

The Mightiest Little Peasant Chapter 2914

The crowd around the immortal Palace was in an uproar.

Here, xiuzhe from all over the starry sky were gathered. Their faces were full of shock and excitement.

The battle just now was too shocking!

They had gathered the nine magnates, the top forces of the 36 stars, and more than 60 peak experts, but they were still no match for the monster surnamed Tang. They were defeated and had to pay the price of their cultivation to seek peace.

“He’s definitely a great emperor! An unrivaled great emperor who’s not even a hundred years old!”

“It’s really too heaven-defying!”

They shouted excitedly, their faces filled with admiration and amazement.

Originally, this monster was already powerful enough. He was less than 100 years old, but he could already kill Dao integration experts. The battle at Cangliu shook the starry sky.

Now, he actually revealed a strength that dominated a region and was almost invincible, which was really shocking.

A hundred-year-old invincible Emperor!

They had never heard of such a thing before. They had never even heard of such a legend.

This was because it was too ridiculous. Even legends would not dare to make up such a story.

And such an outrageous and even absurd thing had happened in front of their eyes.

“Not to mention this ten thousand years of history, even in the ancient times, I’m afraid that those true immortal successors were not so monstrous!” Someone sighed.

This mysterious monster was truly a monster to the extreme. He had exceeded the limits of their imagination.

In front of him, those powerful legendary great emperors such as Ao Tian and Guan Lan seemed to be child’s play.

“Hurry up! Send this news to the spiritual void realm. ”

Someone immediately went to the spiritual illusion realm and spread this shocking news.

The spiritual void realm, which was originally quite calm, exploded all of a sudden.

Everyone was dumbfounded.

One person had dominated an entire region!

How terrifying was his strength? furthermore, he was a monster who was not even a hundred years old. How terrifying was his talent?

“It’s ... It’s fake!”

Everyone’s first reaction was the same, because this news was too shocking.

However, as more and more people rushed into the spiritual void realm, they had no choice but to believe it.

The entire spiritual void realm was boiling.

When they went offline and spread the news, the stars in the starry sky gradually became excited.

Across the starry sky, countless xiuzhe were shocked by this news and started to discuss it.

“Invincible Emperor?”

In a corner of Azure meteor star, ye zhenglong sat in a daze in the unremarkable entrance of the great fate sect.

In his hand, there was a purple crystal.

He had just come down from the spiritual void realm, and his mind was still in extreme shock.

The guy he had once regarded as a cripple and wanted to drive out of the sect was not just an ordinary nine tribulations, but an invincible great emperor?

He couldn’t imagine it. For him, the ninth tribulation was already unattainable, and his magical power was incomparably powerful, let alone the Supreme expert who was above this immortal realm and was known as the great emperor.

He sat in a daze for a long time. Suddenly, he shook his head and laughed bitterly.

There was a bit of regret and self-mockery in that smile.

If he had not chosen to do so back then, the ending might have been different. His great fate sect would have risen and become a top power.

And if he had treated Siyao a little better, perhaps he would have had a different ending now. He wouldn’t be sighing in this broken sect, but in one of the nine big shots, Star Mountain.

However, this was only an ‘if’!

As he thought of this, his heart became more and more bitter.

On the other hand, in the cloud Sea to the East of the cloud continent, the Ji family was in a jubilant mood.

“I knew that the Holy leader was extraordinary! He had the potential of a great emperor! You see, I’ve guessed it!”

“Hahaha! From now on, our Ji family also has the great Emperor’s backing!”

The elders of the Ji family all laughed, overjoyed.

“Fellow Daoist Tang ... He’s already so powerful?”

In the mirror flower Palace of rain continent.

Mirror flower Palace mistress was stunned when she heard the news.

After a long time, he came back to his senses and sighed.

Back at the Royal immortal gathering, that person had only just reached the Dao glimpse realm. It was also at the immortal gathering that he killed the divine ancestor three corpses and reached the Dao gathering realm.

And how long had it been since the immortals gathering?

It seemed to have happened in the blink of an eye.

However, this person had already become an invincible great emperor, dominating the starry sky and shocking the world. It was said that this person’s cultivation had reached an unimaginable level. He might have reached the ninth Dao attainment realm.

And this was already beyond the realm of Ascension of eight Dao attainment.

“Fellow cultivator Tang is truly not an ordinary person!” He sighed repeatedly, feeling extremely emotional.

In all places of Cang Liu, Great Yan Immortal Dynasty, spirit Vulture Palace, great sun Palace, Gu God sect, and other forces, they were all sighing with the same emotion and exclaiming in admiration.

In the sacred beast immortal Palace, the Ji family members were still a little dazed.

It was not until that figure had entered the center of the hall that they came back to their senses.

Even great elder Yun, Yun feiwan, and the others were still in a daze.

Everything that had happened outside just now was too unreal.

“Where did this person come from?”

Grand Elder Yun looked at the figure and could not help but smile bitterly in his heart.

There was no such heaven-defying figure in the ancient Saint Beast immortal Palace!

“It’s fine now! Now, what are you going to do?”

Tang Hao said, looking at Grand Elder Yun.

“This ...” Grand Elder Yun hesitated for a moment before turning around and looking at Yun feiwan.

“Originally, we wanted to get the treasures in the immortal Palace and prepare to ascend. But we didn’t expect such an accident to happen. I’m going to wait for a while before preparing for the Ascension!” Yun feiwan frowned and said.

She looked at Tang Hao apologetically.

“Alright!”

Tang Hao said.

Grand Elder Yun looked left and right and said, “You two take your time to chat. I’ll bring my men out and find a mountain to settle down in.” Then, he waved his hand and led the Yun family out of the hall.

Soon, only Tang Hao and Yun feiwan were left in the hall.

The two of them looked at each other in silence.

“You ... Won’t blame me, will you?”

She pursed her red lips and said in a low voice.

“Blame you for what?” Tang Hao was surprised.

“It’s my fault for leaving without saying goodbye that day. Also, just now ...” Yun feiwan whispered.

“No, I didn’t!”

Tang Hao said, shaking his head.

“That’s good!” She mumbled, “the reason I left without saying goodbye that day was that I was afraid that I wouldn’t be able to bear to leave after you woke up. That’s why I left without saying goodbye.”

“I thought that we would never see each other again after that. I didn’t expect that we would meet again under such circumstances! Besides, you’ve saved me once again. I don’t even know how I can repay your kindness.”

As she spoke, she slowly walked over and approached.
