

## The Mightiest Little Peasant Chapter 2933

“That’s right! We have nothing to be afraid of. If he wants to come, then let him come.”

Many ancestor-level characters nodded and agreed.

With the strength of the Xuanyuan clan, they didn’t need to fear anyone or any force!

If that guy dared to come to his door, he would only die.

“I’m just a little worried,” the first ancestor said with a frown. “Our Xuanyuan clan hasn’t been peaceful recently! Didn’t a successor and a ship full of clansmen just die not long ago?”

The moment these words came out, the hall instantly fell silent.

Everyone’s expression was grave.

This was the first time a successor to the Echelon had died!

Compared to this mysterious person who had threatened to kill his way to the Xuanyuan clan, this person who had dared to kill the Xuanyuan clan’s successor was undoubtedly more dangerous.

“I’ve already sent many people to investigate, but there’s no clue at all. That person is very cunning and didn’t leave any traces.” The 13th ancestor said with some regret.

“Continue the investigation. We must find the culprit and eliminate him completely. As for the current situation ... We don’t need to do anything. Just spread the word that we’ll wait for him to come and see if he dares to come. If he dares to bring people here, we’ll kill him and end this matter.”

The first ancestor said after a long moment of silence.

“Alright, that’s it!” With that, he flicked his sleeves and stood up.

“Yes, sir!”

The Xuanyuan clan members all stood up and bowed.

“Hmph! Bastard, just you wait, how dare you steal my treasure, I’ll make you die a horrible death. Even if you don’t come to my door, I’ll find you and exterminate your entire family!”

When he stood up, Xuanyuan Hongyi’s face was filled with unwillingness.

He desperately wanted to find that old man, take back the treasure, and wash away his shame!

As for Xiao Lingxi, he didn’t care at all. She was just a woman, and he had hundreds of women like her. It didn’t matter if one died.

“Go to cloudbillow planet and find out the identity of that old monster. I want to know where he came from. I want to exterminate his whole family!” He shouted.

When he returned to his own palace, he summoned his subordinates and sent them out.

However, he felt that it was unlikely that the old monster would really come to kill him. If he wanted to take revenge, he would have to investigate it himself.

There were many people who had the same idea as him. Many powers in this starry sky had sent people to cloud billow star.

However, by the time they arrived on cloud billow star, that person was long gone.

As for the blue water Palace, it had been reduced to ashes and no longer existed.

They wanted to investigate, but there was no way to do so. They couldn't find any trace of that person at all.

If they wanted to investigate outside of Tianhuang, they had to count all the major forces in the celestial realms around, but they couldn't find anyone who corresponded to this person. If they wanted to investigate more carefully, they had to send people to all the major celestial realms and check all the forces.

This was undoubtedly very time-consuming, and it would be impossible to have any results without a few years.

Many forces could only give up and return home.

During this time, the starry sky was still in an uproar.

Everyone was still tirelessly discussing this matter. No one noticed that during this period of time, many evil forces had been annihilated, and these forces had many ninth tribulation experts.

In fact, some of them even had quite a few peak-level powerhouses.

In the past, it would have caused a sensation, but at this moment, no one would pay attention to it.

Everybody was gazing at the direction of Xuan Yuan star area, waiting for that mysterious warrior and the force behind him.

In the blink of an eye, two months had passed.

That mysterious expert still had not appeared.

The world was a little disappointed.

“He's really scared!”

“To think I’ve been looking forward to it for so long!”

Many people cursed.

“I knew it! How could someone dare to attack the Xuanyuan clan? No one can shake the Xuanyuan clan unless a true immortal comes in person!”

Many people sneered.

They did not believe that the mysterious expert would go to the Xuanyuan clan.

“Why is there still no movement?”

Far away from the Xuan Yuan star area, in a bright area, a pair of eyes pierced through the layers of starry sky and fixed on the gate of the Xuan Yuan star area.

As usual, he looked around and was a little disappointed.

It was another peaceful day, and that guy didn’t appear again.

“Don’t tell me he’s really scared! That would be too boring!” He retracted his gaze and muttered.

“Hey! Master, you’re too stupid to believe that! In this world, who would dare to attack the Xuanyuan clan? not even our heavenly desolate Hall would dare to do so, who else!”

A boy with red lips and white teeth said.

“Who says we don’t dare! You little brat, what are you saying! Do we not dare to? That was unnecessary! Even the Xuanyuan clan doesn’t dare to attack us in the Tianhuang celestial realm!”

He immediately rebuked and flicked his finger.

“Also, I’m not stupid. I’m just bored. It’s not easy to have something to see, so how can I not be excited?”

He mumbled to himself and looked at the Xuan Yuan Galaxy with his divine eyes again.

“Eh? Who was that? He doesn’t seem to be from the Xuanyuan clan. He’s dressed in white ... And his face, even I can’t see through it. Could it be that guy?”

He looked around but found nothing. Just as he was about to look away, he saw a figure appear in the depths of the starry sky, walking towards the Xuanyuan Galaxy step by step.

With every step he took, his figure seemed to teleport, appearing in another place far away.

He was dressed in white, and his face was shrouded in a layer of light, making it impossible to see his appearance clearly. He was quite mysterious.

In an instant, his eyes narrowed and his mind trembled.

This person was extremely similar to the one in the rumors!

He actually came!

However, looking at the situation, he seemed to be alone. This wasn't right!

How could he dare to go to Xuan Yuan star area alone?

Wasn't this clearly courting death!

No matter how high your cultivation is, you can't defeat so many people from the Xuanyuan clan! What's more, there were many arrays of genuine Immortals in the Xuanyuan clan, as well as countless celestial reserves left by the ancestor. How could one person be enough?

"Master, what's wrong?"

The boy asked curiously when he saw the young man standing there with his mouth wide open.

"They're here! That guy is here!"

He mumbled to himself. With a wave of his sleeve, an image appeared in the hall. In the image, there was a white-robed figure flying through the starry sky.

"He really came?"

When the boy saw this, he couldn't help but be stunned.

He couldn't believe that this man dared to go to the Xuanyuan clan!

This was something that even the heavenly desolate Hall did not dare to do!

"He ... Why is he alone?"

Then, he shouted again, his eyes full of doubt.

At this moment, the white-robed figure in the image stopped. As if he had sensed something, he turned around and looked over.

"He sensed it! What a terrifying strength!"

The old man was shocked and exclaimed.

He was using one of the most precious treasures of the heaven desolate Hall, which was almost undetectable. However, this person sensed it almost immediately and even turned around to look. This kind of strength was truly terrifying!
