

The Mightiest Little Peasant Chapter 2907

“Look, doesn’t he look like your little lover?”

Fourth elder Yun strolled over with a smug look on his face.

“Eh? Are you worried about him? Don’t tell me you’ve really fallen for him? Tsk tsk! We’ve only slept together once, how did you develop feelings for each other!”

When he reached Yun feiwan, he knelt down and teased her.

“Since you’re so worried about him, then fine. Hand over all your cultivation, and I’ll let him go. Otherwise ... I’ll bring him in here and kill him in front of you!”

“Oh! Right, I think he’s at the daomerge and has a Dao attainment. That’s just right, I have another Dao attainment. How wonderful!”

Yun feiwan’s eyes widened in anger.

“Still not obeying? Good! It seems like you won’t shed a tear until you see your coffin!”

He snorted and stood up.

He walked in front of the mirror, stretched out his hand, and grabbed it.

The next moment, a giant palm appeared in the air outside. It grabbed at Tang Hao with a monstrous aura.

Tang Hao’s expression changed when he looked up.

He had wanted to send out a palm strike to blow up this giant palm, but his mind suddenly moved, and he withdrew his aura.

The moment the giant palm came down, he felt the void around him change. The next moment, he appeared in a Hall.

He swept his gaze around and was able to clearly understand the situation in the hall.

“It’s this guy’s doing!”

His gaze fell on fourth elder Yun.

He had paid attention to this person before and had always been hostile to him, but he hadn’t paid much attention to him. After all, he didn’t want to meddle in the Yun family’s Affairs. But he didn’t expect that this guy would actually abduct his own family and cause such a big commotion.

“Kid, you’d better not move. Otherwise, you’ll end up like them, or even worse.”

Elder Yun si shouted coldly.

Tang Hao did not make a move. He stood there and examined the falling divine light. It was indeed powerful. Even a cultivator of the six paths like Yun feiwan was suppressed and could not move.

“Did you see that? This is indeed your little lover. If you don’t obey me, I’ll suppress him in front of you and cut him into pieces. ”

Fourth elder Yun walked in front of Yun feiwan and said in a fierce voice.

Tang Hao almost rolled his eyes when he heard that.

Did she want to seduce him?

This guy was dreaming!

Yun feiwan was still glaring at him.

She looked at the figure not far away and felt a little guilty.

If it wasn’t for her, this person wouldn’t have been caught by this lunatic.

“Still not obeying? Tsk tsk! It seems that you really have a heart of stone. You only see him as a tool, right?” Seeing this, fourth elder Yun laughed mockingly. We’re already thousands of years old, there’s no such thing as love!”

“But this kid seems to be different. I think he came here for you. How can you bear to see someone who likes you die in front of you?”

He looked at Tang Hao and said coldly.

“Kid, I’ll give you two choices now. First, hand over your own cultivation and I’ll let her go. Second, you can choose not to hand it over and leave on your own, as long as you have the ability to break out.”

He stood up and said to Tang Hao.

Tang Hao furrowed his brows and pretended to be considering it seriously.

“I’ll choose the first one!”

After a moment, he spoke.

When Yun feiwan heard this, she was stunned.

Even fourth elder Yun was stunned.

Then, he laughed out loud. "Listen, what a loyal young man! For you, she can even give up her own cultivation, and you, you are just a cruel and vicious woman!"

Seeing the struggle and pain in her eyes, he was even more pleased.

"Brat, come, hand over your cultivation. Don't worry, I'll keep my promise and let her go!"

He walked toward Tang Hao with a smile.

He was only at the Dao condensation realm now. As long as he devoured this kid's Dao attainment, he would be able to return to the Dao integration realm. Then, it would be much easier to deal with those guys.

He wasn't afraid that this kid would suddenly make a move. In this immortal Palace, he was the ruler. This kid couldn't even hurt a single hair on his head.

Tang Hao looked up at the divine light, but he did not attack.

He had a better idea.

"Senior! I seem to have a lot of skills, can you handle it?" He said.

Hearing this, fourth elder Yun was stunned.

A little too much?

What did that mean?

Could it be that this kid didn't have one Dao attainment, but two?

When he thought of this, he immediately felt a little happy.

This was an unexpected surprise!

"It's okay, I can take it. Just take it out!" He said in wild joy.

"There!"

A ball of golden divine light gushed out of Tang Hao's dantian and turned into a perfectly round Golden Ball. Countless phenomena of the great Dao appeared on it. It was a Dao attainment ball.

Seeing this, the Yun family members behind were all shocked.

This was Dao attainment!

For a nine tribulations cultivator, this was life!

How could this guy be willing to hand over his life?

“Al! That’s too stupid!”

Grand Elder Yun sighed in his heart.

Although he admired this person’s loyalty and loyalty, to be able to give up his own cultivation in order to save people, this was undoubtedly a very stupid and foolish choice.

Yun feiwan’s brows were tightly knitted together as she revealed a pained expression.

She wanted to open her mouth and call out to stop everything, but she couldn’t open her mouth at all. She could only watch as elder Yun si opened his mouth and swallowed the cultivation.

She immediately closed her eyes and bit her lips. Her heart was in so much pain that it felt like a knife was being twisted.

“Hahaha! I’m back at the daomerge! Kid, don’t you still have more? Hurry up! What about the other one? Give it to me as well. After I swallow it, I’ll immediately let you two go and let you two live happily ever after.”

Fourth elder Yun swallowed his Dao attainment and sat down cross-legged to refine it. He rose to his feet and said to Tang Hao anxiously.

“There!”

Tang Hao waved his hand, and a Dao attainment pill flew out.

“Two! That’s great!”

By the time he refined this cultivation, fourth elder Yun was already ecstatic.

He stood up with a fierce look on his face. He was about to kill this idiotic brat!

“Actually ... I still have more!”

However, the moment this kid opened his mouth, he was shocked and dumbfounded.

F * ck! There’s more?

It wasn’t the second Dao, but the third Dao?

This was too F * cking abnormal!

Wasn’t this kid not even a hundred years old? How could he have so much Dao attainment?

The eyes of the Yun family members were also wide open.

His cultivation was too terrifying!

“Hurry! Hand over your cultivation!” Fourth elder Yun was so excited that he was almost dancing with joy.

Tang Hao raised his hand, and a Dao attainment pill flew out. When the man swallowed it and was about to attack, Tang Hao smiled shyly and said, “Senior, actually ... I still have more. Do you want more?”

As he spoke, he took out another Dao attainment pill.

Yun Si was petrified instantly. His eyes widened in shock. “This kid has four DAOs ... No, five DAOs. My God, six DAOs ... He has six DAOs!”

It was too terrifying!

Was this kid really still human?

He stood there in a daze as he watched the brat in front of him take out one Dao bead after another. His mind was already shocked to an extreme degree!
