

The Mightiest Little Peasant Chapter 2957

“Hmph! Do you think I can’t do anything to you if you hide here? You’re really naive!”

The female demon sneered and waved her sleeve, shooting out a divine light.

That kid must have hidden inside the star Devourer beast’s body when it wasn’t paying attention. As long as he could wake the beast up, he would be in trouble.

At that time, this brat would have to run out obediently and fall into her hands.

However, things did not go as she had expected.

The divine light blasted over, and the star Devourer beast woke up. However, she didn’t see that brat come out. Instead, the star Devourer beast opened its tentacles and threw them at her crazily.

Bang!

She took out her shield and blocked it.

The next moment, his body trembled slightly and he retreated a few feet.

“Tsk! If it wasn’t for the seal of the immortal court, I could’ve torn this beast apart with my bare hands!” She stopped and cursed in a low voice.

She wasn’t at her peak right now. When she was in the lower realm, most of her strength was sealed by the immortal court.

“Let’s avoid it first!”

After a few hits, she retreated.

She didn’t need to fight with this beast. As long as she waited a little longer, that kid would run out by himself.

“Little brother! I’ll be waiting for you outside!”

She retreated far away and simply took out a huge Lotus seat. Lying on it, she crossed her pair of snow-white, slender Jade legs and narrowed her eyes with a satisfied expression.

However, after waiting and waiting, there was still no sign of that kid.

“That’s not right!”

She was a little puzzled.

Logically speaking, with the strength of the star devouring beast, it was impossible for it to not notice the traces of that brat and would definitely drive him out. Could it be that the brat did not hide in the body of the star devouring beast?

“Impossible! He can only escape my detection by hiding here. Does he have some special way to escape the star Devourer beast’s detection?”

She pondered.

“Let’s wait a little longer. I don’t believe that he can really hide forever!”

She snorted and continued to wait.

At this moment, a figure descended from the starry sky and entered the sacred beast planet.

It was a white-robed old man with a kind face and a smile on his face. He seemed to be very happy.

“Today is a really good day ...”

As he flew over, he was humming a tune. His heart was filled with joy and joy, almost overflowing from his chest.

He had waited for this day for far too long, almost 10000 years!

But when he thought about the harvest later, the long wait was worth it.

“That Green Lotus must have bloomed and is at the immortal level! Also, my spirit materials must have turned into immortal materials. It’s enough for me to make a few magic treasures.” He mumbled, his face full of anticipation and joy.

“We’re here!”

His speed was extremely fast, and he soon landed on a mountain range.

He saw that the mountain was in ruins, and not even a single brick was left behind. He did not care. Anyway, those things were not worth much. If they were gone, then so be it. His most important treasures were all hidden well, and it was impossible for anyone to find them.

Even if they were discovered, no one would be able to break it.

That was an immortal array!

With the true immortals gone, no one would be able to solve it.

“Right, it’s here!”

He looked around and found the place where he had set up the formation.

He landed in the valley and rubbed his hands. He was so excited that his entire body was trembling.

“My babies, I’m coming!”

He chuckled and took a few steps forward. He dispelled the bewildering formation and entered the hidden herb garden.

He looked around and his body froze. The wild joy on his face also gradually froze.

His eyes began to widen, filled with confusion and trance.

He felt that he must have been too excited that his eyes were playing tricks on him. Otherwise, how could he see such a bizarre scene? This huge herb garden was actually bare. Not to mention a stalk of herb, there wasn’t even a stalk of weed!

“Yes, yes! I must have seen wrong!”

His hands and feet trembled, and he rubbed his eyes hard.

However, when he continued to read, he was stunned again.

There was still nothing. It was too clean!

He just stood there in a daze, his mouth wide open like a wooden stake, not moving for a long time.

Suddenly, his body trembled and he raised his hand to cover his chest.

He almost vomited blood.

No more!

There was nothing left!

The medicinal garden that he had meticulously set up had been swept clean.

“Who is it? Who is it?”

He raised his head and let out an earth-shattering roar.

He was about to go crazy!

The more excited and delighted he was just now, the more furious he was now!

After letting out a few angry howls to vent the anger in his heart, he finally calmed down a little.

“I don’t know who it was. Was it someone from the lower realm who broke the formation by coincidence? Or did you come down before me?” He furrowed his brows and muttered to himself, his heart heavy.

“If it’s the former, then it’s fine. But if it’s the latter, then it’s bad! I have to hurry to the other places to take a look!”

He was a little anxious. He left the herb garden and rushed to the nearest Lake.

After entering the space at the bottom of the lake, he was stunned.

It was still bare, with nothing left!

“Who is it? Who exactly is it?”

He raised his head and howled in anger.

The howl spread out, shaking the entire planet.

In an instant, all the cultivators on the planet raised their heads to look at the sky, revealing shocked expressions.

“No more! It’s gone again!”

He frantically rushed to the third location. When he entered, his body couldn’t help but sway. A mouthful of blood welled up from his throat and he almost spat it out.

No more!

It was gone again! It was clean!

They must be the same person!

It couldn’t be someone from the lower realm, it must be a fellow Daoist who came down before him!

With the level of the lower realm’s cultivators, how could they solve so many immortal formations? they could only be of the same path!

“Don’t let me find you! Otherwise, I’ll skin you alive!”

His face was filled with madness and he was extremely angry!

Since he called himself abundant treasures, he loved treasures as much as his life. Whoever touched his treasures, he would fight them to the death!

“No more!”

“Nothing again!”

When he rushed to the other places to take a look, they were also clean.

“There’s still one more spot!”

He rushed out of the sacred beast planet, scanned his surroundings, and then quickly flew in one direction.

“It’s right in front! I don’t think anyone can snatch this away!”

He mumbled.

“Eh? Who is that?”

“Alright! So it was her! This demoness of the devil Heart sect! She actually found her way here, Hmph! I don’t care what power or status you have, I’ll make you spit it out for stealing my treasure. ”

From a distance, he saw the alluring figure in front of the star Devourer beast.

He gritted his teeth, and his eyes were about to spit fire.

“Demoness! You’re so bold!”

He dashed forward and used all his strength to let out a deafening roar.

In the next moment, he waved his sleeve, and countless divine lights rushed out. There were pots, seals, swords, needles, and so on. There were all kinds of them, but they were all immortal artifacts with extraordinary momentum.

Whoosh! Whoosh! Whoosh!

These divine lights all rushed out and headed towards the female devil.
