

The Mightiest Little Peasant Chapter 3019

“That’s master Hao Tian?”

The square was in a clamor.

Everyone’s eyes were focused on the black-robed figure standing in front of them.

This person was master Hao Tian, who was now famous in spirit Toad continent!

It was this person who had refined cheap divine Thunder, instant-teleportation talismans, cultivated the top quality peach, and created sexy underwear. The new products of the immortal Academy had led the trend.

Most of their gazes were filled with respect.

Although many of them didn’t think highly of master Hao Tian in today’s match, it didn’t affect their respect for him.

The master might not be as good as the one from the nine cloud Palace in terms of overall standards, but his amazing creativity and all kinds of creative ideas were definitely far better than his opponent.

“Is that him?”

All the Masters of crafts also looked at this man.

Their eyes were filled with curiosity.

They had all seen and studied the things he had refined. They were indeed amazing, especially the immortal Academy series, which had amazed them. Not to mention the level of refining, just the level of design, there were few Masters in this world who could compare to him.

This person was truly a ghostly talent!

“Hmph!”

The people from nine cloud Palace snorted coldly when they heard the enthusiastic cheers from all directions.

Taoist master Chao Yun looked around with an unhappy expression.

“You’re master Hao Tian? That Shi bragged about you to the heavens. I’d like to see how capable you are today!” He looked forward again and shouted coldly, “if you lose, you’ll have to hand over the refining diagram of the divine lightning!”

“And that so-called immortal Academy, I want them all!”

The moment he said this, the four sides broke out into a commotion.

“This is too much of a bully!”

Everyone shouted in anger.

Even the judges frowned slightly.

However, they didn’t say anything. This was a matter between both sides, and they couldn’t interfere.

“Alright!”

Tang Hao nodded. “I’ll give you everything if you win!”

“Hahaha! Of course I can win. Do you think I’ll lose?” Taoist master Chao Yun laughed out loud, his face full of confidence.

With his strength, it would be difficult for him to lose even if he wanted to.

“What if you lose?”

Tang Hao said.

“What if I lose? You can state your conditions however you want!” Taoist master Chao Yun sneered.

“That’s what you said, don’t regret it!”

Tang Hao said with a smile.

“I will regret it? What a joke! The words of the nine cloud Palace carry enormous weight.” He shouted at Yun Zhenren.

The corners of his mouth curled into a cold smile, and his expression became even more contemptuous.

Did this fellow really think that he could win? What a joke!

“Guild leader Feng, and everyone else, you’ve all heard it, right?” Tang Hao turned around and looked at Feng Qingyan and the judges.

“Don’t worry, Grandmaster. With the guarantee of my heaven seeking Pavilion, no matter who wins or loses, there will be no regrets.” Feng Qingyan said.

“Good! Then what are you waiting for? let’s start! I’d like to see how amazing nine cloud Palace’s weapon-refining skills are!” Tang Hao said.

Feng Qingyan looked toward the nine cloud Palace. After seeing Yun Zhenren nod, she walked to the side and took out a small box.

“After my discussion with the Masters, we have decided on the three items for this competition. We have prepared a few different questions for each item. We will use whichever one we pick.”

“The topic for the first round is in this box. Who will catch it?”

As she said that, she looked left and right.

“Let him come! Anyway, no matter what the question is, it’s all the same to me!” Taoist master Chao Yun said disdainfully.

“Then, master Haotian will choose the topic for the first round!”

Feng Qingyan looked at Tang Hao as she spoke.

Tang Hao nodded. He strode forward and put his hand into the box.

In the box, he felt five or six scrolls. After a moment of hesitation, he randomly grabbed one and took it out.

“The topic of the first round ... Refine a piece of Phoenix marrow gold of the highest grade. Whoever can refine it the fastest and purer will win!” She took the scroll and opened it. Feng Qingyan’s eyebrows raised.

This question was the most difficult of the eight questions they had prepared.

This was because the Phoenix marrow gold was extremely hard and difficult to refine, let alone a piece of the highest grade.

“Phoenix essence gold? What’s so difficult about that!”

Taoist master Chao Yun said disdainfully.

The nine Heavens thunder fire of the nine cloud Palace was one of the most famous immortal fires in the immortal world. What kind of powerful fire could this guy have that could surpass the nine cloud Palace’s Nine Heavens thunder fire?

He was definitely going to win this round!

“Present it!”

Feng Qingyan clapped her hands, and two women came from the side. They were holding a Jade plate in their hands, which was covered with a golden silk cloth.

Indistinctly, a red divine light and a scorching Qi seeped out from under the silk cloth.

“Good treasure!”

Tang Hao’s eyes brightened when he saw the two pieces of gold underneath the cloth.

He had obtained and refined a lot of Phoenix essence gold, but they were all divine materials. The two in front of him were immortal materials.

It was extremely difficult and time-consuming to refine a top-notch divine material like the Phoenix essence gold into an immortal material. Therefore, such an immortal material was extremely precious in the immortal world.

“These two pieces of Phoenix marrow gold belong to the heaven seeking Pavilion. These grandmasters have already inspected them. The quality and size of these two pieces are exactly the same. You two can choose any one of them!” Feng Qingyan said.

“I’ll take this one!”

Taoist master Chao Yun raised his hand and pointed at the road closest to him.

“Then I’ll take this one!”

Tang Hao reached out his hand and took the Phoenix essence gold.

“Please get ready ... Let’s begin!”

Feng Qingyan took out a hourglass and placed it on the stage.

Reverend Chao Yun sat down cross-legged and flicked his sleeve. A purple immortal cauldron flew out. With a hum, a blazing flame emerged from within.

He threw the Phoenix marrow gold into it and began to refine it.

Tang Hao also sat down. He flicked his sleeve, and a golden cauldron flew out.

He threw the Phoenix marrow gold into the furnace and started to refine it.

“That’s the famous Nine Heavens thunder fire of the nine cloud Palace!”

“This fire isn’t ordinary. It was created by jiuxiao immortal Lord by combining several ancient true fires. Besides the fire, he also integrated a divine Thunder from ancient times, which is even more powerful.”

Everyone looked at Taoist master Chao Yun and was a little surprised.

Most of them had heard of the reputation of the nine Heavens thunder fire.

“What kind of fire is that?”

When they looked to the other side, they were all stunned.

The Golden cauldron was ablaze with fire, but the aura it exuded was rather ordinary. It was not even comparable to some true flames.
