

The Mightiest Little Peasant Chapter 2924

“Xuanyuan bastard, you’ll all die a horrible death!”

Behind the white-haired old man, the crowd gritted their teeth and cursed.

“Hahaha! Curse! Curse as hard as you can! You won’t have the chance later!” Xuanyuan chengjie burst into laughter at the bow of the ship.

“Actually, I didn’t want to start a massacre. Who asked your Li family to be so ungrateful? if you had handed over the treasure earlier, there wouldn’t be so many problems! Your Li family’s hundreds of thousands of clansmen won’t have to die!”

He sneered.

“Dog thief, you killed so many of my Li family’s people, and you still want me to give you the treasure? You’re delusional! Even if I can’t leave today, I’ll destroy this treasure before I die. I won’t let you get it.”

The white-haired old man shouted sternly.

His eyes were blood red and his hatred was monstrous.

“You dare?”

Xuanyuan chengjie was furious and shouted.

“Why wouldn’t I dare!”

The white-haired old man shouted angrily.

As he spoke, he took out a small box and pretended to destroy it.

“You better stop!”

Xuanyuan chengjie shouted hurriedly.

He had taken a fancy to this treasure and was going to present it to the 13th ancestor as a birthday gift. If it was destroyed, where would he find other treasures?

“Hmph! I won’t let you get this treasure! Today, my Li family will perish with you!”

The old man grabbed the box and rushed toward the Xuanyuan warship. A violent Qi appeared around him.

“That idiot!”

Xuanyuan chengjie’s expression changed.

He was going to self-destruct!

If it really exploded, then the treasure would be destroyed.

“Patriarch, we’ll do as you wish!”

The Li family members behind also ignited their auras and were about to charge forward.

“F * cking idiots!”

Xuanyuan chengjie’s face turned even uglier. He waved his sleeve, and layers of light screens spread out on the warship.

Even if this group of people self-destructed and crashed into the ship, they would not be able to hurt him at all.

What a pity for that treasure!

That was an ancient divine item, incomparably precious!

“Wait!”

However, at this moment, a deep voice came from the side and entered everyone’s ears.

The group of crazy Li family members also stopped.

“Who is it?”

Xuanyuan chengjie was stunned. He turned around and saw a small ship slowly approaching.

“It’s the ship just now!”

He muttered.

As soon as he jumped out of the void, he caught a glimpse of the ship, but he didn’t pay much attention to it.

“Are you blind? can’t you see that Xuanyuan is here? do you think you people from the Tongtian region can meddle in the affairs of my clan?” A Xuanyuan Dao integration stage cultivator bellowed.

He had thought that the ship would quickly flee after he revealed the name of the Xuanyuan clan.

However, the result shocked them.

The ship continued to sail as if it had not heard their words. Two figures could be vaguely seen on the ship, but they did not even look at Xuanyuan.

“Can you let me take a look at this treasure?”

On the star Shuttle, Tang Hao looked at the old man from the Li family and smiled.

The old man from the Li family held the box and was stunned.

Who was this guy?

Was he crazy?

Can't you see that this is the Xuanyuan clan?

Even if this was the Tongtian region and not the Tianhuang region, he should know how powerful the Xuanyuan clan was! Once they offended the Xuanyuan clan, they would be exterminated!

No matter how high one's cultivation was, no matter how great one's power was, there was only the end of being annihilated!

"Fellow Daoist, if I'm satisfied with this treasure of yours, I'll guarantee that you'll be safe this time."
"What do you think?" Tang Hao asked.

When the old man from the Li family heard this, he was even more stunned.

Where did this idiot come from?

Protect him from Xuanyuan? This tone was too big!

"Hahaha!"

On the Xuanyuan warship, everyone was stunned at first, then burst into laughter.

"Where did this idiot come from?"

"I don't think he has heard of our Xuanyuan clan!"

The Xuanyuan clan's people sneered.

"I'm afraid he's an arrogant dandy who came from some corner!"

Seeing the situation on the ship, Xuanyuan chengjie sneered.

The white-robed female cultivator was extremely beautiful, and she was even standing behind that person with the attitude of a servant. This showed that the two of them had a master-servant relationship, and the one who dared to be so arrogant should be a young man who had never seen the world.

Anyone with a bit of experience would have heard of the Xuanyuan clan.

“This woman is not bad. Later, I’ll kill her and snatch her. She can be used as a human cauldron or as a gift. It’s been a long time since I’ve seen such a top-grade woman, and she’s still a Virgin.”

After sizing up the female cultivator, he smiled again, and a hint of lust appeared in his eyes.

“Fellow Daoist, you should leave quickly! I don’t need you to save me, and you can’t save me! Don’t get yourself involved!” The old man from the Li family shouted as he came back to his senses. He waved his hands at Tang Hao, signaling him to run.

“Hahaha! It was too late! Since he’s already opened his mouth and got involved in this matter, he’s already a dead man!”

Xuanyuan chengjie said with a cold smile.

He wanted that treasure, and he also wanted this woman.

“Fellow cultivator, since I’ve spoken, I naturally have the confidence. Just tell me what treasure it is. If I’m interested, I’ll save you and ensure the safety of your Li family!” Tang Hao said to the old man without even looking at the Xuanyuan warship.

When the old man heard this, he was stunned.

Was this guy really stupid, or did he not understand human language? Couldn’t he see how terrifying the Xuanyuan clan was?

“I’ll tell you! That was the magical eye of the ancient divine beast, Ling Hua! It’s the most mystical eye in the world, it can see through everything, even the six paths of reincarnation. ”

Xuanyuan chengjie sneered, “so, are you interested?”

“The spirit truth divine eye?”

Tang Hao was shocked.

Then, a fiery look appeared in his eyes.

This was indeed a good thing!

It was a legendary divine item!

The pair of heaven’s eyes that the longevity Supreme had cultivated was already powerful enough. However, they were nothing in front of this Dharma Eye.

“Of course I’m interested in such a divine item! Fellow Daoist, if you give me the treasure, I’ll guarantee your Li family’s safety!”

Tang Hao said.

“Fellow Daoist, stop joking!” The old man from the Li family said with a bitter smile.

“Hahaha! This guy is really funny. He said he wanted to protect the Li family, but what does he have to protect it with?”

There was another round of mocking laughter on the ship.

The members of the Li family also smiled bitterly.

The white-robed man in front of him might have some strength, which was why he dared to speak so arrogantly. However, how powerful could he be? could he defeat so many ninth tribulation powerhouses of the Xuanyuan clan?

The Xuanyuan clan’s people were right, so how could he protect them?

“It seems like you don’t believe me! Alright, I’ll kill this group of people first, then I’ll take the treasure!”

Tang Hao smiled. He tapped the ground with the tip of his foot and flew out of the warship. He arrived in front of the Xuanyuan warship in the blink of an eye and thrust his palm forward.

On the warship, Xuanyuan’s people were about to sneer, but the next moment, they were all shocked.

As the palm came, the huge ship under their feet trembled violently. The defensive light curtain exploded in an instant, followed by the bow of the ship.

Before they could react, the force of the explosion had already spread throughout the entire ship.

A Starship that was hundreds of thousands of feet long was blown into pieces.

An unparalleled force surged over and sent them flying.

“You ... You ...”

Xuanyuan chengjie’s sneering face widened in shock.

With a single palm, he destroyed the Xuanyuan clan’s Starship!

What kind of terrifying strength was this?

This was an old monster at the peak of cultivation!

“You’re so bold! We are the people of the Xuanyuan clan! You dare to make an enemy of my Xuanyuan clan?”

Then, he shouted sternly.

“The Xuanyuan clan? What the hell! They’re just a bunch of rebels!”

“Hmph!” Tang Hao grunted coldly. He moved like a ghost and struck out with his palm.
