

The Mightiest Little Peasant Chapter 2909

“This golden seal ...”

Tang Hao said as he took out the golden seal.

“Young master Tang, please accept this golden seal! This immortal Palace is what you deserve!” Grand Elder Yun said hurriedly.

“Alright then! I’ll accept it!”

Tang Hao did not decline.

This golden seal could control the entire Mountain Gate, and this Mountain Gate could also be moved, which was very convenient. In addition, there were many genuine immortal arrays inside. It was indeed a good place, more magnificent than his Haotian Daoist sect, and had a stronger defense.

He was going to bring the gate back to Pangu and give it to his own disciples.

“Someone is bombarding the formation outside!”

At this moment, a member of the Yun family walked out of the hall and looked outside, exclaiming in surprise.

“This is bad!”

Grand Elder Yun looked outside and his expression changed.

There were nine magnates outside, and many 36-star people. There were many peak experts. Once they broke through, they would not be able to stop them.

“Young master Tang, quickly activate the formation to block them. When feiwan refines the immortal mansion and refines a few Dao attainment beads, she will be close to the realm of Ascension. Then, we won’t be afraid of them.” He said to Tang Hao.

“There’s no need for that!”

Tang Hao smiled and shook his head.

“Young master Tang, don’t you know that they have already determined that you incited our Yun clan to make this killing plan? when they see you here, they will confirm this guess.”

“When the time comes, it’ll be useless even if you explain to them that it was Yun si who did it. They’ll even capture you and imprison you!”

Grand Elder Yun said.

“Yup! You go first, use the golden seal to transfer yourself away and don’t show your face. When I refine my Dao, I can stop them.” Yun feiwan walked over and said anxiously.

“No need!”

Tang Hao smiled at them and said, “I’ll go out now and settle this. You guys can stay in the hall!”

After he finished speaking, he turned around and walked towards the entrance of the hall.

“But ...”

Yun feiwan opened her mouth and was about to stop him, but the figure had already disappeared from the door.

“Al! What do we do now?”

Grand Elder Yun was also a little anxious. Even though young master Tang had the cultivation base of the six paths and was extremely powerful, he could not stop so many Dao integration stage cultivators and old monsters at the pinnacle stage outside!

The group of people outside had gathered all the most powerful forces in this celestial realm!

How could he fight against the entire celestial realm by himself?

At this moment, outside the Golden immortal Palace, countless figures were surrounding it, forming small camps. Each of them took out their own treasures and attacked the immortal Palace in front of them.

Boom! Boom! Boom!

The deafening explosions continued.

“Someone’s coming out!”

Suddenly, someone exclaimed.

Everyone’s movements stopped immediately and they all looked forward. They saw a figure flying out of the bright divine light. He was dressed in white and looked like an immortal. It was the demon surnamed Tang.

“It’s him indeed!”

“This is too hateful!”

After seeing it clearly, everyone was in an uproar.

At first, many people did not believe it. But now, seeing this person fly out of the immortal Palace, they no longer had any doubts.

“It’s really him!”

Ning Yuzhen was stunned and surprised.

“Hmph! Let’s see what you can do now!” Then, the corners of her mouth curled up and a smug look appeared on her face.

Today, each of the nine magnates had a Dao master leading their team. There were also 36-star forces, each of which had a peak expert. There were also many peak experts on the planet of the sacred beast. No matter how strong this guy’s magical power was, he couldn’t do anything.

He would be suppressed and then humiliated and expelled from the origin immortal realm!

“You’re really bold, Tang kid! Do you really think that there’s no one else in the origin immortal realm?” Someone from the Xuanyuan clan’s camp jumped out and cursed in a high-pitched voice. It was none other than Xuanyuan long.

“You’re too vicious, Tang kid. You’ve infuriated both the gods and the humans. We’ll have to arrest you and put you down today!”

On the side of the great emperor mountain, the successor of the Echelon shouted sternly.

“Kid, do you still remember me? You tricked me in the body of the star Devourer beast!” The Wu clan’s elder also roared, “today, I, the elder, will take revenge for this! Just you wait!”

Tang Hao walked forward step by step, his eyes calmly scanning his surroundings.

“Do you really think I did it?” He shouted.

“Who else could it be if not you?”

“You’ve already come out of the immortal Palace, and you still want to quibble? Do you think we’re all idiots?”

Angry curses erupted from all directions.

“Don’t quibble, Tang kid. It’s obvious that you incited the Yun family to set up this killing trap, which resulted in such a great sin. You’re guilty of the most heinous crime. We’re suppressing you on behalf of the heavens.”

Ning Yuzhen said coldly.

The corners of her mouth lifted slightly, and she couldn’t hide the smugness on her face.

“It seems that explaining is useless!” Tang Hao said.

“Young master Tang, we all saw with our own eyes that you came out of the immortal Palace. It’s best if you don’t resist. After we suppress you, we’ll send you out of the origin immortal domain. Don’t ever step in here again,”

The Lingxiao holy man said.

“Suppress me? Do you even have the ability to do that?”

Tang Hao laughed disdainfully.

“Hahaha! What a big tone!”

“He must be blind! Can’t you see that there are so many Dao Masters and old monsters at the peak?”

The crowd was stunned at first, then they burst into laughter.

They all felt that this brat was too arrogant and overconfident. He had just reached the Dao integration stage and was not even a hundred years old yet. Where did he get the confidence to talk big to them?

Even the Lingxiao holy man furrowed his brows and thought that this kid was too arrogant.

“If you want to suffer, then do as you wish!”

He snorted and did not speak again.

“Who’s first? Or do you want to attack me together?”

Tang Hao shouted coldly as he surveyed his surroundings.

“Motherf * cker! He’s too F * cking crazy!”

Everyone was getting more and more furious.

They had never seen such an arrogant fellow!

“I’ll do it!”

A delicate shout suddenly exploded.

From the Jing Yan house’s camp, a beautiful figure flew out. It was a woman in her thirties, wearing a white dress and carrying a flying sword.

She was quite beautiful, but at this moment, her face was covered with a layer of frost and was full of murderous intent.

“Boy, you’ve humiliated my Jing Yan house several times. Today, I, the elder of Jing Yan house, will capture you.” She shouted coldly, and the aura around her suddenly burst out, and the light of the blazing sun rushed into the sky.

“Qiang!”

The next moment, the ancient sword on her back was unsheathed, bringing with it a world-shaking sword Qi.

“It’s elder autumn water!”

“Her cultivation base is at the third Dao. Ordinary Dao integration cultivators can’t compare to her. She’s more than capable of defeating this kid!”

Everyone looked at him and nodded.

That arrogant brat had just advanced to the Dao condensation realm when he was at Cangliu. He had only advanced to the Dao integration realm after killing the spirit-devouring evil child. How could he stop an expert with three Dao attainment levels when he only had one Dao attainment?
