

The Mightiest Little Peasant Chapter 2965

“What ... What’s that?”

Xuanyuan Hongyi stood there dumbfounded, his eyes wide open.

Ning Yuzhen’s mouth was wide open, and his beautiful eyes were wide open.

What was that?

A corpse?

How could there be so many corpses!

They were even hung together and dragged along!

This was indeed a devil, a lunatic to the extreme!

Gulu!

The faces of the Xuanyuan clansmen behind him turned pale.

This guy was really a little terrifying!

He had killed so many people, stripped them naked, and hung them together. He was truly brutal to the extreme!

Even the true immortals were shocked.

This was the first time they had seen such a brutal fellow!

“Eh? That face ... I think I’ve seen it before!”

Suddenly, a genuine immortal of the Xuanyuan clan cried out in surprise, and his face showed extreme shock.

“That ... That’s an immortal!”

The next moment, he screamed.

“What? There was a true immortal in that corpse?”

“No way! He even dared to kill Immortals?”

Everyone was shocked and in complete disbelief.

There was actually a true immortal in that pile of corpses?

No matter how strong that guy was, he was only in the Saint realm. How could he dare to kill an immortal?

Was he crazy?

“Heavens! And there’s more than one!”

The true immortals looked at him carefully and recognized a few of their fellow Daoists.

Looking at the miserable-looking fellow Daoists who were sandwiched in the pile of corpses, they suddenly felt a burst of fear. That’s right, in this place, even if they were true immortals, they would die easily, just like mortals.

“Go! Hurry up! Don’t get into a conflict with this guy!”

A true immortal shouted.

He was really afraid!

The guy in front of him was definitely a brutal and ruthless man. He also had some means. Otherwise, he wouldn’t have been able to kill so many people.

If they were to fight later and hurt these true immortals, it would be bad.

If they were injured here, they would die if they were slightly more serious. This was because they were all mortals now and were too weak.

Even if the chance was one in ten thousand, they didn’t dare to take the risk.

It wasn’t easy for them to cultivate, and they didn’t want to die in this broken place.

“Let’s go!”

Under the urging of several true immortals, the team moved and headed to the other side.

At first, they were walking, but later, they slowly started running, and finally, they were running for their lives.

“This is too terrifying!”

The team only stopped after they had run far away.

Xuanyuan Hong panted for a while and patted his chest, feeling a sense of fear.

The scene just now was too terrifying!

After a while, he seemed to have realized something. He suddenly stood up and coughed lightly.””That guy, in fact, is nothing. He can only show off like this because we have all become mortals. Otherwise, those true immortal seniors could kill him with a breath, so how could he have lost his life?”

“When we get out, we’ll stop him. We can easily take revenge!”

“Yes, yes! We’ll kill him after we get out!”

“The ancestor can kill him with one finger!”

The group of Xuanyuan clan people recovered from their shock and cursed.

They all felt that they had been too embarrassed just now. There were hundreds of people, but they were scared away by one person. It was really embarrassing. They could only scold more fiercely now to regain some face.

“Let’s go! After we obtain the divine mountain, I’ll immediately kill him!”

A true immortal shouted in a low voice, his expression somewhat dazed.

Then, the team continued to move forward towards the divine mountain.

On the other side, Tang Hao was riding the tiger toward the divine mountain.

One day, two days ...

The road beneath his feet seemed endless. Tang Hao could not even count how many days he had been walking.

“It’s almost three months!”

One day, Tang Hao stopped, climbed up a tree, and looked into the distance.

The divine mountain looked closer, but it was still far away.

“Let’s make something to eat first!”

He climbed down, lit a fire, set up a pot, and began to cook.

“It smells so good!”

A moment later, a figure appeared not far away.

Following the scent, she found her way over.

When she saw it clearly, she was stunned.

How could there be a pot and a grill?

And this guy, why does he look so familiar?

“It’s him!”

She quickly recognized him, and a hint of joy flashed in her long, narrow, and foxy eyes.

Wasn’t this the demon that they had lost earlier?

She had thought that she would never have the chance to meet him again, but she did not expect to meet him here.

“Hmph! Let’s see how you’re going to escape from me this time!”

She sneered.

Last time, if it wasn’t for that old man with so many treasures causing trouble, she would’ve killed this demon long ago and taken all his treasures as well as his shocking fortune for herself.

Although she didn’t have any divine powers here, it wouldn’t be a problem for her to deal with this demon.

Her figure moved and was about to sweep out.

However, at this moment, she glanced to the side and saw a pile of white things. In an instant, her delicate body trembled, and her face turned pale with shock.

“How could this be ...”

Her foxy eyes were wide open, full of disbelief.

She saw a pile of corpses, and there seemed to be true immortals among them.

This monster actually killed an immortal!

How bold was this!

In fact, it was a little crazy!

“Not good!”

After a while, she came back to her senses and turned around to leave.

This demon must have something to rely on to kill so many people. She might not be his match.

At this moment, she heard a low roar and a White Tiger swept over from the side, blocking her way.

“You want to leave? It won’t be that easy!”

That demon had already appeared in front of him. He held a sword in his right hand and a strange tool in his left.

“Little brother, what are you doing? Is this how you welcome your big sister?”

She was shocked at first, but she quickly calmed down and smiled.

“Who’s your little brother!”

Tang Hao rolled his eyes.

This old hag had wanted to kill him last time, and she still wanted to do it this time. She was really hateful. He could take this opportunity to kill her.

“You! Aren’t you one of them!”

Yao Xinyue smiled sweetly as she took a few steps back.

“Hmph! You still want to run!”

Tang Hao raised his left hand, and an arrow shot out.

Yao Xinyue’s expression changed and she immediately pounced to the side. However, even so, the tip of the arrow still grazed her face, leaving a bloody mark.

“So fast!”

She was shocked.

If she hadn’t noticed that it was a hidden weapon and taken precautions in advance, she would have been hit by it.

I can’t let this kid use this thing again!

She turned over and stood up. With a green short sword in her hand, she pounced forward.

Clang clang clang!

The two of them quickly exchanged more than ten blows.

“Not good! This kid’s strength is too great!” Her expression changed again.

They were both mortals, but this brat’s strength was much greater than hers. If they continued to fight, she would definitely lose.

Not to mention, there was also a White Tiger eyeing him covetously.

As she resisted, she tried to think of a way to escape.

“You’re lucky this time!”

All of a sudden, she glanced sideways, and there was a seductive charm in her eyes.

Clang!

The sword in her hand fell out of her hand, and when the other party’s sword came to stab her, she turned her body slightly. She did not Dodge, but instead met it head-on. She crashed into the other party’s arms and pushed him to the ground.
