

## The Mightiest Little Peasant Chapter 2966

“What are you doing!”

Tang Hao was shocked.

The demoness pounced on him and hugged him tightly. She pushed him to the ground and pressed him down tightly, but she did not do anything else.

“What do you think a man and a woman can do in this barren mountain?”

Yao Xinyue was on top of him. She looked at the handsome face below and giggled.

She seemed to be even happier when she saw the surprise and shame on his face.

It seemed quite interesting to tease such a handsome little brother!

“Don’t mess around!”

“Run!” Tang Hao shouted. He was panicking.

He had heard that this was a demonic woman. What Devil Heart sect? one look and he knew that she was not a decent sect.

“The more nervous you are, the more excited I am!”

Yao Xinyue giggled again.

She was extremely beautiful. She had an oval face, and her facial features seemed to be exquisitely sculpted. They were perfect and flawless. Her Phoenix eyes were especially eye-catching. They were slightly long and narrow, and revealed a Foxy air, but they were not as charming as Tamamo ‘s.

She had a demonic air about her, and when paired with her beautiful face, she had a strong seductive aura.

Her body was slender and graceful, with a devilish and enchanting curve.

No man would be able to take such a seductive beauty lying on his body.

“Let go!”

Tang Hao shouted, his face red.

He wanted to get up, but he was firmly pressed down.

Moreover, the moment he moved, the feeling of touch made him feel even more embarrassed, and he did not dare to move.

“I’m not letting go!”

She laughed, the corners of her lips lifted slightly, and a smug look appeared on her face.

This brat, wasn’t he very overbearing just now? was he going to kill her? why was he so cowardly now?

Originally, she had wanted to suppress this kid and then take the opportunity to escape. But now, she suddenly didn’t want to leave. She wanted to tease this kid.

“The more I look at him, the more handsome he is!”

She teased again, “I wanted to kill you before, but the more I look at you now, the more I can’t bear to! Why don’t you come with me to the immortal world? this time, I’m serious. I was lying to you last time!”

Tang Hao grinned and wanted to curse.

The last time was a lie, but this time it was real!

This kind of demoness, not a single word she said was true.

“You’re talented and have amazing luck. You even have the embryo of heaven and earth. Even if you’re not a figure like the son of luck, you’re almost there. Even if you go to the immortal world, you can mix well and become an immortal very soon. Why do you stay in the lower realm?”

She said.

In her opinion, this demon in front of her would be a little famous even in the immortal world. He would not be much worse than those golden immortal disciples and was a promising talent.

Do you even need to tell me?

Tang Hao rolled his eyes.

With his abilities, he would naturally be able to live well in the immortal world.

“You can leave! I’m not going to kill you!”

Tang Hao mumbled.

He was somewhat helpless. How could he kill in this position!

“Oh? Really? You just can’t bear to leave your sister, right?” Yao Xinyue said in a charming voice.

Tang Hao rolled his eyes again.

“Alright! This time you let me go, but if you lose next time, I’ll also let you go.” She smiled and was about to stand up when suddenly, her eyes turned and a sly look flashed across her eyes.

She leaned over and planted a kiss on Tang Hao's cheek.

"Just consider it a mark!"

She chuckled and stood up. She picked up her sword and left.

"F \* ck!"

Tang Hao rolled over and stood up. He quickly wiped his face and looked disgusted.

If it was any other beautiful woman who kissed him, it would naturally be nothing. However, he was somewhat disdainful of this demoness.

This demonic woman's cultivation level didn't seem low, so she must have cultivated for many years. He didn't know how old she was, but he was afraid that she was thousands of years older than Fei Wan!

After wiping a few times, he still felt that it was not enough, so he went to the river to wash it.

Then, he continued to roast the meat.

After eating and drinking to his heart's content, he continued on his way.

Moving forward, it was another few months.

"We're finally here!"

The purple divine mountain was finally getting closer. It looked like they were only a few days away.

But even so, he still walked for another month before he arrived at the divine mountain.

"Some people have already arrived, and there are quite a few of them!"

He stopped and looked at the foot of the sacred mountain. There were already many people there, but they were all loitering outside the sacred mountain and did not approach.

"Who is that?"

"It's that fiend!"

Some people noticed him and looked over.

Many of them had seen Tang Hao before, while the others had heard of him.

"It's said that this guy is not from our immortal world. He's just a native at the ninth tribulation!"

"What? A native dares to be so arrogant and kill Immortals?"

As they discussed, many people revealed shocked expressions.

“Hmph! This guy probably didn’t know how to spell the word ‘death’! He still dares to come here? once the divine mountain is taken, everyone’s divine abilities will be restored, and he’ll be dead.”

Someone snorted coldly, his eyes filled with killing intent.

A lower realm nine tribulations dared to kill a true immortal of the immortal world. He really deserved to die!

Once their divine powers were restored, many of them would not hesitate to kill this person.

And the corpse behind this person would also be in their pocket!

“The Xuanyuan clan is here!”

At this time, on the other side, a team walked out. It was the Xuanyuan clan.

“The Xuanyuan clan has the bloodline of the human Sovereign. They might be recognized and get the divine mountain!”

“That kid is the No. 1 genius of the Xuanyuan clan in the lower world. It’s said that the blood of the human Sovereign is very pure. It seems that he has a chance!”

The crowd looked over and discussed in low voices.

They were all helpless. They had gone through so much to get here, but in the end, they couldn’t even get close to this divine mountain. They had no chance to take it.

“So it’s like this! Hahaha! Watch me!”

Xuanyuan Hong laughed as soon as he understood the situation.

In terms of talent and luck, these genuine Immortals could not compare to him. He was probably the only one who could be recognized by the immortal Emperor’s Supreme treasure.

“Go!”

The true immortals of the Xuanyuan clan nodded at him and shouted.

This kid had pure human Emperor’s blood, so he did have the best chance.

“Ancestors, just wait for my good news!” Xuanyuan Hongyi bowed, then stood up and walked toward the divine mountain with his head held high.

He looked very confident.

However, he stopped after a few steps. There was a barrier in front of him that he could not break through.

“What’s going on? Even he can ‘t?”

Everyone was shocked.

“Let’s wait and see!” Everyone waited.

However, after a long while, the monstrous talent of the Xuanyuan clan still did not make any progress, and his performance was even worse than theirs.

“That’s weird! How did this happen?”

“Does that ancient Dao Emperor not like the Xuanyuan clan?”

The crowd discussed and were a little surprised.

Xuanyuan Hongyi’s face turned red. He tried his best to push forward, but he couldn’t break through the barrier.

Suddenly, a huge force came from the barrier and directly sent him flying.
