

The Mightiest Little Peasant Chapter 2919

“E-elder, you ... You ...”

The blue-robed woman stood rooted to the ground with a dazed expression.

She was a little confused.

At first, the elder’s face was cold and stern. But suddenly, his face changed and became extremely warm. He even started to flatter and fawn on the man as if he was a big Shot!

“Elder, this fanatic has injured our stellar mountain’s disciples!”

A disciple shouted.

“What fanatic? don’t talk nonsense. This is an honored guest, an extremely honored guest of our Star Mountain. You must be in the wrong for him to attack. You should be the ones to be punished. I’ve decided to send you to the desolate star and stay there for ten years!”

The elder turned around and shouted sternly.

“Ten years?”

“Elder, you’re crazy!”

The group of disciples all exclaimed in disbelief.

The elder did not punish the arrogant disciple but wanted to punish them instead. They had to go to the desolate star. That was not a place for humans to stay. It was the most severe punishment for disciples in the sect.

“Impudent!”

The elder flicked his sleeves and shouted, “you’ve only been punished for rebelling against this person for ten years. That’s already very good. Do you want to die? Are you guys blind? you still can’t see this person’s identity!”

When the group of disciples heard this, they were all stunned. They fixed their eyes on the white-robed figure.

“Could he be ...”

The blue-robed woman seemed to have thought of something. Her body trembled, and an extremely shocked expression appeared on her face.

He was dressed in white and had such an outstanding temperament.

Moreover, to be able to make him, the elder of the star Mountain, so Revere him, in addition to the previous rumors, this person's identity was already obvious.

"How is this possible ..."

She mumbled, her expression completely dazed.

She had never thought that this trash surnamed ye would actually have a relationship with this person. Furthermore, it was such a close relationship.

Then, she felt waves of regret and fear.

If she had known earlier that this person was really related to this ye, she would not have dared to provoke this ye person even if she had ten guts. She would have tried to curry favor with him!

"The white-robed Emperor! He's that heaven-defying monster!"

A disciple cried out in shock.

"You recognize it, right? Hurry up and apologize!" The elder said in a bad mood.

This group of disciples didn't even have the ability to see through things. They couldn't even recognize this person and almost caused him great trouble. Naturally, he didn't have a good expression.

"We pay our respects to the great emperor!"

The group of disciples were already scared out of their wits and knelt down one after another.

Tang Hao grunted and waved his hand.

"Get lost! Report to the desolate star later!" The elder shouted.

"Many thanks, Your Majesty! Many thanks, elder!"

The group of disciples kowtowed a few times, then stood up and left in a hurry. Their faces were filled with joy.

They had offended an unparalleled great emperor. Even if he killed them here, the sect wouldn't have any objections. It was already very fortunate that they were able to keep their lives.

"Hahaha! That group of young people have eyes but failed to see and don't know your grace, great emperor. Please don't lower yourself to their level!"

The elder turned around and smiled at Tang Hao.

"Naturally not!"

Tang Hao said with a smile.

“That’s good! Your Majesty, you came here for this girl and su girl, right? Come, let’s go to the main hall first. Let my star Mountain Play the role of a host and entertain you well. I’ll call the SU girl over and let you meet her. ”

The elder said.

“Alright!”

Tang Hao nodded happily. He brought ye Siyao with him and followed them to the main hall of the star Mountain.

On the way, the elder sent out a few Jade talismans to spread the news. They had not even arrived, but the main palace was already in an uproar.

“What? That unrivaled great emperor came to our Star Mountain? When will he arrive? F * ck! He’s already here?”

“Hurry! Let’s go take a look and witness the great Emperor’s grace!”

The palaces and towers on the mountain peaks around the main palace were in an uproar.

After hearing the news, countless disciples of Star Mountain rushed out excitedly.

Especially the young disciples, all of them seemed to have been injected with chicken blood as they trembled with excitement.

“The great emperor is here?”

“Where is the great emperor?”

They shouted and rushed over from all directions, gathering in the main hall.

“He ... Is here?”

At this moment, in a Pavilion, a beautiful and gentle woman suddenly opened her eyes and took a jade talisman. She opened it and was stunned.

The next moment, she stood up, her face filled with ecstasy.

Because she was too excited, her delicate body was trembling, and the hand holding the Jade talisman tightened.

She moved and was about to rush out, but when she reached the door, she stopped.

“I don’t look good in this dress, I need to change ...”

She lowered her head to look and her brows furrowed.

“I still need to comb it!”

She returned to her room, picked up her clothes, combed them, and dressed up carefully.

“We meet again, fellow cultivator Tang!”

When Tang Hao arrived at the main hall, he saw the Huang Liang holy man taking the lead to welcome him. Behind him, there was a huge crowd of people stretching their necks to look in their direction. The atmosphere was extremely lively.

“Is there a need for such a big battle formation?”

Tang Hao said with a bitter smile as he looked around.

“Hey! We didn’t call for this, they insisted on coming. It’s all because you’re too famous, fellow Daoist. Who in the origin immortal domain doesn’t know of your name, the white-robed Emperor?”

The Huang Liang holy man laughed.

“Waa!”

Behind them, ye Siyao looked left and right, her face full of surprise.

This was the first time she had seen such a big crowd.

“My friend, please come in. Later on, the Zi Wei holy man of the star Mountain will also come to see you. He has been thinking about you for a long time. Since you are here, it’s a good time to meet you.”
The Huang Liang holy man led Tang Hao into the main hall.

“Ziwei?”

Tang Hao’s expression changed.

He had heard of this name before. There were many Dao Masters on the star Mountain. Among them, the Ziwei Dao master was the most senior and the most powerful. It was said that she had not appeared for a long time and was preparing to break through to the Ascension realm.

“It’s good to see her!”

Tang Hao said.

Under the warm welcome of the stellar mountain, he entered the hall and sat down.

After chatting with the Huang Liang holy man for a while, a figure entered the hall.

“Greetings, Dao master Ziwei!”

Outside, there was a wave of respectful shouts.

“Senior brother!”

The Huang Liang holy man also stood up and greeted respectfully.

Tang Hao focused his gaze on the man. He was dressed in a purple robe. He looked young, no more than forty years old. His face was dignified, and the aura he exuded was stronger than that of an ordinary peak stage cultivator.

“He should have reached the realm of seven or eight Dao attainment!”

Tang Hao said to himself.

“Greetings, fellow Daoist Ziwei!”

Then, he stood up and cupped his hands at the man.

When the Ziwei holy man looked over, he was shocked. Then, he laughed heartily and walked over.

“I’ve heard of your reputation for a long time, fellow Daoist. Now that I’ve seen you, you’re really extraordinary. I don’t know which force is fortunate enough to cultivate a talent like you, fellow Daoist. I really envy you!”

“Don’t just stand there, sit down! Today, let’s have a good chat, talk about the Dao, discuss the Scriptures, and Exchange ideas. ”

After some small talk, he invited Tang Hao to sit down and started chatting.
