

The Mightiest Little Peasant Chapter 3032

In the sky, a divine light swept over.

It was an immortal boat.

At the bow of the ship stood a few figures. They were tall and upright, and their appearances were quite young.

The person at the front stood with his head held high and chest out, his hands behind his back. There was a strong sense of arrogance between his brows.

He was long Xiaozi.

At this moment, his heart was surging with excitement and he was in high spirits.

Because not long ago, he had successfully advanced to the celestial immortal realm.

At his age, there were very few people in the entire immortal world who could advance to the heaven immortal realm. He could be proud of that!

With his advancement to the heaven immortal realm, his status had also risen a lot. Previously, he was only a disciple of a golden immortal, but now, he had the identity of a heaven immortal expert.

Not long after he was promoted, the palace had assigned him to represent the palace of divine wonder in this myriad immortal gathering.

It was a Supreme honor to be able to participate in the myriad immortal gathering.

This was because those who could participate were all prominent figures of the entire spirit Toad continent. If he could participate, it meant that he had already entered the upper class of the spirit Toad continent.

“Senior brother, you’ll definitely be the most dazzling and attention-grabbing person when you enter the arena later!”

“Yup! Senior brother is so young, your future is boundless!”

Behind him, a few disciples flattered him.

“Hahaha!”

Long Xiaozi laughed out loud, feeling quite pleased with himself.

He could already imagine what kind of attention he would receive when he entered the arena. It would definitely cause quite a stir. Everyone would pay attention to him because he was a proud Son of Heaven! The future master of the divine wonder Palace!

Soon, the immortal boat arrived at the mountain.

Someone came out to welcome him and led him in.

“Is that the flower garden where the immortals ‘gathering is held?”

Seeing the garden filled with immortal Qi, long Xiaozi suddenly became excited.

It was finally time to go on stage!

With an excited heart, he swept forward and landed in the garden.

He even deliberately posed to make himself look more heroic.

However, he stood there for a long time and didn’t hear any movement around him. It was as if no one was paying attention to him.

His face froze, and he looked a little embarrassed.

He had thought that he would attract a lot of attention as soon as he appeared, but it was clearly cold and quiet.

“Where ... Where is he?”

He looked around and was stunned.

There were only a few people in the garden. A few of them glanced at him but didn’t say anything.

“Didn’t you say that many people have already arrived? Why are there only a few of them?”

He looked around and was at a loss.

“It seems ... Very lively over there. Is everyone there?”

He listened carefully and heard a burst of laughter and enthusiastic voices coming from the depths of the garden.

It was extremely lively on the other side.

“Let’s go and take a look!”

He hurriedly walked over.

“It’s so lively!”

After walking for a while, he saw many people in front of him. They were all gathered together. There was a group of men on the outside and a group of female Immortals on the inside. These female Immortals seemed to be surrounding someone.

Everyone's eyes were focused on the same place.

No one paid any attention to him, as if he was air.

He felt very uncomfortable. He was used to the feeling of being pampered since he was young. No one paid attention to him all of a sudden. This feeling of being ignored was really uncomfortable.

"The person inside must be a senior of virtue and prestige!"

He observed from the outside and thought to himself.

Only a senior like him could attract everyone's attention and make them so enthusiastic.

"Perhaps she's also a female immortal!"

He guessed again.

That was because the group of female Immortals were too enthusiastic and excited. This highly respected senior must be a female immortal.

"I wonder which senior it is!"

He squeezed his way forward, wanting to see the true face of this senior.

When he squeezed through group after group of people and came closer, he was stunned when he looked inside!

His entire body trembled, as if a bolt of lightning had struck him on a clear day, striking his head until his head buzzed and he felt dizzy.

"Illusion! It must be an illusion!"

He muttered, his expression dazed.

The scene in front of him was like a dream ... A nightmare!

What respected female senior, the one who was surrounded in the middle and the focus of everyone's attention, was clearly that guy surnamed Shi!

He was standing in the crowd, surrounded by many beautiful female Immortals, he was talking and laughing at ease, he was in high spirits, he was simply too carefree.

"Impossible! It can't be him!"

He gradually gritted his teeth, his face turning ashen. Even his body was trembling from extreme shame, anger, and jealousy.

He was so jealous that he was about to go crazy!

How could this guy receive so much attention and become the focus of this Immortals gathering?

Was he worthy?

He's just a puny earth immortal, and a loose immortal at that!

He, long Xiaozi, was a disciple of a golden immortal! Not a hundred times better than this guy?

The more he looked, the angrier he became, and his chest felt like it was about to explode.

"This bastard!"

He gritted his teeth and cursed.

Previously, he didn't hate this guy that much and could only be considered to have a small grudge. However, after being slapped in the face by this guy time and time again, his hatred for this guy grew with each passing day.

Especially last time, when he had gone to the nine cloud Palace to deal with the clear sky Association.

However, in the end, not only did they not destroy the Haotian faction, but they also made them even more famous, which simply made him want to vomit blood.

"Isn't this ... Honorable nephew Long Xiao?"

At this moment, someone finally noticed him and shouted.

Hearing this, many people raised their heads and looked over, but they only greeted him indifferently. Some didn't even greet him and continued to look into the crowd.

Although long Xiaozi was a disciple of a golden immortal, his status was indeed extraordinary in the outside world. However, it wasn't a prominent status here. Most importantly, befriending such a young man wouldn't benefit them at all.

President Shi was different. He controlled a new Chamber of Commerce and had a Big Boss in the Dao of craftsmanship behind him. In their eyes, he was the most worthy person to make friends with and the most profitable person to obtain.

Seeing this, long Xiaozi's face turned even gloomier.

"That's President Shi of the clear sky Association, right? How could he be so popular?"

He said to the person beside him.

“Hahaha! You probably don’t know this! This President Shi is a wonderful person. Look at him, he’s so good at coaxing women. He’s able to make those female Immortals so happy!”

“Yup! Guild leader Shi is truly an extraordinary person!”

Everyone sighed, their faces filled with respect.

They were truly convinced. They had never seen a person who could be welcomed by all the female Immortals. This President Shi was the first.

Long Xiaozi’s face twitched a few times, and it became even uglier.
