumped up and cursed madly.

Tang Hao glanced at them coldly. He dashed to the Xuanyuan clan’s warship and punched.

“Not good! Hurry up and run!”

Xuanyuan Zhan cried out in shock and was about to activate his warship to escape.

However, it was already too late. The punch directly caused the battleship to explode. Starting from the front of the huge battleship, it started to explode inch by inch.

“Hurry up and run!”

The green-robed elder from the myriad beasts sect shouted and was the first to run out, followed by the evil monk, then the people of the Taiyin sect, and the people of the Xuanyuan clan.

Bang!

Another explosion, the ship of Jing Yan house also exploded.

“How could this be ...”

Ning Yuzhen stood there, staring blankly, his expression extremely dazed.

She had never thought that things would turn out like this. This man in white was completely different from the people she had met before. He was a complete lunatic!

When she came back to her senses, she followed him and fled.

“Bastard, just you wait!”

After running for some distance, she turned around and saw that her Phoenix eyes were filled with hatred. Her expression was even more vicious.

She had never been punched in the face like this before, and she had never been so humiliated.

This person must die!

She would use the most vicious means to get revenge!

Not only did she want to kill this fellow, but she also wanted to refine his physical body and turn it into a puppet.

After making the oath in her heart, she followed the team and fled frantically towards the nearest giant warship.

Ahhhh!

From time to time, there would be people in the team screaming, but they would be caught up and blown up with a punch, then suppressed again.

Seeing this, the people in front were all scared out of their wits and ran even more desperately.
