

The Mightiest Little Peasant Chapter 2896

“Why is he here?”

The head elder of the Yun family was surprised.

He had thought that this person would be so scared that he would not come out when he saw so many people in the square, but he did not expect that he would really have the courage to come out.

What was even more strange was that his expression was so relaxed.

Didn't he know that he would become a target the moment he came out?

Everyone from the Yun family turned around and was surprised.

“This guy actually came out, Hmph! You really don't know what's good for you!” The corners of the fourth elder's mouth lifted, and a hint of ridicule flashed across his face.

“Eh? Who is this guy?”

“Where did this pretty boy come from?”

The crowd in the square also looked up, and their faces turned cold.

This fellow should be fairy Yun's cultivation partner, as the Yun family claimed.

Of course, they didn't believe his identity.

This was just a shield that the Yun family had found!

“Why didn't you invite me when it's so lively?”

Tang Hao said with a smile as he landed beside the Yun family.

The first elder of the Yun family laughed drily.

In his heart, he thought, “I didn't call you for your own good!” Now that you've come out, things are going to be bad!

“Hahaha! I'm busy! Come, everyone, let me introduce you. This is Fei Wan's Dao partner. I met her when I was traveling around the world, and she also just arrived on the sacred beast planet yesterday.”

Then, he stood up and said to the people in the square.

Since this person had already appeared, he could only act to the end.

The result would be up to his own good fortune. His Yun family was truly powerless.

“Dao-companion? Hahaha! Who are you trying to fool! Why haven’t I heard of this before?”

“Yeah! Great elder Yun, your Yun family really thinks we’re fools. Only a ghost would believe this kind of thing!”

The audience immediately burst into laughter.

“Hey! Who are you! Which planet are you from? you’re quite bold to meddle in the affairs of my sacred beast planet!”

“If you know what’s good for you, get lost!”

They shouted at Tang Hao.

In an instant, gazes as sharp as knives and swords fiercely slashed over, and waves of killing intent surged over.

Seeing this, the fourth elder’s face was filled with even more ridicule.

Seeing this, this guy’s legs were probably going to go soft!

There were quite a few peak experts down there.

This guy deserved it. If he didn’t like Fei Wan’s beauty and that immortal bead, he wouldn’t have agreed to help. The reason he came out was just to show off in front of Fei Wan.

This guy had it coming!

Behind him, Yun feiwan flew over. After she landed, she could not help but look anxious.

If this continues, this fellow Daoist is going to be surrounded.

I can only ask this fellow Daoist to leave first.

She said to herself.

Then, he was about to speak.

Tang Hao turned around and looked around the square. “You’re right, I’m here to block the arrows! I only met fairy Yun yesterday!”

Hearing this, everyone in the square was stunned.

Then, there was a burst of loud laughter.

They had thought that this fellow would be able to hold on for a little longer. After all, he had been so confident when he had first stepped onto the stage. Who would have thought that he would admit it so quickly? he was truly a little cowardly.

“Hahaha! Where did your Yun family find this coward?”

“He’s so F * cking awesome!”

Everyone laughed out loud.

Even the Yun family members were stunned.

When this person entered just now, he was clearly calm and confident. But in the blink of an eye, he directly admitted defeat. This contrast was too great!

Yun feiwan’s mouth was wide open, her face was filled with shock.

“That’s good too, this person won’t be implicated!” She thought to herself after she regained her senses.

This person had nothing to do with her, and she had only met him yesterday. There was no need to provoke so many major forces for her Yun family.

“But so what? since I’ve already agreed to be her shield, I’ll naturally do my best. Today, whoever wants to force fairy Yun will have to get past me first!” Tang Hao shouted loudly as he looked around.

As soon as he finished speaking, the surroundings fell silent.

Everyone’s faces were filled with a look of confusion.

They could not believe their ears.

Was this guy crazy?

Otherwise, how could he be so arrogant?

All of the top powers of the Holy beast planet had gathered here, and there were already six of them at the peak, let alone Dao integration stage. Where did this fellow’s confidence come from to dare to challenge so many of them?

Even if this fellow was a peak stage old monster, he probably didn’t have such confidence!

After all, not a single old monster at the pinnacle stage would be willing to offend so many of their forces!

“This guy must be an idiot!”

The fourth elder exclaimed in his heart. He was also in disbelief.

As for Yun feiwan, she was also stunned and somewhat confused.

“Hahaha!”

Immediately after, a deafening roar of laughter rose into the sky.

In the square below, everyone had a sneer on their faces, and their gazes were as if they were looking at an idiot.

“Where did this idiot come from? hurry up and get lost, or my blood soul sect will be the first to be unkind!” Someone from the blood soul sect shouted.

“Fellow Daoist, cultivation is not easy. Don’t make a mistake. Otherwise, your thousands of years of cultivation will be lost today!”

A blood-robed old man sat in front of the crowd. He raised his wine cup and took a sip, smiling faintly.

However, there was a trace of cold killing intent hidden in his tone.

“Fellow Daoist, how should I address you?”

Tang Hao looked at him and sized him up. He grinned.

“Blood soul sect, patriarch blood dove!”

The old man said slowly, his tone proud.

“Alright!”

Tang Hao nodded.

The next moment, his figure flickered and suddenly disappeared. When he reappeared, he was already in front of the blood dove elder, and he struck out with his palm.

Patriarch blood dove was completely stunned. He was still holding his wine cup.

He had never thought that this guy would actually take the initiative to attack him.

Everyone was also stunned!

“Don’t you dare!”

Patriarch blood dove was furious. His body shook and his aura exploded. Two beams of blood-red divine light shot out of his blood-red eyes.

However, his two beams of divine light could not block the opponent’s palm at all.

It was instantly blown up!

Then, his protective divine light was also shattered. It was as easy as crushing dry weeds and smashing rotten wood. In his horrified eyes, the Jade-like palm slapped his face.

Bang!

There was a loud explosion.

The next moment, blood splattered.

Half of patriarch blood Dove's head exploded, and his body flew backward like a cannonball. The group of Bloodsoul sect disciples behind him also groaned and flew backward.

The surroundings instantly fell silent.

There was a dead silence.

Everyone was frozen on the spot, their faces extremely dull.

Their eyes were wide open, filled with extreme shock and disbelief.

Then, clang! Clang!

It was the sound of a wine glass falling to the ground.

In this deathly silent square, it was particularly ear-piercing.
