

The Mightiest Little Peasant Chapter 2953

“The scenery is great!”

Tang Hao climbed up great heaven peak.

On both sides of the road, there were verdant spirit trees that were shrouded in a faint immortal Qi, ethereal like an illusion.

When he looked up again, he saw a full moon hanging high in the sky.

The surroundings were quiet.

Tang Hao looked around and felt his mind calm down.

After returning here and seeing that the people he cared about were all fine, the stone in his heart finally fell to the ground.

He looked down and saw that the hall was still brightly lit, and there was a faint noise coming from it.

The people from the training hall were still there, celebrating!

He smiled and was about to continue walking up.

At this time, a burst of laughter came from the mist.

Following that, a figure flashed behind him and covered his eyes with a hand.

Her hands were cold and smooth to the touch.

“Guess who I am!”

A soft and charming voice rang in her ears.

At the same time, a warm breath was exhaled, gently blowing on his cheek. A strong fragrance followed and entered his nose, causing his mind to be swayed.

“Do I even need to guess?”

Tang Hao chuckled.

This unique and charming voice, who else could it be other than her!

“Aiya! How boring! I wanted to give you a surprise!”

Ji xuanmei mumbled.

She released her hands and moved them down, wrapping them around his waist. Her curvaceous, devil-like figure pressed against him and hugged him tightly.

“You’re really a bad guy! You’ve made me worry for so long ...”

She rested her face on his shoulder and muttered, “do you know? I went to many places and looked for you for a long time ... If it wasn’t for the fact that the passage was controlled by the Tang Clan and I couldn’t get out, I would have gone with little li ‘er.”

“Little li ‘er?”

Tang Hao was surprised. He realized it was Master Li.

“Yup! I’m on very good terms with little li ‘er now, good sisters!” She chuckled.

“Why did you add the word” small “?”

“She’s not that young either!” Tang Hao was confused.

“How do you know she’s not young? Could it be ... You’ve touched it before? I heard little li ‘er say that there was no such thing!” She said mischievously.

“What touch ...” Tang Hao was shocked.

The next moment, he finally reacted and felt embarrassed.

“She’s not young, but she’s not as old as me. Moreover, she’s a little younger than me, so of course I’ll call her little li ‘er!” Ji xuanmei chuckled and her tone was a little proud.

Who can compare to you!

Tang Hao smiled wryly.

“Little rascal, are you doing this on purpose?”

Ji xuanmei said.

“What?”

“I heard that you’re now more than 200 Dao attainments, and you still want to create many true immortals. Why don’t you ascend yourself? If I get promoted, then I can eat you up with a legitimate reason!”

She said in a charming voice.

As she spoke, she gently blew at him and blinked her beautiful eyes. She was full of playfulness and teasing.

“Cough, cough! This ... There’s no hurry!” Tang Hao coughed and said.

“I’m very anxious! If I had known, I wouldn’t have allowed that kind of oath. Wait for you to vindicate Dao, it’s too torturous!” She pouted her little mouth, feeling exceptionally remorseful.

“Hehe! I was just joking! Since I’ve already said it, I naturally have to wait, and I don’t think I’ll be waiting for too long! I’ll give you a kiss first as interest!”

She leaned over and planted a kiss on his cheek.

“Originally, I wanted to stay with you for a while longer, but little Li ‘er is here too. As her sister, of course I have to be magnanimous, so I gave you to her!” She chuckled and let go.

“You little rascal, you have to wait for me!”

She flashed in front of Tang Hao and smiled at him.

He leaned over and gave her a light kiss. She then floated back and disappeared into the mist.

Tang Hao stood where he was for a while.

He thought back to what happened in the Ji clan and smiled.

After a long while, he composed himself and walked up.

After walking a hundred steps, they saw a beautiful figure standing in front of a Pavilion. She was wearing a red dress. She was beautiful and charming. It was Master Li.

Seeing him walk up, she was stunned for a moment and her face turned a little red.

She had seen everything that had happened just now.

Naturally, she had also heard those words. She was a little embarrassed for a moment.

“You’re back!”

She was stunned for a moment before she mumbled.

She regretted it the moment she finished speaking. Her words sounded a little too wooden.

“Mm! He’s back!”

Tang Hao smiled and walked over.

Looking at the face that she had been thinking about day and night, she was a little dazed for a moment. She just stood there and looked at him in a daze.

“It’s good that you’re back!”

After a long time, she finally recovered and smiled.

“Sit down!”

Tang Hao sat down beside her and started chatting.

He talked about the starry sky outside and then asked her about her experiences in the past few years.

“This one is for you. And this one, bring it to Xuan Mei. I forgot to give it to her just now!” Tang Hao suddenly remembered something. He quickly took out two rings and handed them over.

This was the immortal ring that he had made. He had prepared some things in it: spiritual essence, immortal materials, Dao attainment, and a Haotian elixir each.

“This is ... An immortal-grade ring?”

She took her own and checked it. She was a little shocked.

When he opened it again, he was even more speechless.

“Mm! You can wear it!” Tang Hao nodded.

She looked at the ring in her hand and was stunned for a long time.

After a long while, she muttered a “hmm” and put on the ring, looking a little shy.

“Don’t worry, I’ll bring it to sister Ji.”

She stood up and said.

After she finished speaking, she gave him a bright smile and turned to leave. Her face was full of joy and joy.

He sat there for a while, then got up and went to the peak.

Qin Xiangyi stood there and said, “she’s been through a lot. She’s been here many times over the past few years. Why don’t you let her come to the dojo?”

Tang Hao was shocked when he heard that. He looked at her in shock.

“Are you thinking why I’m not jealous? I’ll definitely be a little jealous, but I know that it’s useless. It’s all because my Lil Tang is so outstanding and amazing!”

She said as she gave him a sidelong glance.

“As long as I’m the most important person in your heart and no one can replace me, I’ll be satisfied!”

She reached out and gently pulled him.

“And ah! You’re getting more and more powerful. I can’t take it.” She suddenly laughed and whispered in his ear.

Tang Hao’s heart skipped a beat when he heard that.

“Al! What are you doing! Little Huang ‘er and the others are all here, what’s the rush, can’t you wait a while!” She patted his naughty hand and said with a red face.

Then, he pulled him into the hall.

“Daddy!”

The little Phoenix called out sweetly and flew over, crashing into his arms.

She still looked the same and didn’t seem to have grown much, but her realm had already reached the ninth tribulation. As a pure-blooded Phoenix, her strength couldn’t be underestimated. It was said that in the past few years, there were few people in the Holy region who could beat her.

Even that old demon desolate evil had been chased away by her.
