

The Mightiest Little Peasant Chapter 2906

Ning Yuzhen stood in front of the formation, her white dress fluttering.

Her beautiful face was shrouded in a layer of faint divine light, like a goddess from the nine Heavens, out of the world.

She shouted in all directions.

And behind her, stood a number of beautiful figures, all female cultivators, they were the elders of Jing Yan Zhai.

The person in the lead was a beautiful woman in a White Palace dress. She held a Jade bottle in her hand, and a layer of clear light spread out, protecting the people of the Jing Yan house.

“Everyone, think about it. How could a declining family like the Yun family suddenly take over this immortal Palace and set up such a trap? I’m afraid they wouldn’t dare to do it even if they had more guts!”

Ning Yuzhen said again, “only that Tang guy would dare to be so bold! He must have incited the Yun family to do this. ”

“This ...”

Many people from the four major camps were somewhat hesitant.

Fairy ning’s words did make some sense.

The Yun family had been in decline for a long time and had once been on the verge of being exterminated. They had even been forced to hand over the person and the celestial Pearl by the various forces on the planet of the sacred Beasts. How could they suddenly occupy this Celestial Palace and deal with all the cultivators in the world?

Coincidentally, a few months ago, that monster surnamed Tang had joined forces with the Yun family.

It was hard not to let their imagination run wild ...

“It can’t really be this demon, right?”

“He’s too bold!”

They began to discuss in low voices.

“If it’s really him, what should we do?” Someone shouted.

“Do you still need to say that?” Ning Yuzhen laughed. “No matter how great his background is, he’s not from the origin immortal realm. He dares to act so arrogantly here. Are we supposed to sit by and do nothing?”

“Fairy ning is right. Last time, the nine superpowers had already endured it. Are we going to endure it this time as well? We should have killed our way up, captured him, and then exterminated the Yun clan.”

A reply came from the side of the great emperor mountain.

The person who spoke was the successor of the great emperor mountain’s sequence who had come to Cangliu.

“Considering his status, we can spare him, but we still need to punish him and then expel him from the origin immortal realm. Otherwise, he’ll think that the origin immortal realm is weak and he can bully us as he wishes!”

The successor of the great emperor mountain said.

He looked around with a cold expression.

“I think this should be the case!”

Many people from the camp of the other major powers nodded in agreement.

The Ling Xiao holy man and the others looked at the immortal Palace above and fell silent. Their expressions were grave.

If it was really done by that person, it was indeed a bit too much. If the nine forces didn’t take action, they would probably be laughed at by all the cultivators in the world.

Soon, they nodded in agreement.

“Hahaha! This brat was finally going to fall! He deserves it!”

A burst of laughter rang out. It was the Wu clan’s ancestor.

Last time in the Forbidden Zone of the starry sky, he had been ruthlessly played by that brat. He still remembered this grudge!

When he heard that this brat was about to be suppressed and expelled from the origin immortal domain, he couldn’t be happier.

The Yue clan, Zhou clan, and other patriarchs also had the same thoughts.

“It should have been like this long ago!”

“That guy is a scourge. He should be eliminated!”

Many young people from the various forces cheered joyfully, and the one from the Xuanyuan clan was the most excited.

Back in the spiritual void realm, they had been killed over and over again, and they had a blood feud with this monster surnamed Tang.

“Hmph! Let’s see what you’re going to do this time!”

Hearing the shouts from all directions, the corners of ning Yuzhen’s mouth lifted, and a smug look flashed on his face.

She raised her head and looked at the immortal Palace above, her eyes filled with hatred.

She had never hated someone so much before. That guy’s face seemed to be engraved in her mind, appearing in front of her from time to time, making her grit her teeth in hatred and engrave it in her heart.

Of course, she wasn’t sure if that guy was the mastermind behind this. But even if he wasn’t, she could say that he was. Anyway, this guy was definitely going to take the blame.

Who told this guy to covet the Yun family’s fairy’s beauty and stand up for the Yun family? now, even if he jumped into the river, he would not be able to clear his name.

“A bunch of idiots!”

Tang Hao could not help but roll his eyes when he heard their conversation.

Then, he sneered in disdain.

They wanted to suppress him and expel him from the origin immortal realm?

Did this group of people have the ability to do so?!

“Hahaha! They’re really a bunch of idiots!”

At this moment, a loud laugh was heard from the Golden immortal Palace above.

In the main hall of the immortal Palace, a figure stood in front of a mirror. Looking at the image in the mirror, he laughed out loud. He laughed so hard that he leaned back, his posture somewhat crazy.

“Look, who are these people? they’re all idiots! They actually thought that this matter was incited by that fellow surnamed Tang, hahaha! This group of idiots didn’t even think about it, that guy is not worthy!”

“You’re just a yellow-haired brat, and you’re qualified to order my Yun family around? The Yun family is the descendant of the Saint Beast Celestial Palace! What an illustrious bloodline! That kid is not worthy!”

He turned around and said.

Behind him, a group of people sat cross-legged, and beams of divine light fell from above the hall, enveloping them.

They all had pained expressions on their faces, as if they were bound by this divine light, unable to move.

They could only glare at the person in front of them with angry eyes.

“My Grand Elder, what do you want to say? I’d like to hear it!” The man looked at the person in the front row and flicked his sleeve. The divine light above his head dimmed a little.

The Yun family’s head elder could finally open his mouth and angrily shouted, “Fourth brother, are you crazy? You’re trying to put the Yun family to death!”

“Are you crazy? I’m crazy! Who asked you, the great elder, to choose her and give her all your cultivation? is she worthy? She’s just a tool for breeding the celestial Pearl. I’m obviously the most talented, so the celestial Pearl and Dao attainment should all be mine!”

“Die!” The fourth elder rushed in front of him and roared madly, his face twisted with rage.

“I should be the one becoming immortal! And not this cheap woman, she’s only fit to be my human cauldron!” As he spoke, he turned around and glared at Yun feiwan.

Yun feiwan sat upright and glared back at him with her beautiful eyes.

“You’re really crazy! I shouldn’t have listened to you and handed over the control of the immortal Palace to you!” The Grand Elder of the Yun family shouted.

“Do you regret it now? It’s no use!” Elder Yun si grinned hideously. “Now, you should obediently hand over your last Dao. And you, hand over all your Dao. When I break through to the seventh Dao, I will let you go.”

“Don’t worry. When I become an immortal, I’ll definitely take you with me. I’ll let you bask in my glory and follow me to the immortal world!”

“You’re dreaming!”

Grand Elder Yun roared in anger.

“Old man, don’t be so ungrateful. Do you really think that I don’t dare to kill you? I have plenty of ways to kill you in this Palace! I can kill you and then take my cultivation!” Fourth elder Yun shouted coldly.

“And you, don’t think I can’t touch you just because you’re in the six DAOs ... Eh? Let me see who this is! Hahaha! Look, I found someone!”

He walked in front of the mirror and used his divine sense to check it. Suddenly, he revealed a look of surprise.

He turned around and looked at Yun feiwan with a smug expression.

With another wave of his sleeve, a figure appeared in the mirror. His body was shrouded in the glow of the sun, but one could still vaguely see that it was a white-robed figure.

Yun feiwan's expression changed as she looked at him.
