

The Mightiest Little Peasant Chapter 2925

Bang!

The protective divine light on his body exploded in an instant. Then, his treasured clothes also exploded, followed by his flesh and blood.

Half of Xuanyuan chengjie's body exploded and he flew backward.

He howled miserably and his expression was filled with extreme fear.

He had never met such a person who did not fear his Xuanyuan clan at all.

"You can't kill me! If you kill me, the 13th ancestor won't let you off!"

"You bunch of trash, save me!"

He shouted in all directions.

However, before the Xuanyuan clan members could come to his aid, the figure in white had already arrived. With a cold expression, he struck out with his palm again.

Bang!

This palm was even more powerful.

Without the protection of the treasured clothing, his entire body exploded.

"Stop!"

At this moment, the Xuanyuan clan members rushed over and blasted out divine light at the white-robed figure.

"You're looking for death!"

Tang Hao's body trembled, and a monstrous aura burst out of him.

In his body, more than 100 Dao beads trembled violently, releasing a world-shaking aura.

Peng Peng Peng!

The beams of divine light in all four directions paused for a moment before exploding.

Then, it was as if those figures had been struck by lightning. Many of them spat out blood with a pfft and flew backward while screaming.

"Oh my God!"

“What kind of monster is this!”

The four figures were sent flying in succession, looking extremely miserable.

By the time they stopped, their expressions were already extremely terrified.

This was an imposing manner!

Even a Dao integration expert could not withstand such a terrifying aura.

Just his aura alone was already so powerful. Just how terrifying was this guy’s cultivation?

It was impossible for ordinary peak experts to be so powerful!

“You ... You ...”

Xuanyuan chengjie was also dumbfounded.

His eyes were wide open, and his body trembled in extreme fear.

“You, die!”

“Die!” Tang Hao shouted coldly. He struck out with his palm again and blew it up. Then, he took out the divine furnace and suppressed it.

“What is this? Life token? You’re even made of divine gold. I’ll refine you first!”

Tang Hao found a token on the man’s body. It was made of immortal gold.

Upon closer inspection, he could sense some powerful spiritual will on it.

He activated the divine fire and started to refine the token. Before the powerful divine thoughts on it could react, he had refined the entire token. Then, he used the divine fire to envelop the divine thoughts and refined them all.

“Do you know what you’ve done? He is a genius of the Xuanyuan clan’s echelon. If you really kill him, you won’t be able to pay for it even with a hundred lives!”

“Why aren’t you releasing him!”

The Xuanyuan clan’s nine tribulations cultivators all shouted anxiously.

The people in the furnace couldn’t die. If they did, they would be severely punished when they returned.

“You guys should worry about yourselves first!”

Tang Hao chuckled. With a flick of his sleeve, beams of divine light shot out and turned into a great formation that suppressed the entire area.

“I’ll start with you!”

His body swayed as he charged toward the nearest Dao integration expert.

First, he exploded with palm after palm, so much so that he didn’t have time to reincarnate. Then, he was suppressed into the great void divine furnace.

One, two ...

Soon, the nine tribulations of Xuanyuan were put into the furnace and refined.

The rest of the people were terrified. They attacked the formation crazily and tried to escape, but they couldn’t break the formation at all.

Tang Hao was not in a hurry. He smacked them one by one and then killed them.

Not far away, the group of Li family members were dumbfounded.

“Old ... Old ancestor, this ... This isn’t a dream, right?”

“What ... What realm is he at?”

They mumbled, their expressions extremely dazed.

“I don’t know either!”

The Li family elder mumbled.

He had long been stunned. The white-robed man in front of him was so powerful that he was terrifying!

“Alright, I’m done!”

After killing the last person, Tang Hao flicked his sleeve and put away the formation flags. He then walked toward the Li clan.

“I’ve already killed him, so it’s time to hand over the treasure!”

He looked at the old man and said coldly.

“Alright!”

Li family elder came back to his senses and hurriedly handed over the box in his hand.

“Many thanks to fellow Daoist for helping my Li family take revenge! My Li family will forever remember your kindness!” Then, he knelt down in the air and started to kowtow.

“Many thanks, senior!”

The rest of the Li family followed suit.

“There’s no need for that!”

Tang Hao waved his hand.

The reason why he took action was firstly for the sake of the treasure, and secondly, he couldn’t stand the Xuanyuan clan. For the sake of a treasure, they massacred an entire clan and even chased them all the way to the Tongtian region. The Xuanyuan clan’s behavior was no different from that of an evil demon.

Therefore, he decided to take action and finish them off. Not only would he get a Supreme divine item, but he would also get the cultivation of these Xuanyuan clansmen, killing two birds with one stone.

“Another 12 Dao attainment!”

In his body, the divine furnace had already refined the cultivations of those people. He put them all into the immortal abode and refined them easily.

At this moment, his Dao attainment had reached 115.

Then, he opened the box, and his expression became even more joyful.

Inside, there was a ball of bright golden light. Upon a closer look, it was a strange eye. It was as big as a fist and was completely golden. It was like a gem, bright and gorgeous.

“It’s indeed the spirit God’s eye!”

He sensed it carefully and nodded.

He could even sense the soul of the divine beast spiritual puppet with this Dharma Eye.

“This is a good item. After I refine it properly, I’ll incorporate the functions of the heavenly eye, the heavenly Demon Eye, and all the other abilities of the divine eyes into it. This will be a Supreme treasure!”

Tang Hao pondered for a while and had many ideas.

“Alright, you guys can go!”

He kept the Dharma Eye and waved at the Li family.

The Li family elder stood up and hesitated for a moment before saying, “Fellow Daoist, we don’t know where to go either!”

“Go in that direction, the further the better!”

Tang Hao raised his hand and pointed in the direction of the origin immortal domain.

“Now that these people are dead, the Xuanyuan clan will surely track them down. The further you go, the safer you will be.”

“Alright!”

The Li family elder nodded and was about to leave with everyone.

“Wait, you can have this!”

Tang Hao flicked his sleeve, and a ship flew out. It was the one he had obtained from the Xuanyuan clan. “We’ll replace this ship when the conditions are right ... By the way, have you heard of the mystic fairy Pearl?”

“Has the mystic Fairy bead ever appeared in the Tianhuang celestial realm all these years?”

“The mystic Fairy bead? I’ve never heard of it!”

Many of the Li clan members shook their heads.

However, the Li family elder frowned and said, “The mystic Fairy bead? There seems to be such a treasure, but that was a long time ago. I’ve only heard about it through hearsay, so I don’t really know much about it.”

“I remember it. I have a deep impression of it. Back then, a genius appeared with a Mystic fairy Pearl, which caused quite a stir. However, the strange thing was that there was no more news about it, so I don’t know where the mystic fairy Pearl ended up.”

Beside him, a middle-aged man said, “senior, if you’re looking for the mystic fairy Pearl, go to this place, the cloudbillow star. It’s the place where that genius appeared.”

Tang Hao’s expression changed when he heard that.
