

## The Mightiest Little Peasant Chapter 3030

“Guild leader Shi, long time no see!”

Tang Hao met Feng Qingyan again on the third floor of the heaven seeking Pavilion branch in Nantian city.

She was still as graceful as ever, and her face was covered with a veil, so people couldn't see her face clearly.

“Not too long ago, only a month!”

Tang Hao smiled.

“Guild leader Feng, do you like those clothes?”

“I like it! Not only do I like the style, but I also like the material. It's very comfortable!” Feng Qingyan smiled.

A long time ago, this person had sent over a few sets of custom-made underwear. After looking at them, she liked them so much that she had been changing into them.

“That's good!”

Tang Hao smiled.

“President Shi, are you here to buy Dao attainment again?” Feng Qingyan said with a frown.

“Yup! Is there a problem?”

Tang Hao said.

Feng Qingyan smiled bitterly, “President Shi, you're buying too much and too frequently. Even with my heaven seeking Pavilion's stock, I can't keep up.” Every continent has a quota for Dao attainment. I've almost used up my quota for the past few months when I transferred the goods last time. ”

“Then ... How much can guild leader Feng transfer?”

Tang Hao furrowed his brows.

“A few thousand! Three thousand at most! It can't be any more!”

Feng Qingyan said apologetically, “after all, my heaven seeking Pavilion is a large Chamber of Commerce. We need to reserve a portion of it to supply our various branches. We can't run out of stock. I hope President Shi can forgive us.”

“It's fine!”

Tang Hao shook his head.

Since the heaven seeking Pavilion was gone, he would go to Wanhai and Hongtu to buy it.

Feng Qingyan smiled bitterly again.

Previously, she had thought of booking this person's cultivation, or else he would go to other Chambers of Commerce. But she didn't expect that this person would buy so frequently. Last month, he only bought 15000, and now he was going to buy again.

It seemed that this clear sky Association's business was really booming!

"President Shi, I heard that your business has been doing very well recently. You've even expanded to other continents, congratulations! Congratulations!"

She cupped her hands and said with a smile.

"It's alright! No matter how good our Haotian faction's business is, it can't be compared to your heaven-seeking Pavilion!"

"Thank you," Tang Hao replied politely.

"By the way, I heard that many people have been looking for that monster recently! Your heaven seeking Pavilion seems to be looking for it too, do you have any news?"

Then, he asked.

Feng Qingyan nodded."The heaven seeking Pavilion is indeed looking for it, and we were the first to receive the news. However, after searching for so long, not only the spirit Toad continent, but the other continents have also come up empty-handed."

"In fact, there's not even a single clue. Ever since the upper realm, that demon seemed to have evaporated without a trace."

"Is that so?"

"Is that demon really that cunning?" Tang Hao asked.

"Isn't that so!" Feng Qingyan smiled bitterly."I've already sent many Pavilion elders to search the spirit Toad continent several times. I've checked many forces, but I didn't find anything."

"Didn't you say that the news came from the immortal court? are there no other clues?"

Tang Hao asked again.

He was a little nervous. In fact, when he had just ascended to the upper realm, he had left behind many flaws.

Chun Xuan, Qiu Ci, and the others were a big flaw.

Moreover, he had left a trace of his soul in the immortal court, which was also a big flaw.

“No, I didn’t!” Feng Qingyan shook her head. “Actually, it wasn’t easy to find out this information, because the immortal court has strict rules. For example, outsiders can’t see that immortal jieyin, because they’re afraid that someone will go to the lower realm through him.”

“The Xuanyuan clan and the others also found out about it through the people outside the immortal court.”

“I see!”

Tang Hao breathed a sigh of relief when he heard that.

The only person who had seen Chun Xuan, Qiu Ci, and the others was the immortal who had received them.

As for that psyche, no one would be able to get it.

“I think we can’t find this demon anymore. If he dares to come up here, he must have some tricks up his sleeve to hide his identity. By the time he dares to show himself, it will probably be thousands of years later.” Feng Qingyan said.

Dao attainment was hard to come by, and in addition, that guy wanted to hide his identity and didn’t dare to expose his strength, so it was even more difficult to obtain Dao attainment.

Under such circumstances, he would have to spend thousands of years to become an earth level deity.

“I think so too!”

Tang Hao smiled.

“In that case, I’ll have to trouble guild leader Feng to help me transfer some of my cultivation. As for the rest, I’ll go to Hongtu and buy some. What do you think?”

Then, he stood up.

“Alright!”

Feng Qingyan nodded.

“Argh! That’s right, President Shi, there will be a grand event in our spirit Toad continent in a while, do you want to participate?”

She suddenly said when Tang Hao was about to leave.

“Oh? What grand event?”

Tang Hao stopped walking and asked.

“It’s an Immortals ‘gathering, and it’s very famous. When the time comes, all the major forces of spirit Toad continent and some famous people will be invited. Perhaps in a few days, an invitation will be sent to your Dragon Mountain.”

“Even if you don ‘t, it’s fine. I can bring you there and let you experience it.”

Feng Qingyan laughed.

Social gathering?

Tang Hao raised an eyebrow.

It sounded like a gathering of the upper-class people of spirit Toad continent.

“Alright!”

After a moment of silence, he agreed.

There was no harm in taking a look. Under the current circumstances, the more he showed his face, the less suspicious he would be.

Moreover, he should be a heaven immortal by then, which would not arouse any suspicion.

After saying goodbye to Feng Qingyan, he left the heaven seeking Pavilion and went to the Hongtu Chamber of Commerce to place an order for 9000 cultivation stones.

When he returned to the mountain, he would continue to forge.

Three days later, a white-robed heaven immortal arrived at the Dragon Mountain and sent an invitation.

“Myriad Immortals assembly?”

Tang Hao looked at the invitation card and saw three words written on it.

When he opened it again, it said that master Haotian was invited to go to Mount Yun in half a month to attend the great Immortals assembly.

“The master is busy these days, can I go on his behalf?”

He said to the messenger.

“Sure!”

The emissary hesitated for a moment before nodding. "I hope that President Shi will be able to attend on time!"

After he finished speaking, he left.

"Mountain cloud! It should be organized by that Yun Zhongxian!"

Tang Hao mumbled.

Yun Zhongxian's name was well-known in the entire spirit Toad continent. He was a golden immortal magnate.

The mountain in the clouds was a cave residence that he had opened up. In the past ten thousand years, he had taken in many disciples. The mountain in the clouds had gradually grown stronger and became a well-known force in the spirit Toad continent.

"He's a golden immortal magnate, so he shouldn't show up. It'll be fine even if he goes!"

After a moment of silence, he put the invitation away.

After a few days, the experts from the heaven seeking Pavilion and the Hongtu Chamber of Commerce arrived.

He took all of them and refined them.

"I'm finally ... A celestial immortal!"

After he was done, the Dao attainment in his body finally broke through 50000.

This was also the standard of a heaven immortal.

Becoming a heaven immortal also meant that he already had some strength and could establish a firm foothold in the immortal world.
