

The Mightiest Little Peasant Chapter 2979

“They’re from the mysterious Palace!”

“Looking at their temperament, they are all true inheritances!”

Everyone on the street was discussing in low voices.

In the spirit Toad continent, the divine wonder Palace was considered one of the top forces, with a golden immortal overseeing it.

“That seems to be long Xiaozi. He’s the famous golden immortal disciple!”

“It’s him? This is incredible!”

Many people’s gazes turned to one of the young men. Although his appearance was ordinary, his temperament was extremely extraordinary. His body was like a sword, and he had a heroic and pressing aura. His golden eyes were clear and sharp.

This person’s identity was quite shocking!

An accomplished disciple of a golden immortal!

What was the most important thing in the immortal world?

The first was naturally his own cultivation base. The second was his backer.

A golden immortal disciple like this meant that they had a golden immortal backing them. Almost no one dared to provoke them.

Even a heavenly immortal expert would be polite to a golden immortal disciple like him and would not dare to offend him.

Not to mention, to be able to become a golden immortal’s disciple, one’s own talent was very high, and not a single one was weak.

It was said that long Xiaozi had only cultivated for more than 150 years and had already become an immortal. Now, he was less than 300 years old and had already entered the late-stage earth immortal realm, not far from the heaven immortal realm.

Such talent was truly terrifying!

“Senior brother, they’re all looking at you!”

Behind the youth, a beautiful female cultivator looked around and laughed.

She looked quite proud.

The more these people respected her, the divine wonders Palace, and her, senior brother Long Xiao, the prouder she was.

“Of course, who is our senior brother? no matter where he goes, he will always be the focus!”

A disciple at the side laughed and began to flatter.

Long Xiaozi chuckled when he heard that.

He didn't know how many times he had heard this kind of flattery. Ever since he became a golden immortal's apprentice, everyone around him had been flattering him. But no matter how many times he heard it, he was not tired of it. It was quite effective.

“There are many beast materials in silver wall city. We should be able to find a few later. If we really can't find them, we'll go to the mountains to find them ourselves!”

He said as he looked at the shops on both sides of the street.

“Yes, senior brother!”

The group of disciples from the divine wonder Palace responded respectfully.

“Let's go to this shop first!”

Long Xiaozi pointed to a shop on the left and walked over.

When he was about to enter the shop, he suddenly saw two figures from the corner of his eye. They were coming from the other end of the street.

He subconsciously glanced over, and his eyes froze.

Two figures, one in black and one in white, both wore gauze dresses. Their figures were graceful and moving, and their looks were even more stunning.

However, what attracted him wasn't just the two women's looks, but also their unique physiques.

His divine eyes were extraordinary, and he could tell at a glance that the two women had extraordinary physiques.

“That's weird! There was such a strange body in this world? He's only at the peak of the ninth tribulation, but the strength of his physique is almost on par with that of a true immortal. ”

He furrowed his brows and muttered in confusion.

“Senior brother, what's wrong?”

Seeing him stop, the group of disciples from the divine wonder Palace was stunned.

Following his line of sight, they were also stunned. Then, they began to laugh mischievously.

So he was looking at a beauty!

These two were indeed extraordinary. No wonder even someone like senior brother couldn't move.

"There are only two Saint realm experts, what's there to see!"

The gorgeous woman was a little indignant.

"Can't you guys see that their physiques are quite extraordinary?" Long Xiaozi said.

"Oh? Is that so?"

The group of disciples was a little surprised.

What kind of physique could surprise even his senior brother?

"This is probably some kind of divine body that has never been recorded before. Great!" Long Xiaozi mumbled to himself excitedly, "master loves to study these things. If I bring them back, I'll definitely make master happy."

He then walked forward to the two girls.

"Two young ladies, please wait!"

He cupped his hands and said politely.

"Who are you?"

Ji Qiuci looked at him warily and frowned.

"I'm long Xiaozi, a legacy disciple of the divine wonder Palace. My master is the palace Master, the divine wonder Daoist." Long Xiaozi said, "I'm stopping you two because I want to trouble you with something!"

"My master is extremely interested in all kinds of physiques in the world, and both of your physiques are extremely special. I would like to invite the two of you to my mystical Palace as guests so that my master can take a good look at you. Of course, you can rest assured that my mystical Palace will not mistreat the two of you!"

"This ... There's no need for that!"

Ji chunxuan said coldly.

“You don’t have to worry. The divine wonders Palace isn’t a crooked sect. You can have whatever you want. As long as master is happy, even if it’s cultivation, it’s not impossible!”

Long Xiaozi said.

“There’s really no need for that!”

Ji chunxuan said, shaking her head.

She pulled her sister and took a few steps back.

“Woof! What a big face! You even dare to reject my senior brother Long Xiao’s personal invitation!”

“Do you know who is standing in front of you?”

Before long Xiaozi’s face could turn cold, a group of disciples from the divine wonder Palace stepped forward and berated him with an unfriendly expression.

“They’re just two lowly wild girls who have never even heard of senior brother’s name. How would they know how powerful senior brother and our mysterious Palace are?” The gorgeous woman screeched, her face full of disdain.

“Senior brother, why are you being so polite to them? it’s just two ninth tribulation experts. Why don’t you just capture them?” She continued.

A mere ninth tribulation was nothing in the eyes of human Immortals and earthly Immortals like them.

Long Xiaozi immediately frowned.

These two girls were heavenly beauties. Of course, he didn’t want to be too bad-mannered, so it would naturally be best if he could invite them back.

“Go! Let’s go back and find young master!”

Ji chunxuan glanced at the group of people in front of her, then pulled her sister and retreated.

“Young master? Yo! It turns out that they are just a pair of maidservants. I was wondering why they are so ignorant and have not even heard of my senior brother’s name.” The beautiful woman laughed, her expression becoming even more sarcastic.

Not only did these two have low cultivation bases, but their statuses were also lowly!

Long Xiaozi was stunned. Such a pair of stunning beauties with such strange divine bodies were actually just a pair of maidservants?

“What a pity!”

The group of disciples of the divine wonder Palace shook their heads.

They didn't expect the two women to be of such low status.

"Since she's a maidservant, why don't we just find that young master and buy her?"

"That's right. Our divine wonder Palace doesn't have anything. A pair of maidservants like them isn't worth much!"

They said one after another.

Long Xiaozi came back to his senses and sized up the two girls, his eyes burning with passion.

He could see that these two girls were still chaste, and their primordial Yin was still intact. Such a pair of chaste and divine body peerless maidservants were of the highest quality! Even he could not help but be tempted!
