

The Mightiest Little Peasant Chapter 2889

Jing Yan Zhai.

In a Palace, ning Yuzhen was sitting in a daze.

She looked at the purple crystal in her hand in a daze.

She still couldn't believe that she was dead!

He was slapped to death by that bastard!

She slowly gritted her teeth, and the hand holding the crystal gradually tightened.

Because of her extreme anger, her entire body trembled, and her beautiful face was a little twisted.

She had never been humiliated like this before.

First, he had punched her in the face in Cangliu. Now, he had killed her in public and humiliated her in the spiritual void realm!

How could she tolerate this!

"Bastard! If I don't kill you today, I'll ... I'll take your surname!"

She shouted coldly and once again sent her divine sense into the spiritual void realm.

"I'm going to kill you!"

As soon as she entered the spiritual illusionary realm, she was filled with killing intent and prepared to find that guy for revenge.

However, before she could stand firmly, a palm came in front of her. The light of lightning and fire surged on it. She could even vaguely see a cold face. It was that bastard!

The next moment, her vision turned black and she could not see anything.

When she opened her eyes again, she was already back in the main hall.

She sat there in a daze.

He didn't move for a long time.

She could not believe what had just happened.

That guy was actually blocking the exit? Was he crazy?

“Preposterous! You’re going too far!”

Suddenly, her delicate body trembled again, and she was so angry that she was about to go crazy.

Blocking the door and killing!

This was a slap to her face!

She gritted her teeth, steeled her heart, and climbed up again.

This time, as soon as she went out, she activated her Dao technique to block the opponent’s palm. However, when the palm came, she was stunned and her vision went black again.

“How did this happen?”

When she returned to reality, she was stunned again.

That guy had already killed so many people, wouldn’t he be exhausted?

“I don’t believe it!”

She gritted her teeth and continued to climb up. It didn’t matter if she died, she would climb again.

Just like that, she charged forward again and again in an attempt to take revenge. However, the result was the same every time. Her vision turned black and she returned to reality.

It was a nightmare that kept repeating and would never come out.

It was not just her. At this moment, in this starry sky, countless monsters were climbing up the spiritual void realm over and over again, repeating the same nightmare.

In the beginning, they were all filled with righteous indignation and murderous intent. Many people were even extremely excited as if they had been injected with chicken blood.

This was because this was an opportunity for him to become famous in the world. Furthermore, he could obtain the rewards of the spiritual void realm and even obtain fairy ning’s favorable impression.

However, after dying dozens of times, they were a little dumbfounded, and then they died.

The white-robed demon stood in front of the door. He was as terrifying as a demonic god and could not be moved at all.

They had never seen such a monster before. It was so terrifying that it was not like the rumors said it was a young boy in his nineties. Instead, it was an extremely terrifying and peerless old monster.

At this moment, several large ships were hovering near the Forbidden Zone in space.

On it, the Wu clan's ancestor and the rest were staring at the restricted area, paying attention to any movement.

They were all waiting to see if that monster could still break out.

If he couldn't break out, it was that guy who deserved it. He had to court his own death by awakening that beast. If he could break out, he would have to go through them.

"That kid is probably regretting it to death now!"

"Hmph! You're indeed a yellow-haired brat, acting impulsively without considering the consequences!"

As they checked, they sneered.

In their eyes, that kid's action of taking the initiative to awaken the star Devourer beast was extremely stupid.

"That kid didn't die so quickly, but I don't think he can hold on for long. He should still be struggling in pain! Hahaha! What an idiot!"

On the Wu clan's warship, the Wu clan's ancestor stroked his long beard and laughed out loud.

However, at this moment, a person quickly walked over from behind and whispered a few words into his ear.

"What? He's in the spiritual void realm now?"

When the Wu clan's ancestor heard this, he cried out in shock, his face filled with disbelief.

Shouldn't that kid be struggling in pain inside the star Devourer beast's body? How could he still go to the spiritual void realm?

"He's still killing? They even blocked the point of birth and killed people? Have they gone crazy?"

When he heard it again, his eyes widened and he was even more shocked.

He had some understanding of the spiritual void realm and had been there many times. He knew what this kind of behavior meant.

That kid ... Is he crazy?

He killed all the young demons in the world, blocked the spawn point, and killed fairy ning of the Jing Yan house over and over again!

"He ... He's a F * cking lunatic!"

On the other ships, the peak stage old monsters were also shocked when they received the news.

“I knew it. He’s a complete madman. First, he slaughtered the people of the sky of great joy, then he chased after the nine magnates. He even dared to take the initiative to wake up a terrifying giant beast like the star Devourer beast. Now, he’s going to the spiritual void realm to kill people. If he’s not a madman, how could he do all these things?”

“No! I can’t stay here! Our Yue clan can’t have anything to do with this kind of lunatic. Go, go, go! Hurry up! We must be fast!”

On the Yue clan’s warship, the Yue clan’s elder was so frightened that his hands and feet were trembling, and his face was even paler.

This kind of lunatic was the most terrifying and must not be provoked!

Who knew what this lunatic would do in the future!

“Let’s go! This guy is a madman, don’t provoke him if you can! Besides, he has the leisure to go to the spiritual illusionary realm, which means that he has already broken out. There’s no point in continuing to guard!”

The Zhou clan elder shook his head and sighed.

Soon, the Zhou consortium’s warship also left.

“Let’s go!”

Seeing them leave one after another, the Wu clan’s elder waved his hand.

Very quickly, all the forces in the Forbidden Zone had left.

At this time, what happened in the spiritual void realm also spread quickly in all directions of the starry sky, shaking all the forces and causing an uproar.

Many people hurriedly went up to the spiritual void realm to watch the show.

As for the forces that the geniuses belonged to, they were surprisingly silent and had no reaction at all.

The number of geniuses who managed to climb up the platform was decreasing, leaving only a few who were extremely stubborn.

As for that fairy ning, after dying countless times, she finally stopped coming up.

After a large number of people had died, no one dared to covet the reward.

The yellow mud village gradually became quiet.

At this point, everyone knew that it was about to end. Those freaks would not come up again.

They discussed excitedly for a while and engraved the appearance of the white-robed demon in their minds before they left.

In the past, they had only heard about this person. Some people thought that it was an exaggeration, but now that they had seen him with their own eyes, they knew that it was not an exaggeration at all. This person was truly a heaven-defying monster with unrivaled divine abilities and an invincible posture.

His personality was even more overbearing, and he was worthy of the title of a peerless madman.

That was why they had to remember this face. If they saw it in the future, they had to avoid it and never provoke it.
