

The Mightiest Little Peasant Chapter 2902

Yun family, on the peak of a mountain.

Tang Hao pushed the door open and walked out.

Outside, the sound of celebration could be heard.

Just yesterday, the seventh elder of the Yun family had successfully formed his Dao attainment and advanced to the Dao integration realm.

Soon, the Yun family would have a peak martial artist.

A peak-stage martial artist was enough to intimidate everyone, so the Yun family was safe.

That was why the Yun family members were so happy.

“Looks like ... I’ll have to go too!” Tang Hao stood in front of the palace gates for a moment, listening to the cheers around him and chuckling.

It had been a month since she returned to the Yun family.

During this period of time, he had been busy perfecting the functions of the virtual spirit realm and taking care of the batch of immortal-grade plants he had just obtained. He was even considering that he should refine a few Immortal Weapons. After all, he didn’t have a single treasure that was suitable for him.

He had left all the immortal artifacts he had obtained in Pangu.

Although the great void divine furnace was good, it was not as convenient as a weapon.

After standing for a while, he returned to the palace.

In the blink of an eye, another seven days had passed.

That night, Yun feiwan arrived and knocked on the door.

“Peak level?”

Tang Hao said as he opened the door and glanced around.

“En!”

She responded softly.

At this moment, she was wearing a chiffon dress that was different from usual. It was lighter and more transparent, and her graceful figure was faintly discernible. It was extremely provocative.

Her expression also seemed a little strange as she stood outside the door, her beautiful eyes fixed on him.

“Then I should go too!”

Tang Hao said.

“Let’s leave after tonight! I’ve prepared some wine, let’s drink together!” She smiled and stepped into the hall.

She walked to the table, took out a few jars of wine, and placed them on the table.

“Alright!”

Tang Hao sat down at the table.

Yun feiwan sat down across from him, took out a pair of wine glasses, filled them, and handed them over. She then picked up the wine glass in front of her and said, “I’ll first offer a toast to young master!”

Tang Hao raised his glass and clinked it with hers, then downed it in one go.

However, as soon as the wine entered his stomach, he frowned slightly.

He was proficient in the path of poison and had extremely sharp senses. He immediately recognized that there was something wrong with the wine, but it was not poison. It seemed more like an aphrodisiac.

“This wine ...”

Tang Hao put down his glass and looked up at her.

“Young master is indeed amazing. You discovered it so quickly!” Yun feiwan pursed her lips and smiled. “Please believe me, young master. I have no ill intentions. I just want to trouble young master to help me one last time!”

As she spoke, her fair face suddenly flushed red.

His eyes also became a little blurry.

She poured herself a glass of wine, raised her head, and drank it all in one go.

“Young master, do you know? In fact, I don’t want this Pearl at all. If it weren’t for this Pearl, my Yun clan wouldn’t have suffered such a great disaster. But this Pearl chose me.”

“Who on the planet of the Holy beast doesn’t covet this immortal Pearl? many people have approached me for this Pearl ...” He said.

“However, you are different. I can tell that you have no interest in this Pearl. So, I want you to help me take it out.”

As she spoke, her eyes became more and more blurred.

Tang Hao was a little stunned when he heard that. Then, he smiled wryly. “Is this appropriate?”

“How is it not appropriate?”

She smiled, and there was a hint of seductiveness between her brows. “Why? do you think I’m old?”

“No, I didn’t!”

Tang Hao said.

“Then that’s good!” Yun Fei smiled and poured another glass of wine. “You don’t have to feel burdened. We just met by chance. After tonight, we may not see each other again!”

Tang Hao was silent.

She leaned over and poured him a glass of wine. She smiled and said, “Actually, I quite like you, young master. This might be the first time in thousands of years that I’ve fallen for you. That’s why I don’t want to let go of this opportunity. If I miss you, who knows when I’ll have a second chance?”

Tang Hao looked at the glass of wine in front of him. He smiled wryly and shook his head.

“What’s wrong? Do you still despise me?”

Yun feiwan was stunned. Then, her eyes dimmed and she said sadly.

“This wine ... It’s useless!”

Tang Hao said with a bitter smile.

With his body, no medicine would work.

Yun feiwan’s mouth was wide open and she was stunned.

Then, he burst into laughter.

“I didn’t think of this! However, it’s fine, as long as this wine is useful to me!” As she spoke, she poured another cup of wine and finished it in one gulp. Soon, the blush on her face became more obvious.

Just like that, she downed cup after cup of wine.

The charm on her face became more and more obvious, making her look even more beautiful and moving.

"I won't call you young master anymore, alright! This form of address is too distant. I'll call you my good little brother." She drank another cup of wine and looked at him with a dazed look, her face full of charm.

"Aiya! We're out of wine!"

She took the bottle and poured it out, but it was all gone.

"Aiya! Why is the door still open?" She looked around and saw that the door was still open. She immediately flicked her sleeves and closed the door with a clang.

When she turned back to look, a touch of shyness appeared on her beautiful face.

She stood up slowly and extended her hand toward Tang Hao. "My good brother, let's go!" Then, she held Tang Hao's hand and led him to his bedroom.

It was a quiet night.

The next morning.

A beautiful figure got up from the bed and put on a gauze dress.

She gently got off the bed and combed her hair.

Sitting in front of the dressing table, she raised her hand, and a crystal bead appeared in her palm. It was shrouded in a faint smoke and exuded a strong immortal spirit Qi.

"Al!"

She looked at the bead and sighed.

After a while, she got up and walked to the bed. She sat down and stared at the sleeping face. She was a little dazed. She raised her Jade-like hand and used her white fingers to stroke the handsome face.

Suddenly, she seemed to have thought of something. Her face turned red and she spat, ""What a bad little brother!"

"Bad brother, in the future ... We may never see each other again. This Pearl is not only an immortal treasure, but also the key to opening the sacred beast immortal Palace. There is something left for the Yun clan in that immortal Palace."

"When I find that thing, I will bring the Yun clan to ascend. We may have a chance to meet again in the immortal world."

As she spoke, she bent down and gave that handsome face an emotional kiss.

After a long time, she got up and took a deep look at this face, then turned and walked out of the hall.

Out of the hall, a figure appeared. It was the Yun family's first elder.

"We're leaving just like that?"

He looked into the hall and sighed.

"It's impossible between me and him. Why should I be so persistent? just this one night is enough for me to engrave it in my heart!" Yun feiwan said.

"Alright! Then let's go!"

The Yun family's first elder didn't say anything more. He nodded and flew down with her.
