

The Mightiest Little Peasant Chapter 3027

“Who is this master Hao Tian?”

“I’ve never heard of this name before, but I’m sure he’s not a newbie. He’s a Big Shot who can be listed on the immortal list, so he must have other identities!”

“I’ve heard that this master is holding a meeting in the spirit Toad continent. He’s selling many new and interesting things that are very popular there!”

As soon as the immortal list was released, all the parties in the immortal world became extremely lively.

People were discussing this master Hao Tian and guessing his background.

And the Haotian faction was gradually known by people.

After a few days, another piece of news spread out, causing a sensation in all directions.

The clear sky armor was going to be auctioned in the heaven seeking Pavilion!

For a time, the clouds moved in all directions.

Countless people came to the heaven seeking Pavilion headquarters in the spirit Toad continent.

This was a peerless immortal armor that had been listed on the immortal list. It could be said that it was one of the most powerful immortal armors in the immortal world. Who wouldn’t want to get their hands on it?

Many of them not only went to the spirit Toad Immortal City, but they also took the time to go to Nantian city, hoping to meet master Haotian.

Unfortunately, the master never showed up, so they could only leave in regret.

Before they left, they bought a lot of Haotian club’s products and brought them back.

It was their first time seeing undergarments, and they were all amazed by such a novel product from the immortal Academy.

Half a month later, the auction was held in the headquarters of the heaven seeking Pavilion.

After an intense bidding, the immortal armor was finally sold for 150 million.

This price sounded very high, but it was normal for a treasure that could be listed on the immortal list.

After deducting the costs, Tang Hao would only get a hundred million credits.

“Refining a treasure and earning 100 million, it’s quite easy to earn!”

Tang Hao mumbled to himself when he received the money.

“Guild leader Feng, do you have any better materials in your Guild?” Tang Hao looked at Feng Qingyan with excitement in his eyes.

If he refined a few more of these treasures and auctioned them off, he could easily make a few hundred million.

Feng Qingyan was stunned for a moment, then she shook her head with a bitter smile.

Those materials were all top-grade. How could she, a spirit Toad continent headquarters, have so many in stock? even the true headquarters of the heaven seeking Pavilion didn't have many of these top-grade materials.

“That's a pity!”

Tang Hao was a little disappointed.

“Oh! By the way, guild leader Feng, have you reached the cultivation I asked you to adjust?” Then, he asked again.

He had mentioned to her before that he wanted to buy a large amount of cultivation.

“President Shi, it'll be done in two or three days! When the time comes, I'll deliver my Dao to you. This time, I've transferred a large amount, so you won't have to go to Wanhai or Hongtu to buy it.”

Feng Qingyan said.

Wanhai and Hongtu were both competitors of her heaven seeking Pavilion, so she naturally didn't want this person to buy from them.

“Alright!”

Tang Hao nodded.

This time, he was going to buy a lot of them, enough for him to advance to the late earth immortal realm.

“Argh! By the way, President Shi, why haven't you guys released any new designs recently?”

Feng Qingyan suddenly said.

“What product? The immortal court? It's not easy to design that thing, so the new model is naturally slow!” Tang Hao said with a smile.

“No, I'm talking about ... The other one,”

As Feng Qingyan spoke, her expression became a little awkward, as if she was a little shy.

“Oh!”

Tang Hao was startled for a moment, then he understood.

If it wasn't the immortal Academy, then it must be the underwear series.

“I didn't expect you to like it too, guild leader Feng ...” Tang Hao smiled.

“Of course. Who among the female Immortals in the spirit Toad continent doesn't like your Haotian club's products? I don't know if it was you or the master who came up with this idea. It's a wonderful idea!”

Feng Qingyan exclaimed, her eyes sparkling.

“Both, I guess!”

“I designed some of them,” Tang Hao said. “As for the refining, it's done by a master.”

“President Shi, do you have a design as well? What great talent!” Feng Qingyan was surprised.

She looked at Tang Hao with her beautiful eyes. She was shocked.

The more she thought about it, the more she felt that President Shi was no ordinary man. The red dust Killer incident had made her realize how extraordinary he was. Now that she knew that he had designed many different types of undergarments, she couldn't help but think even more highly of him.

Al! What a pity!

A moment later, she couldn't help but let out a long sigh.

She regretted it!

If she didn't look down on him and took his godly Thunder, perhaps he and master Hao Tian would have all become members of the heaven seeking Pavilion.

All these new products naturally belonged to the heaven seeking Pavilion.

But she also knew that no matter how much regret she had, it was useless.

There were some things that would never happen again once you missed them.

Now, the Haotian faction had already been established. With the reputation of the great master, their future was boundless. How could they enter her heaven seeking Pavilion again?

“President Feng, which series and style do you like? I'll discuss it with the master later. Maybe we can custom make a few sets for you.” Tang Hao said after a moment of silence.

“Really?”

Feng Qingyan exclaimed in a low voice, her face full of surprise.

“It’s this series!”

In a moment of excitement, she pulled open her lapels, revealing a set of black undergarments inside, as well as that area of white, smooth skin.

Tang Hao was shocked.

He was very familiar with this set. It was the sexiest set out of the many female series he had designed.

Subconsciously, he sized her up from head to toe.

Although they were separated by a gauze dress, he could already imagine how hot and sexy it would be below.

F * ck! So wild?

I really can’t tell!

He cursed in his heart.

This set was famous for being bold and provocative, and ordinary female Immortals really didn’t dare to wear it. This President Feng looked very dignified and quiet, but who would have thought that such a bold and unrestrained soul was hidden under her.

After a while, Feng Qingyan realized that something was wrong, and she quickly pulled up her clothes.

She turned to look at Tang Hao, and her face turned red.

She was too excited just now, so she did that without thinking.

“President Shi, What are you looking at?”

She became even more embarrassed when she saw Tang Hao’s eyes scanning her body.

“Oh! It was nothing, just an occupational disease! Miss Feng, please don’t mind me. I’m just using my artistic eyes to examine your figure.” Tang Hao coughed dryly.

“Art?”

Feng Qingyan was stunned.

If it was anyone else who said that, she would have given him a tight slap. What art? wasn’t he just a hooligan?

However, this person was different. He had designed so many undergarments. Perhaps he had designed some of those from the immortal Academies. In the field of art, he had extremely high attainments. What he said was absolutely true!

Moreover, his gaze was very pure, without any improper thoughts.

“Then, President Shi, do you think my figure ... Is good?”

She turned her body slightly, showing off her perfect figure, and then asked with some anticipation.
