

## The Mightiest Little Peasant Chapter 2934

“Which celestial realm did this expert come from?”

Seeing the man turn around, he heaved a sigh of relief.

Although he couldn't see the person's face clearly, he could see his eyes. His eyes were like torches and lightning, and they were inexplicably sharp. When he looked into his eyes, he actually felt a trace of fear.

“Although this man is strong and might have the strength of a genuine immortal, it's still too difficult for him to shake the Xuanyuan clan. He might even die Here!”

Then, he stroked his long beard and sighed.

“This ... This is too crazy!”

The boy was dumbfounded.

One person dared to charge into the territory of the number one starry sky clan. This was simply crazy beyond limits.

“Eh? Who is this person?”

“It can't be that guy! Is he really here?”

Around the entrance of the Xuan Yuan star area, many people were waiting and watching. During this time, many forces had used all kinds of treasures to spy on the situation of the Xuan Yuan star area.

When they saw the white-robed figure, they were all stunned and could not believe it.

Originally, they had almost given up, thinking that this person would not come.

“It's him! Who else could it be other than him? He's really here!”

Very quickly, the entire place was boiling.

Among those forces, there was also some boiling.

They were all in disbelief. Not only did this person come as promised, but he had also exceeded everyone's expectations and came alone.

“Where did he get his confidence from? how dare he come here alone!”

They couldn't figure it out.

“That guy ... Is here?”

When the news reached the Xuanyuan clan, all the Xuanyuan clansmen were dumbfounded.

That guy really came!

He had come alone, but he was already outside the Stargate.

“There’s no mistake! You must have gotten the wrong person!” In a Golden Hall of the Xuanyuan clan, Xuanyuan Hongyi was refining elixirs when he heard the news that the old monster had come alone.

He was so stunned that he completely forgot about the pill in the furnace.

Bang!

The next moment, the furnace shook and the pill inside exploded!

Seeing the black smoke rising from the furnace, he was stunned again. Then, his face twitched violently, almost going crazy.

His pill was gone again!

It’s that bastard again!

“Good! Watch how I kill him! Wash away the humiliation with blood!”

He suddenly jumped up and rushed out murderously.

At this moment, the Xuanyuan clan was in an uproar. Countless divine lights shot into the sky from all the stars and headed toward the Stargate.

“I don’t know where this old monster came from, he really doesn’t know what’s good for him!”

“Let’s kill him and show the world the consequences of provoking our Xuanyuan clan!”

The people of the Xuanyuan clan all had contemptuous and mocking expressions.

Even if more than a dozen top forces attacked them, the Xuanyuan clan would not be afraid, let alone one person. In this star field, there were countless experts of the Xuanyuan clan and an unbreakable and powerful formation.

One person was just here to die!

“Hahaha! Just one person? Was he an idiot? Let’s go! I’m going to see a joke!”

The 13th ancestor laughed loudly in a Palace.

On the wall behind him, there was a painting. On the painting, there were clouds and mist, and many graceful figures appeared, like a dream.

He stood up, glanced at the painting, and sneered.

“I’ve already refined it into the painting, and you still want to take it back? Hmph! You must be dreaming!”

His figure flickered, and he left the hall, heading toward the Star Gate.

More and more people gathered in front of the Stargate.

The ancestral figures and elders of the Xuanyuan clan had arrived one after another. They stood in front of the crowd and looked out of the Stargate with a relaxed expression and a hint of sneer.

The guy outside had indeed come alone. Even if he still had some true immortal strength, he couldn’t do much.

“Bastard!”

Xuanyuan Hong looked at the figure outside and was so angry that his entire body was trembling.

It was this guy who had stolen his treasure and made him lose all his face.

“Where did he get his confidence from?”

The first ancestor stood at the front of the crowd. He narrowed his eyes, and his expression was grave.

Those who could cultivate to this level were no fools. Without some confidence, who would dare to act rashly?

The reason why this guy dared to come here was definitely because he had his own confidence.

But he couldn’t think of what kind of confidence this guy had to dare to let him come to his door alone.

“Perhaps this person is just arrogant by nature! I’m overthinking it!”

After thinking for a long time, he shook his head and muttered to himself,

“They’re all here. Don’t they know that their necks have been washed clean?”

In the blink of an eye, the white-robed figure had arrived in front of them. He swept his gaze across the Stargate and sneered coldly.

“You ...”

“Such big words!”

In the Stargate, the Xuanyuan clansmen were all furious.

The person outside was too arrogant!

“Hiss! Hiss! Hiss!”

The xiuzhe that were watching in the dark couldn't help but suck in a cold breath.

This guy was too F \* cking arrogant!

“Hmph! Where did this fanatic come from? how dare you be so arrogant in front of my Xuanyuan clan!”  
The first ancestor's face darkened as he rebuked angrily.

“Yup! I'm indeed much worse than your Xuanyuan clan. Your Xuanyuan clan is so mighty that you can kill whoever you want and Rob whatever you want. Who can be more arrogant than your Xuanyuan clan in this starry sky?”

Tang Hao laughed coldly.

“So what! My Xuanyuan clan is powerful enough, so we can do whatever we want. It's none of your business!”

“How dare you steal from my Xuanyuan clan and humiliate us! Today, I'll let you die Here and suppress your soul so that you will never be able to reincarnate!”

Curses could be heard from Xuanyuan.

“Alright! I'll just stand here, you guys come and kill me!”

Tang Hao said with a cold smile, his hands behind his back.

“Let me do it, first patriarch. He stole my treasure, and we have an irreconcilable enmity. It's a good opportunity for me to avenge my humiliation!”

Xuanyuan Hong immediately jumped out, his face flushed red as if he had been injected with chicken blood.

“Alright!”

The first ancestor thought for a moment, then nodded.

“This is a gift for you!”

As he spoke, he flicked his sleeve and a golden seal flew out. A Coiling Dragon was imprinted on it, and it exuded a strong aura of true immortality.

“Many thanks, first ancestor!”

Xuanyuan Hongyi was overjoyed.

It was a treasure with the power of a true immortal and one of the most precious treasures in the Xuanyuan clan.

With this treasure, he wouldn't have to fear that fellow's true immortal strength.

With his various means and treasures, he could definitely kill that guy easily.

"Patriarchs, please don't worry. In a moment, Hong Yi will kill this beast and wash away the shame of our Xuanyuan clan!"

He put away the golden seal, shouted, and rushed out of the Stargate.

"Old devil, die!"

He shouted at Tang Hao as soon as he stepped out of the Stargate. His expression was arrogant, overbearing, and proud.

Then, he waved his sleeve, and a golden immortal sword flew out.

He was dressed in a golden immortal robe, holding a golden immortal sword in his hand, and a golden immortal seal hung on his waist. The golden light around him was simply blinding, and the strong Qi of true immortal was about to break through the sky. He was simply a human-shaped Treasure Mountain.
