

The Mightiest Little Peasant Chapter 2895

“This is our residence!”

The two of them flew over and landed on the peak of the mountain.

There was a Palace here that was elegantly decorated.

“We?”

Tang Hao was surprised.

“Of course it’s US!” Yun feiwan held his hand and placed her red lips by his ear. She chuckled and said, “have you forgotten that we are Dao partners now? We naturally have to live together, otherwise how can we still be called Dao-companions?”

There was a strong fragrance on her body.

Tang Hao’s mind began to wander when he sniffed the air.

However, he quickly suppressed his thoughts and followed them into the hall.

“This is a room for cultivation and enlightenment. This is a bedroom. This is a bath ...”

He was dragged around the palace.

Finally, they arrived at the bedroom.

“We’ll all stay here tonight!” Yun feiwan took out a futon and sat on the edge of the bed. “I’m guessing that there will be many people coming tomorrow. I’ll have to trouble you!”

“This is simple!”

Tang Hao said with a smile.

It was just acting, he was the best.

Seeing that she had closed her eyes and started meditating, he sat down as well. His mind entered the virtual spirit realm, and he first collected all the spiritual essence that he had accumulated during this period of time. Then, he began to deduce the friend system.

He already had this thought before.

The idea was good, but it wasn’t easy to put it into practice. Many basic things had to be changed, and he also needed to deduce it.

The next morning, when he opened his eyes, Yun feiwan was no longer there.

He didn't move and continued to deduce.

In the afternoon, she heard the sound of something flying through the air. She had returned.

She entered the hall with a serious expression.

"Many people have come. The situation is not optimistic!"

She said with a frown.

"How many people are there?"

Tang Hao opened his eyes in surprise.

"More than 50 forces!" Yun feiwan laughed bitterly.

Originally, the Yun family had estimated that there would be at most a dozen or twenty forces in one sect, so they could still control the situation. But now that so many had come at once, the Yun family's strength was simply not enough to suppress them.

"It seems that I can only give up on this plan!" She said, shaking her head.

"No, I'll go out and meet them!"

Tang Hao said as he stood up.

"No! It was too dangerous! Once you go out, you'll be a target. They'll definitely make a move and won't give up until you're beaten away. This way, they can continue to force me and choose one of them. "

Yun feiwan quickly said.

"What's so dangerous about it?" Tang Hao laughed. "Let's go! Let's go take a look!"

Tang Hao said, then walked out of the bedroom.

"Al! Don't go!"

Yun feiwan was a little anxious. She quickly rushed over and tried to pull him.

However, how could she stop him? the figure flashed out of the hall and went to the square at the mountain Gate.

At this moment, there were many seats in the square. Thousands of people were sitting there, divided into dozens of forces, and it was noisy.

As for the Yun family, they were all watching the situation below with ugly expressions.

The situation in front of them had completely exceeded their expectations.

All of the most powerful forces on the planet were gathered here. There were several apex experts and a large number of Dao integration experts.

“How did they come so quickly and in such a neat formation?”

The Grand Elder muttered to himself.

Looking at the situation, he couldn't delay any longer. With so many major forces here, if his Yun family still didn't obey, they would probably make a move and destroy his Yun family.

“What do we do now?”

For a time, he was burning with anxiety.

The original plan was definitely not going to work. If that fellow Daoist came out, he wouldn't be able to help at all. He would probably be scared away by this group of people. Even if he couldn't be scared away, he would be beaten away by this group of people.

“Great elder Yun, where is fairy Fei Wan? She went to invite her lover?”

Someone in the square shouted at him.

“I didn't hear you mention that fairy Fei Wan has a Dao partner. You didn't just randomly pick someone to lie to us, did you?” Someone else shouted.

“Great elder Yun, do you Yun family people think we're all fools? If your Yun family doesn't give us a definite answer today, don't blame us for being impolite.” Someone coldly threatened.

“Everyone, please calm down!”

The Yun family's first elder hurriedly waved his hands in all directions, consoling them.

“Grand Elder Yun, is our sect not good enough? Our sect's raging fire ancestor is unrivaled and invincible. He will become an immortal in the future. How is he not worthy of your Yun family's fairy?”

On the left side of the square, a man in red robes stood up and shouted.

Behind him sat a red-robed old man. He looked to be in his fifties. His face was thin and his eyes were cold and sharp. His long hair was red in color and was emitting a faint divine light, like a burning divine fire.

He looked into the depths of the Yun family with a hint of greed in his eyes.

The Yun family's fairy was naturally wonderful. She was mature, beautiful, and stunning, making people drool. But what was even more wonderful was the spiritual Pearl.

A natural spiritual Pearl that had been nurtured for more than 3000 years was undoubtedly a peerless treasure!

As long as he could obtain this spiritual Pearl, his sacred art would become even stronger.

The Yun family was also quite powerful. If he could take them in, it would greatly strengthen the strength of his blazing flame sect.

“Hmph! What was the raging fire sect! Stronger than my flowing cloud Palace? Not only is my Palace Master more powerful than your patriarch, but he’s also handsome and suave. If the Yun family’s fairy had to choose, who do you think she would choose?”

On the other side, someone immediately walked out and started arguing.

Because the sacred beast planet was too large, there were too many factions. There were many factions with peak experts, and no one was willing to submit to the other.

This kind of power was weaker than the Wu clan, the Yue clan, and other forces with the title of thirty-six stars. The difference would not be too big.

“What are you arguing about? No matter how strong your blazing fire sect and flowing cloud Palace are, it’s of no use. This Yun family fairy is mine, the blood soul sect ‘s!”

Then, someone shouted.

The expressions of the people from the blazing fire sect and the flowing cloud Palace changed.

Although the blood soul sect was far inferior to the other two forces and didn’t even have a peak figure, they had evil Dao Giants like the joyous sky behind them. Even they had to be wary of them.

After a while, another person stood up and started to argue.

The square was getting noisier.

Seeing this, everyone in the Yun family smiled bitterly.

None of the people in the square were to be trifled with, and the Yun family couldn’t afford to offend them for the time being.

“Why don’t we agree to it for the time being and let them fight for one? then, we’ll try to delay it for two to three months ...” The great elder muttered to himself.

“It’s so lively!”

At this moment, a chuckle was heard not far behind him.

He turned around and was stunned.

A black figure was gliding down from the peak with his hands behind his back. On his handsome face, there was a faint smile. He looked relaxed and calm.
